SOUTH NARRABEEN SURF LIFE SAVING CLUB  
52nd ANNUAL REPORT & BALANCE SHEET  
SEASON 1973/74

For presentation to Members at the Annual General Meeting to be held at the Clubhouse on Sunday, September 15th, 1974 at 11.00 a.m.

Gentlemen,

Your Committee has pleasure in submitting for your consideration and adoption the report of the Club activities for the 1973/74 Season, together with the duly audited INCOME AND EXPENDITURE Account and Balance Sheet for the year ended June 30th, 1974.

PRESIDENT'S REPORT

I have heard it said we are a close club, and it is pleasing to hear it as a club of our size has to be close and every member made to feel he is needed. With this attitude prevailing, members get in and help each other.

It was gratifying to see the number of awards obtained - it would be close to an all time record. Thanks to all those who helped out.

A special thanks to our competitors and helpers who kept the name of South Narrabeen to the fore also, to those who competed on our Beach Football team.

My congratulations to our Committee on a job well done, and a special thanks to John Bazeley for doing such a fine job on the social side.

To all the Members - let's try harder in this coming season and have an even better year.

CHARLES O'REILLY

SURF LIVE SAVING"NO LIVES LOST"

Once again we are proud of our record.

This Season a total of 142 Rescues were performed by voluntary Club Members. A big increase from 78 rescues for the previous year.

Each and every Patrol Member should feel proud of this very fine effort. Imagine what the Insurance payout would have been on this number. It makes you wonder what Clubs must be saving these firms each year. If each Club were paid say \$50 per life we would never have to BEG for money to run our Club.

Details of Rescues are as follows:-

Rescues with Line	78
Rescues without Line	36
Rescues with Torpedo Buoy	9
Rescues with Surf Boards	9
Rescues with Surf Boat	5
Rescues with Power Boat	5

One rescue of a young girl required "mouth to mouth" and Cardiac Heart Massage by Peter Clarke and Bob Ferguson. This young lass was taken to Mona Vale Hospital, given Oxy Viva and after several days in hospital recovered fully.

Five others rescued required "mouth to mouth", each recovered favourably from their ordeal.

A W A R D S

Last Season saw our best effort for many years.

Our complete thanks must go to our previous Club Captain and currently our Chief Instructor, Torch Haven.

INSTRUCTORS AWARDS: Don Groom

BRONZE: P. Hay, C. Reynolds, P. Bourke,  
A. Mulherin, J. Bazeley, B. Hall,  
J. Lawler, T. Sweeney, P. Roberts,  
C. Brown, B. Davis.

QUALIFYING: C. Brown, B. Davis, B. O'Reilly,  
S. Lawler, A. Culloch, S. Raffaele.

An excellent effort and to each and every member, your Committee thanks you all for your personal effort.

CHIEF INSTRUCTOR'S REPORT

This year through the efforts of a few members there was a large influx of new members who made efforts to gain awards. Although a few fell by the way side the majority worked hard and gained their appropriate award. I would like to congratulate those members who gained them and I hope that they go on to be good members of South Narrabeen.

I would also like to thank those members who have helped me throughout the year as without their help the job that I have done as Chief Instructor would have been twice as hard.

A. HAVEN

IN APPRECIATION

The Manager & Staff of the Royal Antler Hotel, Narrabeen, for their kind co-operation in our fund raising campaigns.

HANDICAPPER'S REPORT

The 1973/74 season was quite an eventful one, with good numbers of members, senior, junior and cadet, joining in the events of the day. To those who did not win a monthly point score this season, let the incentive to win one be twice as strong in the new season.

It was a pity to see Bob Dapper leave our ranks and move interstate, as I feel we had very good junior material in the boy. Words of Wisdom:

"The handicapper's job can be made a lot easier if the members are punctual for their events, and remain on the beach until ALL events are finished".

Good swimming - Bozo

"JOE GARVIN" TROPHY

Each year a beautiful trophy is donated by a life member of the club, Mr. Joe Garvin. The trophy is presented to the member who has the best patrol efficiency attendances and knowledge of the S.L.S.A. Handbook.

Two Members - L. Maxwell and K. O'Reilly were eligible to contest the final examination, the ultimate winner was L. MAXWELL.

"PAUL JACKMAN" MEMORIAL TROPHY

We are most grateful to Paul's Godparents, Mr. & Mrs. C. Davis for the magnificent Trophy which was presented to the Club for competition. This Trophy is awarded for the best all round Life Saver throughout the season.

Congratulations are extended to ANTHONY HAVEN on winning this magnificent Trophy.

"FRED AND SIS" BERTRAM TROPHY

Once again Souths and Swansea Belmont held our Annual battle. This year saw Swansea take the shield away from us.

