100 YEARS
1923 - 2023*

100TH ANNUAL REPORT

SEASON 2022/23

PREFACE

South Narrabeen SLSC is one of the 129 Surf Life Saving Clubs along the NSW coastline. Whilst our coastline is beautiful and dynamic, it is sometimes a dangerous place. The primary role of our volunteers is to save lives on our beach and protect beachgoers on weekends and public holidays each season (September-April). Thank you to all of our members for your contribution to the success of this season.

Annual Report prepared by : Ratna Selvaratnam (with input from all committee members)

OBJECTS OF ASSOCIATION

The 'Association' known as South Narrabeen Surf Life Saving Club, is a charitable community service based institution. The objects for which the Association, is established are available to read from the South Narrabeen SLSC Constitution which can be viewed at the South Narrabeen SLSC website: www.snslsc.org.au

Club Objectives

- The study and practice of surf life saving, resuscitation, and first aid to the apparently drowned and injured.
- To minimise the loss of life from drowning by carrying out surf patrols to render all aid possible to those in distress.
- To promote demonstrations and arrange classes of instruction in the principles of surf life saving and resuscitation.
- To encourage amateur sports, carnival competition, and social functions, etc. which do not interfere with the life saving duties of members.
- To foster youth development in a supportive family environment by providing education, competition and social activities for children.
- To enter into arrangements or contracts with any government, local government or other body for any of the purposes of the Club.
- To acquire or otherwise deal with land, buildings, leases, personal property, interests or rights with the object of furthering the interests of the Club.

- To carry on any other activities whatsoever calculated directly or indirectly to enhance further the interests of the Club such that profits are expended in furtherance of these Objectives only.
- To strive for governmental and public recognition of Surf Life Saving as the authority on aquatic safety.
- To promote the health and safety of members and users of the aquatic environment.

CLUB COMMITTEE

PRESIDENT

As the club finishes it's 100th season of Patrolling we now need to look to our future.

Thank you to all our patrolling members without whom we would not be here, the reality is that even with a strong Nippers group, a fantastic function room which funds a lot of our requirements and an amazing café, we will not be here if we can't fulfil our patrol requirements. Our patrolling members averaged over 60 hours which included Saturdays, Sundays and Public holidays such as Christmas day and Easter and collectively travelled a total of 14,900Kms from home to the club and back again over the season so that we can all enjoy our club.

It was great to see so many members help out when we sent out the call for assistance for our community events. Thanks to everyone who helped with the Beach to Beach fun run, Bush to Beach weekend and Ducks for Duckies. The events not only help us with funds, they give us a huge amount of exposure within the community & help us to build our strength as a community organisation.

It was very fitting to have our 100th anniversary dinner at the Dee Why RSL club, so many past and current members got together and reminisced of the days gone by. A few of the older members who weren't quite sure if they could make it showed up much to the delight of everyone. It is fantastic to have a chat and hear the stories of days gone by from the people who helped make our club what it is today, 100 years of highs and lows have made us a fairly resilient club and we need to make sure we have a strong focus on what our needs are for our future members.

The future of the club needs to be in line with the ever changing requirements of today's Surf Lifesaving, it takes a lot of time for our patrolling members to not only gain Lifesaving awards, there are the annual proficiencies and award upgrades which seem to be becoming more frequent as we develop our Lifesavers to be the best, also the administrative and compliance requirements increase each year with both Surf Lifesaving and Government organisations. We must continue to keep on top of these changes so we are always providing our members and the public a safe and supportive environment to enjoy.

I would like to thank everyone at Sydney Northern Beaches branch who have given constant invaluable support in all areas of Surf Lifesaving. Whenever we needed assistance it only took a phone call to have it resolved. We are fortunate to have such a professional & supportive branch behind us. This season we had 9 Surf Rescue Certificates and 3 bronze medallions trained and assessed through the Branch intensive courses. These courses alleviate the pressure put on our members for the training required to gain Surf Lifesaving certificates. Each of the candidates spent on average 40 hours in training & assessments, I am truly grateful to all those members who gave up their time for our club.

Finally, I would like to thank the club committee, without whom, we would not have our amazing club, we all have busy lives outside Surf Lifesaving and the huge amount of work that the small committee

has achieved this season to give us a fantastic club house, great events, financial stability and a growing amount of award members is spectacular. We need to get more of our younger adult members stepping up and taking over from "the old guard" so we can continue to have fresh ideas and a positive approach for the future of our club.

