56th ANNUAL REPORT & BALANCE SHEET

SEASON 1977-78

For presentation to Members at the Annual General Meeting to be held at the Clubhouse, South Narrabeen on SATURDAY, 1st JULY, 1978 at 1.30 p.m.

Your Committee has pleasure in submitting for your consideration and adoption the report of the club activities for the 1977/78 Season, together with the duly audited INCOME AND EXPENDITURE ACCOUNT AND BALANCE SHEET for the year ended 31st March, 1978.

* * * * *

PRESIDENT'S REPORT:

The season has been a very successful one, with the members putting a lot of effort to make it so.

We have fitted in our new Clubhouse without any problems and I hope everyone is pleased. There are things we have to do to make it even better for the forthcoming season.

Patrols and the participation in the Club events have been excellent and it is good to see so many winners.

Our awards are very pleasing. My congratulations to Lindsay Maxwell on a job well done.

We are still a good close club as our socials have proved. Our Committee, men and women have done a very good job which makes for a well run and happy club.

To our major sponsors, Crown Fork Life Trucks, Biggs is Better, Dr. L. A. Feain and Mr. John Reed, my personal thanks. Also to all our donors without whose help we would find it hard to function.

To all our new and old members, let's make sure this coming season is even better.

Chic O'Reilly.

DEPUTY PRESIDENT'S REPORT:

Spirit in our Club is first class. Sure we have our share of non performers but gradually we will weed them out.

Our Club for the third time of my membership is riding on the crest of a wave.

There is no doubt our new premises has started this. However, a word of warning - we must maintain these premises and over the past season some members have been wanting in this department.

If we are to continue with our rise we must ensure members are active. If we allow new members to join we must do everything possible to ensure that besides doing their patrols, they compete at Carnivals regardless of results. However I have a plan that I will put to the new Committee regarding this.

Hopefully this year with a promise of a first class R. & R. Coach in Col White, we will see a return of the orange caps to R. & R.

I would personally like to thank, firstly our Donors and Supporters. In addition I would thank our President Chic O'Reilly; our Club Captain Torch Haven; Chief Instructor Lindsay Maxwell; Bill Rond and Kerry O'Reilly for a successful social year particularly for their efforts in the Sunday Nights B'cues; Murray Blackman - Handicapper and Tim Roberts our Publicity Officer and each member of the Committee for putting up with my tongue lashings at Committee level and each and every club member who supported us.

Congratulations also to our very close friends at North Narrabeen on their obtaining the 1979 State Championships plus their support over this Season.

It is with sadness that you will read further on in this report of the death of what I regard as a very good friend, Frank (Barry) Haven. Barry in his own way did more for our Club than a lot of people ever knew.

Last but not least my wife, Shirley. I know she will not want me to say this, but I must give credit to her. Giving a very biased opinion she is one of the best Secretarys our Club has had in my short term of 31 years.

DONORS:

Souths are extremely fortunate to have such good donors. In past seasons we were not so fortunate.

CROWN CONTROLS: New set of March Past Costumes
New set of Beach Football Jumpers
A promise of a new fully equipped Surf Boat for this season.

BIGGS IS BETTER: Besides providing soil and filling we have received some generous donations - including T-Shirts. A promise soon to be fulfilled of the purchase of a Truck. This vehicle to be painted, fitted out and maintained and stores.
A very successful Dinner provided for all new members who either obtained their Bronze or Qualifying Certificates.

CHECK-MATE SECURITY: Donation of \$500.00.
Already one Racing Ski has been purchased and the new Committee to decide on future gear to spend the balance of the Donation.
T-Shirts for all Members.

SWEET FANNY ADAMS: Donation of T-Shirts. One batch was sold to members by the Club and money placed in Club Funds.

Dr.L. FEAIN: A sizeable donation to Club Funds.

In addition to these donors many friends, former Club Members donated or assisted our Club in many other ways. To each and every donor the Club says a sincere Thank You. Without your support we just could not operate and provide facilities to our members.

If our Club is to encourage our present and future donors, we must continue to perform.

Remember - No one backs a continual loser.

Peter Clarke
DEPUTY PRESIDENT

CAPTAINS REPORT:

Fellow Members,

The 1977-78 Season produced a large increase in membership with 16 Bronze Medallions, 3 Qualifying Certificates and 1 Instructors Certificate. To these members I offer my congratulations.

To the Chief Instructor, Lindsay Maxwell, a job well done.

This Season definitely saw a marked increase in patrol attendance. But there is still room for improvement. There are some members who consider that as long as they are on some part of the beach that is the end of their patrol obligations. Gentlemen, this is completely illfounded. Once you are on patrol it is your duty to give complete diligence to your patrols.