We still don't know whether or not it was because Swansea were on their home ground, the night out before, or could it be some of each.

No, we were beaten by a mixture of young and old keen members and we congratulate Cliff Marsh's boys for a very good performance.

We hope to reverse the outcome next year as our lads seem to excel at our now famous "Toe Race".

CAPTAIN'S REPORT

Undoubtedly the outstanding feature of the 1973/74 season was that in a Club averaging only 35 active members we were able to gain 11 Bronze Medallions and 6 Qualifying Certificates. Credit for this must go to Torch Haven who returned mid-season from a European sojourn to take over the position of Chief Instructor. To him and to all the successful members, some of whom had rugged surf conditions for the test, I offer my congratulations.

However, the making of an experienced and competent lifesaver does not end with the gaining of a bronze medallion. Regular competition is needed to ensure that members are fit and able to perform rescues. I urge these members to compete regularly in the Sunday point score events and if the ability and experience is there, to have a crack in open competition at Surf Carnivals.

Actually a keenness to compete has been evident this season, and I can recall a few Carnivals where we had 4 Boat Crews and a number of Junior beach and surf competitors, which is just about our total active membership.

It's good to see some new young faces around the Club. It's a pity we haven't got a new young Clubhouse to put them in. Although the way it looks, we'll be happy just to have enough sand to stick the flags in by summer.

Patrols were adequate last year - that's about the best I can say. Although there were no tragedies and we performed a good number of rescues, there were days when patrol attendance was just not good enough. This must improve.

In a typical close-knit South Narrabeen year it is hard to single out members for mention - Don Groom, who turned out to be as bad a sweep as he is a swimmer, but if he got paid for trying, he'd be a millionaire - we need more like him.

SYDNEY - 26th August, 1974.

Peter Clarke, the old bloke still as keen as ever. John Bazeley, excelling in his first year as Social Secretary and Handicapper - and of course Chick and Barry for their constant plodding, and all the wives and friends who go towards keeping this club alive.

We are getting a new boat and a couple of skis this season. If we can snare a few members and a few bob from the Council to hold the place together, then I think this year should be a good one.

. . . . .

JUNIOR CAPTAIN'S REPORT

Wasn't it good to see so many juniors in the Club this year, but wouldn't it have been even better to see them a little more keen in events. There is a lot of potential amongst them and with a bit of encouragement and training we could have a few good results in the next year.

Special thanks to the Juniors from Gladesville and Ryde for making the effort to make it down each weekend and to John Hay and Terry Sweeney for bringing them.

It was good to see a junior boat crew at some of the Carnivals this year. I hope Paul Hay, Paul Roberts, Peter Bourke, and myself can stick together for many future years. Thanks to Anthony Haven on behalf of the crew for his "Patience" in sweeping us. I hope we do a little more training next season. To the two other juniors who played Beach Football for us. Paul Hay, and John Mazzatelli this year, thank you. Its good to see a couple more foolish juniors in the side.

Finally a special thanks to the seniors and parents for looking after us down in South Australia and Tathra.

Here's to next Season.

Cliff Reynolds  
Junior Captain.

BOAT CAPTAIN'S REPORT

This year saw four crews training.

Souths had the pleasure of three members from Collaroy and one from Bungan, row with us.

I won't go into the reasons why they put on the "orange cap" but I will say it was our pleasure to enjoy both their company and their enthusiasm. It gave our Club a terrific lift and were proud to have them for the Season.

To Rod McQueen, Paul Booth, Kent Sheldon and Eddie Iffold, thanks fellas, for your effort and next year we will probably be competing against you.

Every member will remember that final effort at North Steyne. From a social point of view you each offered your little bit as well. We shall never forget McQueen's little effort in eating his wife's flowers.

All crews trained hard and competed well. We had a few places and our "A" were unlucky not to get a place in the Branch Championships. I'm sure everyone will not forget Manly Carnival, where our crew finished second catching three very big waves in Heat, Semi and Final.

This year saw the start of our Juniors. What a terrific row these boys put in whilst at the Australian Championships in South Australia. We look forward to a big improvement next year now that they are beginning to find out what its all about.

Also, this year saw a new "B" crew started.

Don Groom in his first year as sweep of the "B" crew did an excellent job. Here is a crew who if they stay together will also improve next season.

We are greatly in debt to Don Groom for the towing of our boat to all Carnivals and finally to Adelaide.

Our "A" Crew trained hard. They started the year with two new members and were placed on four occasions and made the finals at 16 Carnivals. Their performance in Adelaide was good with a good win in their heat but they missed out in their 2nd row and appeared to have lost their usual fire. I believe that their final change of training was not suitable and they appeared to fade over the final weeks prior to the Australian.