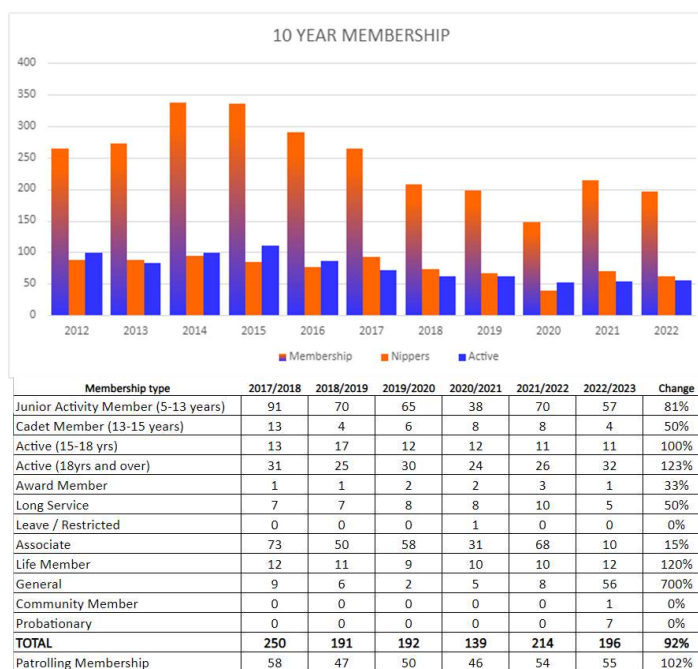

PETER MADDEN

President

ADMINISTRATION

Our 100th season saw a stabilizing of membership numbers after the post-Covid rebuild.

- Total membership 196
- Active members 55
- Nippers 62

This was nevertheless driven by a high level of activity that not only saw returning members but also new members that continued to join or express interest throughout the season. Our 100th anniversary was an obvious highlight, but the momentum was built with member lunches, fund-raisers, Nipper events and of course our now-iconic Bush-To-Beach amongst others. We are uniquely placed to connect with the community, and that continues to be one of our key efforts.

From an administrative front, the committee met every month without fail throughout the season. Part-way through the season, we shifted from meeting on the second Tuesday of every month to the second Sunday of every month. We also had the good fortune to see the completion of the new Training Room, which is where the committee will continue to meet going forward. We have also thankfully ironed the technical (IT) challenges to the point that everyone on the team has seamless access to communication and shared drives. While we have had gaps in the composition of the

committee, we have always quorum to meet, and also to move, evaluate and accept/decline motions. Much gratitude to all the committee members - who always showed up, did the needful and were fully committed to to deliver on their responsibilities.

Very encouraging to see more member stepping up to help and support the club, especially amongst Nipper parents. Exactly what we need for the effective continuity of our 100-year proud club.

RATNA SELVARATNAM

Director of Administration

FINANCE

Last season, with careful management, we built a strong financial platform for growth in 2022-23 despite loss of Cabana rental income and Ocean View Room revenues due to the impact of the Covid 19 pandemic. In 2022-23, we have consolidated that position with a focus on South Narrabeen member and Ocean View Room customer experiences.

In summary, the key Profit and Loss results were:

- A net profit for the year of \$7.1k, up 27% on last year
- Total income of \$199.3k, up \$30.4k (18.0%) on last year
- Total expenses of \$192.2k, up \$28.9k (17.7%) on last year

The primary drivers of the income increase were: Ocean View Room up \$35.9k (+60.8%), including bar sales up \$29.7k (+85.2%); Cabana Café rent up \$7.7k (+25.0%) and the Nippers BBQ up \$3.4k (+160%). While income from Social Functions, Clothing Sales and Donations/Fundraising declined, there were some innovative fundraising initiatives, notably Comedy For A Cause.

South Narrabeen SLSC is very grateful for the support of our individual, corporate and government supporters, and I would like to acknowledge the following:

- Moffitt Family Foundation donation: \$10,500
- Bush To Beach donation: \$1,500
- Stephanie Ferguson donation: \$1000
- Greg Ritter donation: \$250
- Anna and Michael Petersons donation: \$100
- Dave James donation: \$50
- Surf Life Saving NSW Annual Compliance Grant: \$6,100
- Surf Life Saving Australia Beach Safety Equipment Fund: \$10,000
- Northern Beaches Council SLS Grant: \$6,842

Total expenses were \$192.2k, an increase on the previous season.

Due to the council works, we refunded \$1.1k in Gym memberships. Looking forward, we have invested \$9.4k in upgrading Gym equipment. Increased spend of \$1.1k on Junior Presentation Day, \$1.3k on Australia Day, \$1.1k on Social Occasions and \$3.5k on the Senior Presentation provided more for our members. Every member received a long-sleeved 100th Year Anniversary t-shirt, while qualifying members received an addition long-sleeved "South Narrabeen Patrol Member 2022-23" t-shirt, increasing our Clothing expenditure by \$4.8k. Pleasingly, we spent an increase of \$1.1k on Lifesaving Awards.

