**When did you join South Narrabeen SLSC and why?**

I joined approximately 6 years ago, along with my 2 youngest kids. We began Nippers.

**What are the key lessons that you've learnt from your time in South Narrabeen SLSC?**

The Club is like a big extended family, everyone is friendly and they really look after the younger kids and grow them into strong and confident swimmers

**You have previously been an Age Manager. What's it like being an Age Manager and what did you enjoy about it?**

I was an Age Manager for approximately 5 years and enjoyed teaching the Nipper kids about water safety

**You've been a member at South Narrabeen SLSC for over 6 years, how have things changed?**

A few people have come and go over the years but the club remains a tight group of dedicated people

**How do you feel the 2016-2017 season is going?**

The weather has been really good for the Nippers this season and it appears there are a few more that have joined the Club

**What are your goals within Surf Life Saving, in particular South Narrabeen SLSC?**

My daughter is currently doing her SRC so I am happy to continue being Nippers Merchandise Manager

**What has been your best memory as a member of our Club?**

I guess it would most probably be watching my two kids grow with their confidence and skills in the water over the past couple of years

**Who is someone you admire in the Surf Life Saving movement and why?**

I would definitely have to say Wayne Nolan. He is truly a great man with a passion for teaching the young kids. He has a wealth of knowledge in the surf and this has transpired to improving so many of the kids and their surf awareness