I'm sure 1974/75 will see a big improvement in all crews, particularly as we have a new boat on order.

TREASURER'S REPORT

Another year has passed by and I am pleased to report that even though with a loss of revenue from the hall rental that we are able to pay our way and finish up with a credit balance at the bank. As you are well aware, we are at present unable to rent the hall due to damage caused by the bad weather earlier in the year and this has caused the decline in the income revenue. However, mainly due to the efforts made by your President and a few young helpers we have been able to maintain a balance at the bank.

I feel that the efforts of John Baseley in promoting the Sunday barbeques has also had a tremendous effect both financially and morally on members of the Club and I feel sure that we all appreciate the time and effort that has been put in by John in his efforts to maintain and get finance for the Club.

A pleasing factor is that we have been able to pay a deposit of \$800 on a new boat and it is only hoped that we are able to obtain a sponsor who will put up the balance of the money and perhaps reimburse us the \$800 we have already paid.

I would like to place on record once again my appreciation to the President and Committee who have assisted me in every way they could and that in the coming year we are able to field an even stronger team than we did this year in any enterprise in which we participate, whether it be in carnival events or the sporting field.

To Peter Clarke, I extend my thanks for the effort he has put in as Secretary, and to Mr. Bruce Fisk, the Club Auditor, I am most grateful for the manner in which he does the onerous task of auditing our books each year.

In conclusion, I would ask all members in the coming season to make every effort to promote the good name and goodwill of South Narrabeen Surf Life Saving Club.

F.B. HAVEN

SECRETARY'S REPORT

Your Club in my opinion has had an excellent year.

From a competitive point of view our members performed well, in all Carnivals.

This year we had a record 4 Boat Crews, Runners, Ski Paddlers, and a small band of swimmers.

I believe this year we excelled ourselves in Club spirit, it has been waining in past seasons but I'm pleased to say it's what it used to be like. A great deal of credit must go to our Social Secretary - John Bazeley. This fellow whilst only a new member surpassed any previous Social Secretary our Club has had since I have been in Souths and that's a few years. This fellow, without making his head swell too much did our Club proud. Very few will forget last years Presentation Night, what a difference it was. What about all our Barbeques this year. They were a pleasure to attend and I'm sure everyone is looking forward to the coming season.

Your Committee had a pretty easy year, which proves how well the Club did fire. Again I would like to thank Don Groom for towing our Boat to all Carnivals and finally to South Australia.

To our Club Treasurer, Barry Haven, again thank you. I have said it many times and I hope next year's Secretary will be able to repeat my message.

Barry continues to work hard for your Club. Whilst I have also said before he is tight with the purse strings, this year I think he mellowed somewhat as no one was more surprised than myself when he paid out without his usual moans a deposit on our new Surf Boat on order.

To each and every Committeeman I say "Thank You" for your attendance at Club Meetings.

I know it's not always easy to come along and you can be assured your Club does benefit by your attendance.

To our Club Auditor, Bruce Fisk and his Staff an extra special thanks, Bruce. For the benefit of Members who don't know Bruce. He is our Honorary Auditor and each year does an excellent job of our books, gratis.

Adjoining Clubs, Norths, Collaroy and Narrabeen, thank you for your help throughout the past season.

Last year I mentioned I would like to see everyone give a bit extra and I'm very pleased to say that everyone did just that and what a difference it made.

Now don't rest on last year's efforts, make 1974/75 better than ever.

Thank you,

PETER CLARKE  
Secretary

SOCIAL SECRETARY'S REPORT

A good year indeed. Our Christmas Party and our End-of-Season Party were both well attended and a great time was had by all. We also had the Luxaflex day, unfortunately we failed to get a photographic record of the procedures as John Hay's camera was damaged, a pity as the two boats coming in together made a great showing.

New Years Eve Revels were held at the Grooms in perfect weather. At midnight Brad O'Reilly was dispatched to the surf club to sound the shark alarm which in turn was met with cheers and whistles from high on the hill. The stayers watched the sun rise before rushing down for a plunge in the surf to freshen up in preparation for the South Curl Curl Carnival. A great party. Thanks Don and Janelle.

Our regular Sunday night "tinnies" and barbeques have been popular with a happy atmosphere prevailing. To those members who have brought relatives and friends along, we trust that your guests have enjoyed themselves.

Financially we have had a good year and have been able to hand over \$50 in profits to our Treasurer for safekeeping. The team spirit is continuing on in the winter months with our following of the beach football team wherever they are playing. South Narrabeen, although small in numbers, is big on hospitality and we were able to prove this just recently when we played host to the teams in the Beach Football competition.

Let us keep the teamwork going for I feel sure that the club that plays together - stays together.