A new building lease resulted in higher cost of \$1.9k. Stylish new bar tables, stools and chairs for the Ocean View Room were purchased at a cost of \$15.2k. Although Drink Purchases went up by \$6.7k with higher sales, total Ocean View Room running costs were kept to a modest \$2.9k increase.

Lastly, total cash and cash equivalents grew from \$164.6k to \$201.0k, with an additional \$15k added to one of our term deposits. With increased current assets of \$208.5k (up 22.9%) far exceeding liabilities of \$24.2k, our position is very sound, especially when almost half of the current liabilities (at April 30) are Income in Advance (for the 100th Year Dinner). Net assets increased by a further \$7.1k on last season. The club's equity position (members' funds) stands at \$487,702.

These excellent financial results are generated by our members. Personally, I wish to sincerely thank every South Narrabeen member for their commitment, effort and passion in making a difference. Thanks also to the team at Fortuity for auditing our accounts. Again, a big shout-out to Greg Ritter, the previous Finance Director, for his ongoing guidance and support.

One hundred years.....DONE! We have a proud tradition, great people, many good stories and much fun to look forward to. See you on the beach in 2023-24.

Executive Committee Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2023.

Executive Committee Members

The names of executive committee members as at the date of this report are:

Peter Madden	President / Director of Lifesaving
Ratna Selvaratnam	Director of Administration
Alan Brightman	Director of Finance
Duncan Schieb	Director of Member Services
TBA	Director of Surf Sports
Claudia Ritter	Director of Junior Activities
Mike Renie	Director of Education
Tony Haven	Director of Facilities
Ken Passmore	Director of Sponsorships and Grants

Principal Activities

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Sydney Northern Beaches Inc.

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

The surplus from ordinary activities of the association for the financial year amounted to \$8,434 (2022: \$5,588).

Signed in accordance with a resolution of the Executive Members.

Date: 11 July 2023

Independent Auditor's Declaration to the

We hereby declare that to the best of our knowledge and belief during the year ended 30 April, 2023, there have

(i) no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and

(ii) no contraventions of any applicable code of professional conduct in relation to the audit.

South Narrabeen Surf Life Saving Club Incorporated

Notes To The Financial Statements

For The Financial Year Ended 30 April 2023

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations. The committee has determined that the association is not a reporting entity.

South Narrabeen Surf Life Saving Club Incorporated is an association registered under the *Associations Incorporations Act 2009* and domiciled in New South Wales.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

These are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commissions Act 2012* and associated regulations. The Executive Committee have determined that the accounting policies adopted are appropriate to meet the needs of the members of the South Narrabeen Surf Life Saving Club Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards'; AASB 1054 'Australian Additional Disclosures' as appropriate for not-for-profit oriented entities.

Accounting Policies

Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

Sale of goods

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid

South Narrabeen Surf Life Saving Club Incorporated

sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

Functions and Events

Revenue from functions and events are recognised once the event is held in the Club facilities and has meet its obligations to provide a venue for the expressed purpose agreed with the parties.

Membership fees

Revenue from membership fees is recognised at time of receipt.

Grants and donations

Grant & donation income is recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

South Narrabeen Surf Life Saving Club Incorporated

Notes To The Financial Statements

For The Financial Year Ended 30 April 2023

1. Summary of Significant Accounting Policies (Cont...)

Inventories

Inventories are measured at the lower of cost and net realisable value.

Plant and Equipment / Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	22.5%
Leasehold Improvements	10 - 22.5%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank

South Narrabeen Surf Life Saving Club Incorporated

overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

South Narrabeen Surf Life Saving Club Incorporated

Notes To The Financial Statements

For The Financial Year Ended 30 April 2023

1. Summary of Significant Accounting Policies (Cont...)

Income Tax

As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

South Narrabeen Surf Life Saving Club Incorporated

11. Contingent Liabilities and Contingent Assets

The Committee members are not aware of any significant contingent liabilities or contingent assets affecting the entity at reporting date.

12. Events after the Reporting Period

The Committee are not aware of any significant events since the end of the reporting period.

South Narrabeen Surf Life Saving Club Incorporated

Notes To The Financial Statements

For The Financial Year Ended 30 April 2023

13. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Net fundraising is applied to the operational expenses of the Club in its core lifesaving activities. Comparisons of certain monetary figures and percentages in accordance with the requirements of the *NSW Charitable Fundraising Act 1991* are set out below.