To members, Garry Spittles, Steven Baker, Paul Clarke and Reece Maxwell, I'd like to offer my congratulations on 100% patrol attendance.

The competition within the Club this year was outstanding with every event being hotly contested. To the Club Champions and Handicap Champions of the past season, my congratulations.

Beneath the surface there is a great deal of talent in South Narrabeen S.L.S.C. with a little coaching next season, let us hope we can be a strength at carnivals next season.

Gentlemen, let's have three aims for the coming season -

To win the patrol efficiency competition

To increase our membership next season

To improve our competitive standing.

VICE BOAT CAPTAINS REPORT

For the first time in my association with boats we had a social year.

It was agreed at the start of the season that regardless of results we would train only 1 night per week for 1 hour. Very little, when you consider most crews train 2 hours at the very least 2 nights per week.

In our first Carnival at North's we obtained 4th place. Second start at Garie saw us achieve 3rd place. Condition or the lack of it then caught up. However, at the Australian our boys performed with enormous hearts to finally make the final 36 in Australia. Not bad considering we rowed in a borrowed boat from our friends at North Narrabeen plus a new crew member. Plus we had not been in a boat for 3 weeks prior to the Australian.

To Torch Haven, Cliff Reynolds, Paul Hay, Mark Bryant and John Hay my personal thanks.

My only regret for the year - the wave we caught at Manly. I only wished I had been a spectator to see it.

I am as keen as mustard to start 1978/9 with our new White Boat, donated by Crown Fork Lifts.

Thank you,
Peter Clarke.

CHIEF INSTRUCTOR'S REPORT.

The first season in the new clubhouse and what an influx of new faces. Many I hope will stay on for future seasons, and give strength to our depleted patrols for now they have the qualifications to make fine young lifesavers.

All I can honestly say is that I had tremendous satisfaction in instructing these fine young fellows in gaining their awards and now have the pleasure of introducing them to the rest of our members -

HANDICAPPER'S REPORT:

Well, say goodbye to the old and hello to the new, because this year was one hundred per cent better than last.

There was an excellent rollup in the Sunday morning events this year and it looks as if everyone enjoyed themselves, as well as the new members which we gained.

There were still the few misunderstandings, but to quick thinking they were sorted out smartly. There was the usual amount of whinging around but this was soon taken care of.

The annual run up the hill proved good to the young and the fit and of course was run again in record time. Once again the brick throwing was on and proved quite good.

The Club champos this year was very good indeed and proved quite satisfactory to all those winners of each event. Congratulations goes to Kerry "Zeek", who, for some years now has been trying to be a champion at one event, and finally pulled it off.

The teams surf race this year was very closely contested and I would like to thank the amount of people who made it possible, which was double the amount of last year.

I would like to thank those people who helped me so much with the Championships, because without them I could not have coped and congratulations to those people who won trophies this year.

Thanks to all.

SECRETARY'S REPORT:

I take this opportunity to express my own personal thanks to all those who by their co-operation and assistance, have assisted me and enabled the club to have such a successful season.

To Betty Haven, a special thank you for your assistance and to Ron Corish for attending to the books and supplying the Balance Sheet.

Our grateful thanks to:-

The Officers of the S.L.S.A., the Manly Warringah Branch and affiliated Clubs who assisted us at all times.

The Club wishes to place on record its appreciation of the efforts contributed by members wives, mothers and girlfriends on the fund raising and social occasions during the season.

Finally, I wish to thank my husband Peter, for his encouragement and support during the year.

Good luck with the coming season.

Shirley Clarke.

AMBULANCE OFFICER'S REPORT:

We have had one realitive major case this season when a surfer was caught in a wave and dumped in the surf. She was rescued by a Club member who was boardriding after school. Other than that it was just the usual cuts, bruises and blue bottle stings.

The equipment has been fairly well looked after and we had a donation from Johnson & Johnson to the value of \$30.00.

First Aid treatment given by club members was very good. Keep up the good work boys.

Monica Rond
AMBULANCE OFFICER

VALE:

It is with deep regret that we record the passing of our Treasurer, Barry Haven.

Barry had been our Club Treasurer since 1971. He was a dedicated member who offered valued advice and encouragement to all members.

We wish to extend to Betty, Virginia and Torch our sincere sympathy.

We also wish to extend our sincere sympathy and condolences to the families of all members who have suffered a bereavement during the past season.

BIRTHS:

Congratulations to Mr. & Mrs. Ted Billett on the birth of their daughter.