	2023	2022
	\$	\$
Aggregate gross income from bequests*	-	-
Aggregate gross income from fundraising	9,356	2,091
Aggregate gross income from donations	15,444	33,220
Less total direct cost of fundraising	-	-
	<u>24,800</u>	<u>35,311</u>

* Bequests are excluded from the *Charitable Fundraising Act 1991*

14. Related Party Disclosures

(a) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

South Narrabeen Surf Life Saving Club Incorporated

The committee members have not acquired any goods or services from the Club during the year and if they were to do so, any goods or services received would be on the same terms and conditions available to the Club's customers and members.

(b) Key Management Personnel

The total remuneration for all key management personnel for the year ended 30 April 2023 was \$Nil (2022: \$Nil).

South Narrabeen Surf Life Saving Club Incorporated

ABN 90 853 268 642

Statement by Members of the Executive Committee

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes comply with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*;
- (iv) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2023 and of its performance for the financial year ended on that date;
- (v) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (vi) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vii) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Report on the Financial Report

Opinion

We have audited the accompanying financial report of South Narrabeen Surf Life Saving Club Inc. (the association), which comprises the statement of balance sheet as at 30 April 2023, income statement and In our opinion the financial report of South Narrabeen Surf Life Saving Club Inc. is in accordance with the

Australian Charities and Not-for-profits Commission Act 2012, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2023 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the requirements of the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the Charitable Fundraising Act 1991, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) South Narrabeen Surf Life Saving Club Inc. is solvent, as it is able to pay its debts as and when they fall due.

Emphasis of Matter

The financial report of South Narrabeen Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2023, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Other Information (Continued...)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Auditor's Responsibility for the Audit of the Financial Report (Continued...)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

SPONSORSHIP AND MARKETING

What a Great year the Club has had this year being our 100th year and the Dinner was amazing.

Our Club profile is getting stronger and stronger with all the amazing things our Club and Members are achieving out in the Community.

Australia day Celebrations at the were Fantastic with Starwoods playing again and rocking the Beach.

Bush to Beach is getting stronger and stronger as the years go by. South Narrabeen gets some amazing press which has gone all over the World.

This Season we were involved in the Beach2Beach Run again and is on in August 2023, if you can help out let us know and Ricky Dowling is the main contact.

Our Comedy for a Cause night was a success, and we will be planning another one for next Season along with Helping Hand who supplied the Auction Items, Pizza Hut Collaroy supplied the food. Thank you all our Members who helped out putting it together. A fun night had by all. More to Come.

We also did Ducks for Duckies on the 20th May which we raised some much-needed funds for our Members. We got some great exposure for the Club at Warringah Mall who supplied all the food and drinks and fishing the Ducks out of the Dolphin Fountain. We got to keep all the money raised on the day. A huge thank you to the hard-working Members how made the day a success.

This year has been a tough year getting a Major Sponsor. Companies are still recovering from the Covid times. We are still trying hard to find the right Sponsor.

If any Member knows a Company or a Business that would be interested in getting involved in our Great Club please reach out to me any time.

Donations from some wonderful people, The Moffit Family Trust and The Rydge Foundation have been a huge help to the Club and thank them for supporting us.

Looking forward to another great season at Our Club.

KEN PASSMORE

Director of Sponsorship, Marketing & Grants

LIFESAVING

Finally we have had a season with good weather, surf and a great beach, of the 77 Patrol days recorded we only had 17 that weren't great weather. Our Patrolling members completed on average 60 hours of patrols which equals a total of 3,203 hours. They have travelled 14,893 Kms to and from the club, completed over 150 award proficiencies and assessments, 181 preventative actions which resulted in no recorded rescues carried out for the season.

The beach was closed 10 times due to bad conditions and once for a shark. Over the season we recorded 22,873 visitors to our beach with a total of 10 people needing first aid, 8 of the 10 were for the good old blue bottle stings.

Our Patrolling members do a fantastic job keeping our members and the public safe. Not all patrol days are spent sitting on the beach, as stated above we had 17 bad weather days, these days are long, cold and wet and these are the days when everyone except for our patrols are at home keeping warm, however our Patrols keep watch just in case they are needed. We need a lot more members to step up and help out with patrols so we are not relying on the commitment of just a few dedicated members to keep the club open.

Overall, we had a very successful season and we will be back again next season keeping our beach safe.

2022/2023 SEASON PATROL HOURS

EDUCATION

With COVID in the rear-view mirror and sand on the beach, South Narrabeen's Surf Life savers were not only busy patrolling on the beach but hitting the classroom and water to further add patrol capabilities to the club. In the 2022-2023 season, club members added 25 new awards, an increase of 7 over the previous season.

Members who earned significant awards this season as shown in the following table:

Last Name	First Name	Award Name	Award
Abood	Ryan	Surf Rescue Certificate (CPR Endorsed)	20/04/2023
Chebaro	Omar	Provide first aid (HLTAID011)	11/09/2022
Chebaro	Omar	Surf Rescue Certificate (CPR Endorsed)	19/07/2022
Dowling	Barbara	Provide first aid (HLTAID011)	11/09/2022
Flint	Robert	Surf Rescue Certificate (CPR Endorsed)	20/04/2023
Franco	Melissa	Surf Rescue Certificate (CPR Endorsed)	4/02/2023
Freeman	Kira	Bronze Medallion	20/04/2023
Grundy	Brian	Provide first aid (HLTAID011)	11/09/2022
Ivering	Alex	Surf Rescue Certificate (CPR Endorsed)	12/01/2023
Madden	Peter	Provide first aid (HLTAID011)	11/09/2022
Mariani	Michael	Bronze Medallion	18/03/2023
Mariani	Michael	Provide first aid (HLTAID011)	11/09/2022
Mariani	Michael	IRB Crew Certificate	20/05/2023
Martin	Stephen	Provide first aid (HLTAID011)	11/09/2022
McKinnon	Coby	Surf Rescue Certificate (CPR Endorsed)	20/04/2023
Moffitt	Philip	Provide first aid (HLTAID011)	11/09/2022
Newton	Tahlia	Surf Rescue Certificate (CPR Endorsed)	20/04/2023
Renie	Michael	Provide first aid (HLTAID011)	11/09/2022
Renie	Michael	TAF Mentor	15/08/2022
Ritter	Ruby	Surf Rescue Certificate (CPR Endorsed)	12/01/2023
Schieb	Duncan	Bronze Medallion	12/01/2023
Selvaratnam	Ratna	Provide first aid (HLTAID011)	11/09/2022
Shahani	Roger	Provide first aid (HLTAID011)	11/09/2022
Shapcott	Peter	TAF Mentor	10/11/2022
Sue	Ayden	Surf Rescue Certificate (CPR Endorsed)	12/01/2023

With the help of the Surf Life Saving Academy we have added additional SRC and Bronzies to the patrolling ranks. Congratulations!

Hats-off to Luke Ivering who has been accepted into the Training Officer Course. Hopefully, Luke will become our SRC/BM Trainer next year.

Whilst we had no IRB drivers complete the IRB Driver's certification, we had one member earn his IRB Crew Certificate on 20 May, before the end of the season, Michael Mariani. He is also keen to start the IRB Driver course when the season starts.

A special thank you to Grant Shapcott (IRB Captain and IRB Trainer) for maintaining the IRBs, especially after rollovers, strategizing on when to replace the "Yammys", keeping the Fuel Officer in-line, and leading the IRB training. Also, a big "thank you" to Brian Grundy who travels from the Eastern Suburbs to help deliver training, fills in on patrols and organises the First Aid room and kits.

We have lots of different options whether it be doing IRB training for crew or drivers or if you have a preference to stay dry, working at Surfcom on the radios or getting further skills in first aid. Members can patrol in the yellow shirt if they decide to get the Advanced Resus course award.

In addition to members upskilling their awards we are looking for Training Officers to becoming part of our education team. Having Training Officers part of the Club is vital for our proficiencies and training. Some final thanks:

- Marvin Smith who is a Probationary Training Officer – Bronze and SRC, and has assisted IRB training,
- Rob Cook, Narrabeen Assessor who performs IRB Driving proficiencies at South Narrabeen,
- to Branch, in particular Belinda Dobson, Mechelle Hare, and Adrienne Lowe for all the help throughout the season
- to all of you within our Club, for making the time to come to proficiencies, skill up with new awards and for all the support for our junior members in gaining new skills.

MICHAEL RENIE
Director of Education

JUNIOR ACTIVITIES

To say this season was great would be a serious understatement! We had an abundant number of Nipper families with the usual get-in-there-and-help/get-involved spirit, amazing weather, excellent

beach conditions and most of all...no COVID!! Well....none that kept us from coming to the beach every Sunday anyway!

All of our Age Managers and Parent Helpers did a fantastic job delivering the weekly Nippers program and made each session packed with fun!

We had some special events happen this season:

- We hosted Narrabeen SLSC Nippers for a session to help them out until they had a JAC in place.
- Bush to Beach was back on! – it was so nice to have the kids from the Bush back on the Beach with us!!
- 8 Nipper Cadets successfully got their SRCs!! – a huge congratulations to Ruby Ritter, Alex Ivering, Ayden Sue, Mel Franco, Thalia Newton, Coby McKinnon, Robert Flint and Ryan Abood
- One of our Nipper parents got their Bronze – well done Duncan Schieb! You are an inspiration to the rest of us Nipper parents!!
- We purchased 12 new Boards for Board training which the Nippers loved!
- Nippers and a Nipper parent were the cream of the crop in the Club Swim Championship – well done Ruby Ritter, Ayden Sue and Daniel Bower for coming 1st, 2nd and 3rd!!

All of our amazing Nipper parents helped out in one way or another. Thank you to all of you!!

Some stand out volunteers were:

- Darren Sue– who always puts his hand up and seems to enjoy his roles more and more each season! He really stepped up this season as our Education Coordinator, Sports/Competition Coordinator and Age Manager mentor. His enthusiasm and organization skills inspired everyone to get involved. Well done in delivering and completing the Education sessions before 31st December!
- Ratna Selvaratnam– for always helping out wherever and whenever needed and helping to Age Manage every week
- Greg Ritter – for mentoring and inspiring his U14s group to get their SRCs and hopefully their Bronzes next season. He was our Water Safety guy every week as well as being Age Manager, running Education sessions, Board Training and being Patrol Captain every 3 weeks
- Eduardo Franco for being an Age Manager every year for the past 6 years and always helping out whenever he can
- Mariane Marcon Pires Dias and Rafael Marcon Kebrie Dias – for helping out whenever they could
- Sally Oakes – for being our Handicapper during such a busy time in her life
- All of our amazing Age Managers – Simon Birdsall, Ratna Selvaratnam, Jesse Madden, Mark Mikalauskas, Eduardo Franco, Darren and Greg Ritter
- Luke Ivering, Ethan Hill and Christian Selvaratnam for helping with Water Safety every week and with Board Training
- All of our newly appointed SRCs for getting in there and helping with Water Safety and doing

Patrols – Alex Ivering, Ayden Sue, Mel Franco and Ruby Ritter

- Duncan Schieb – for being our unofficial photographer and getting amazing photos for us
- Lisa Bower and family for doing an amazing job running the canteen and BBQ
- Barry Grundy for being our BBQ chef each week
- Tayana Grundy – for being an amazing Social Coordinator and making every social event so much fun and a resounding success with the support of her fantastic Social Committee – Brittany Paterson, Megan Birdsall and Carly Hennessey
- Andrew Ivering for helping whenever possible with Water Safety

A big thank you to all of you for your stand out effort!!

WE HAD SOME FANTASTIC SOCIAL EVENTS!!

Thank you so much to the Social Committee for all of your hard work and effort this season!!

NIPPERS PROGRAM THIS SEASON IN REVIEW

This season it was mandated that U6s and U7s also had to do a proficiency swim and wear a different colour of cap so they are identifiable against the older age groups in the water. So ours had yellow caps instead of orange caps. We were very successful in getting most of the Nippers in these and all age groups to complete their proficiency swim and in the first 3 weeks of the season.

The weather and the water at Southy were the best we've had in a few years. So, we were able to get in the water most weekends. Thanks to Darren and Greg and all the SRCs and Patrolling members, we completed all education modules before 31st December and every Nipper received their certificate. Well done everyone

Although we were lucky enough to have 12 new boards this season, the water conditions and holidays etc., only allowed us a few board training sessions. The ones we had were great though and the kids loved the new boards!

We had 61 registered Nipper families this season which is fantastic! We had lots of Nippers in each Age Group which was nice to see. We had 7 U14s and 1 U15s successfully complete their SRC. We also had 1 Nipper parent get their Bronze. This was a great accomplishment for this season but we need more so let's work on getting more Nipper parents to get their Bronze Medallion!!

We continued to focus on Nippers Committee goals and objectives:

- Surf and beach education
- Strengthening our framework for growing and nurturing Nipper Cadets into SRCs and ultimately future Surf Lifesavers and Club leaders
- Encouraging parents to engage and take on roles/positions within Nippers and Youth Programs
- Retaining and growing our Nippers family base (as well as general Club memberships)
- Providing integrated board training sessions regularly to ensure more Nipper participation, confidence and competence in swimming at our beach
- Bridging the gap between Nippers, SRCs and Patrolling members by working collaboratively (i.e. SRCs and Patrols being more involved in Nippers sessions)
- Making the Nippers program as educational and informational as possible but most importantly...FUN!

We will continue to work on these goals and objectives for the upcoming season. In particular, we plan to really focus on:

- Revising the overall Nippers Committee Strategy to make it more accurate for the current environment and member base
- Retaining our current base of members by providing an engaging and rewarding Nippers program
- Getting more new registrations through increased marketing and community presence
 - Competitions – ensuring Nippers are able to participate in every opportunity possible – encouraging parents to form a Competitions Committee
 - Surf and Beach Education - encouraging further skill development for all Nippers/members and aiming for more Bronze Medallion registrations/course completions, particularly for Nipper parents
 - Building water safety confidence for all members – particularly Nippers parents

WE HAD LOTS OF FUN!

The team and competitive spirit was at an all time high this season! Most parents got in and helped every weekend whether it was in the Canteen or on the BBQ or helping Age Managers and getting in the water!

The competitive spirit was ignited and kept alive through the weekly swims. So many parents and Nippers participated which was amazing!!

The Club Swim Champions winners were:

1st Place: Ruby Ritter

2nd Place: Ayden Sue

3rd Place: Daniel Bower

The parents/adults thoroughly enjoyed the competitive spirit during the Club Championships! Luckily not many injuries this season!!

NIPPERS AGM/PRESENTATION DAY

The Nippers AGM/Presentation Day was another success! We had a great turn out and most of the Nippers Committee positions were filled.

I'd like to say a special thank you to Lisa and Nick Bower for volunteering to be our new JACs for next season....you guys are going to be GREAT!!

Congratulations to all the award winners!

Congratulations to Willow Tudor & Alfie Isaac for the Nipper of the Year Award!

Thank you all for a fantastic 2022/2023 season I am looking forward to seeing you all back at Southy next season!

CLAUDIA RITTER
Junior Activities Chairperson

MEMBER SERVICES

I would like to extend my heartfelt gratitude and appreciation to all the amazing parents and volunteers who devote their time and effort to the South Narrabeen Surf Life Saving Club. Your unwavering commitment to bringing your children to learn about water safety, fostering new friendships, and developing a strong community is truly remarkable. It is through your dedication that our club thrives and continues to make a significant impact on the lives of our members.

Post the challenges posed by the COVID-19 pandemic, I am pleased to share that we are successfully rebuilding our nippers numbers. This accomplishment would not have been possible without each parent and volunteer who played a pivotal role in encouraging participation and spreading awareness about the importance of water safety education. Together, we are creating a safe and nurturing environment for our children to learn, grow, and form lasting bonds.

As we embark on the next phase of our journey, I would like to call upon your continued support in building our club even further. We aspire to expand our membership by welcoming new nippers and their families. By encouraging others to join our community, we can share the benefits of surf life saving with more individuals and strengthen our collective bond.

In addition to recruiting new nippers, we also need to bolster our patrolling members. The safety and well-being of beachgoers depend on the dedication and expertise of our patrolling team. Therefore, I urge nipper parents to consider obtaining their Bronze Medallion, a prestigious qualification that equips individuals with the skills necessary to contribute to the essential patrolling efforts. By becoming patrolling members, parents can actively participate in ensuring the safety of our beloved beach.

It is essential to acknowledge that South Narrabeen Surf Life Saving Club is committed to continual improvement. We constantly strive to enhance our club's offerings for both parents and nippers, ensuring that everyone has access to valuable opportunities and experiences. Your feedback and suggestions are invaluable in shaping the future of our club. We welcome any ideas that can help us create an even better environment for learning, growth, and community engagement.

Our club boasts the best little community, characterized by strong camaraderie, support, and a shared passion for surf life saving. Each member contributes to the unique spirit that makes South Narrabeen Surf Life Saving Club such a special place. We are like a family, united by our love for the ocean and our collective commitment to ensuring the safety of all beachgoers.

Looking forward, I am thrilled to announce that we are developing a comprehensive five-year growth plan centered around our current members. This plan will enable us to nurture and strengthen our community, improve our facilities, enhance our training programs, and expand our outreach efforts. By leveraging the talents and resources within our club, we can achieve our goals and set new milestones for success.

Once again, I would like to express my deepest appreciation to all the incredible parents and volunteers who contribute their time, energy, and passion to the South Narrabeen Surf Life Saving Club. Together, we are creating a safer and more vibrant future for our children and the wider community. Let us continue to work hand in hand, welcoming new members, and building a legacy that will endure for years to come.

Thank you for being an integral part of our extraordinary journey.

DUNCAN SCHIEB
Director of Member Services

BUILDING & FACILITIES

It is with great pleasure that I submit my report to the membership in the 100th Annual Report after the completion of the final stage of the strategy the Board undertook in 2017 with revitalising the clubhouse and amenities. This strategy included the construction of a new foyer and the installation of an elevator, the removal of the beach side access stairs and the observation tower and the construction of a new balcony and access stairs to the Café and Ocean View Room. Over the past season an Education Room was constructed thus completing the strategy.

During this period, we also upgraded the car park with the removal of garden beds in the installation of patrol member parking spaces and disabled parking. All these works could not have been done without grants from the NSW State Government and Northern Beaches Council, to both levels of Government we are extremely grateful. Also, to the staff at Northern Beaches Council for undertaking the construction of the areas. Thanks.

While not part of the original 2017 strategy the Club is now constructing a store room for the Café to further enhance our club's business.

This season to further improve the Ocean View facilities your Board decided to renew the chairs, stools, and bar tables. Also, acoustical bats were fitted to the ceiling. All this equipment and changes were self-funded through the income from the Café.

Your club signed a new 20-year Head Lease with Northern Beaches Council for the clubhouse. The lease is a vast improvement on the previous lease in defining the club and council responsibilities. To this I must thank Surf Life Saving NSW and Surf Life Saving Northern Beaches for the consultative process with our club ensuring the lease works for all parties. The signing of the Head Lease has allowed the Club to sign a sub-lease with the proprietor of the Café for 5 x 5 years.

Our Function Manager, Monique Cruz is doing a fantastic job even with the set back of Covid and lack of bar staff, being proactive and efficient.

During my tenure as the Director of Facilities I would especially like to thank Thecla, Martin, Mark “Boof”, Charles, and Richard for their ongoing support and advice whilst I was in the role.

I am extremely proud of what I have achieved and leave behind a legacy of a clubhouse that has improved community access and use while increasing fund raising opportunities for the Club. Do not waste the opportunity, invite the community to be part of this Club, come and join and utilise the wonderful facilities

Yours in Surf Life Saving

TONY “TORCH” HAVEN AM

Director of Facilities

CENTENARY DINNER

6 May 2023, Dee Why RSL

Over 130 people, members, past member, friends and families joined in celebration of the 100th season of the South Narrabeen Surf Lifesaving Club Inc. It was a dinner, with a few speeches and much story telling. An appropriate occasion for a lifesaving organisation that had continued, sometimes with great difficulty for 100 seasons. And we were there to mark the success with friendship and memories. Some attendees had not seen each other for decades.

Some came from far afield, the north coast and inland New South Wales. Members of well known families who contributed so much in the early years, the Harris and Le Clerc family booked tables. And three generations of the Havens came to enjoy the evening. At last count there were 7 ex Presidents and many Life Members, including Club stalwarts Peter Clarke and Pam and Chika O'Reilly.

There were official guests, more friends really, Sophie Scamps, Federal Member for McKellar joined local politician Rory Amon, State member for Pittwater, Jack Cannons whose connection with the Club go back for nearly a generation as a key figure in the Bush to Beach program, attended as did friends John Brogden and his partner Lucy as well as Northern Beaches Councillor Ruth Robins.

We'd paid for the dinner, for sure, but when the club's credit card hit the bar for the night, we knew that it would be fun and that the stories would flow and grow.

The MC for the evening, Club Committee member Duncan Schieb began with a cheerful set of announcements and a rousing call to cheer. President Peter Madden followed with a special welcome and thanks to all who had contributed to the celebrations, particularly Stephen Martin who researched the wrote the book *Southy* that was freely available on the night and Richard Dowling who laid out the book and sent it to the printers and, who, with partner Barbara and others organised and ran the dinner.

After the main course – or during the main course depending on how quickly we ate, or permitted the eating to interrupt the drinking, Steve gave a quick run down on the work of the book and addressed the issues of when the Club was formed. He then touched on those qualities that had ensured the survival of a small club for 100 years. Behind all these values is the simple quality of the beach and the sea itself. Without doubt we all enjoy the beach and the lifestyle that comes with that enjoyment. But deeper than this are the simple human values of kindness, decency and commitment.

Of course we all agreed – by this time agreement was abounding – and got on with the celebrations. Spike Jones and David James led the crowd in a spirited rendition of one version of the Club song, apparently drafted by Club supporter Essie O'Sullivan.

Spike then regaled us with some hilarious stories about his club life. Guided by the MC an Open Mike session was run with anyone who had stories or memories given free reign to open up. And we did. Peter Clarke talked about his days and competitions, Rohan Fisher about the wonderful success of the rowers in the Club, Ken Passmore about Krispy Kremes and friendships. A member of the Le Clerc's explained her family's role in earlier times. Tony Haven about his football days and the family.

And that was the formal side. The remainder of the evening was spent by members gathering and talking, reminding each other of the ups and downs of their times and of the many friendships made through the connection with Southy.

It's a fair bet that no one there tonight will be around for the 200th, but I'm pretty sure that the evening will match the warmth and spirit of the 100th.

VALE

Brian Moloney joined South Narrabeen in 1946 as a juvenile member gaining his bronze in 1947. He was a fantastic surf swimmer, winning the Club Surf and Belt Championship on 3 occasions.

Brian was a member of the SLSA instructional team to Tasmania in 1949

Brian finished 2nd in the National Junior Belt Championships 1951/52

Brian competed in R&R, Surf Races and Belt Races at surf carnivals. He was a member of the club's R&R team that were NSW premiers in 1954/55 and 3rd at the National Championships

Brian was a very strong Patroller being such an excellent swimmer

In his later years Brian always attended the Club Reunion dinners

Rest in Peace
