SOUTH NARRABEEN SURF LIFE SAVING CLUB

58TH ANNUAL REPORT & BALANCE SHEET.

SEASON 1979-80

For Presentation to Members at the Annual General Meeting to be held at the Clubhouse, South Narrabeen on Sunday, 6th July 1980 at 2.00 p.m.

Your Committee has pleasure in submitting for your consideration and adoption the report of the Club activities for the 1979-80 Season, together with the duly audited INCOME AND EXPENDITURE ACCOUNT AND BALANCE SHEET for the year ended 31st March, 1980.

President's Report:

I would like to thank all the members who put some effort into running our Club. A special thanks to Shirley, our Secretary, who once again has done a professional job.

To our sponsors; thank you, your support is very necessary in the running of South Narrabeen, every member appreciates and thanks you.

A thought for this year. With the extra work load expected of us by the S.L.S.A. is to introduce a new member.

Our motto should be "Have You Introduced a New Member".

Chic O'Reilly
PRESIDENT.

Honorary Secretary's Report:

Your Committee has pleasure to report that no lives were lost during the past season on South Narrabeen Beach.

Being Secretary of your Club for the past four years gave me a lot of satisfaction but the lack of support by some members left a lot to be desired.

Harmony in the Club as usual is first class, however the performance and attendance at Meetings by several Committee Members left a lot of work for too few, as you will see for yourself in the attendance record on the back page of this report.

I stress to all members to vote people on to the Committee who are prepared to work for the betterment of the Club and its members.

Competition:

Apart from the Junior Boat Crew who trained and worked extremely hard and were very successful and the Senior Boat Crew, who again tried hard, very few members competed or showed for the majority of the Carnivals.

Tony Haven is to be thanked for his time and effort in the training of these two crews.

We have so many good young competitors, who with the right person to guide them would certainly show their mark particularly in team events.

Andrew Durbridge, your Junior Club Captain is to be congratulated and sincerely thanked for being the only club delegate who regularly attended Branch Meetings and reported thoroughly all aspects re the Branch.

To Andrew, from your Committee and members, we say Thank You for a job well done.

Finance:

Being a voluntary organisation means that the lack of funds is a continuous problem. This year our second re-payment of our \$2,000 Herald Gear Fund loan was paid leaving a final balance to be made next year.

Our sincere thanks and appreciation to our major donors:-

Glen Kees, "Biggs is Better".

Colin Hird

John Cawthorne, Clover Leaf Insurance Co.

George Hora

Dr. L. Teatin

Mr. T. Webster, M.L.

Laurie Juddy, Crown Control

Dee Why Bowling Club

Ray, Stutz's Jeans Narrabeen

Kerry Jones, Royal Lintor Hotel, Narrabeen

Mrs. M. Turner.

To National Council; N.S.W. State Centre; and more importantly the Manly-Warringah Branch, our deep appreciation for the assistance and direction given to us during the Season.

To Mr. Juicy for supporting our Branch and Clubs, with both financial assistance and Patrol Gear.

To Warringah Shire Council, our local Government authority, for maintaining the surf club building.

To the Management of the Royal Antler Hotel, Narrabeen for allowing us to conduct our regular raffles on the premises during the Summer Season.

In addition to these donors, many friends, former club members donated or assisted our Club in many ways. To each and every donor, the club says a sincere THANK YOU for your support.

Finally, I would like to thank all those Officers and Members, who assisted me in my position of Honorary Secretary, and as I will not be standing for re-election as Secretary, at the coming Annual General Meeting I feel this to be an opportune time to make an appeal to all members to loyally support your elected President and Captain to the utmost.

Shirley Clarke.

PATROLMAN OF THE YEAR AWARD: ... WINNER: TED BILLETT

Ted is a fine example for our Patrolman of the year. For a married man with three young children who lives in the Western Districts and has to travel long distances to the club each weekend, Ted set an example that many locals could take note of. If every member showed the same dedication, the Club Captain's job would be so much easier.

CLUB CAPTAINS'S REPORT:

After a shaky start to the season, due to the resignation of the elected club captain, I was faced with a difficult task at which I had no experience. My major job, as I discovered through my mistakes was to run sound patrols and keep the club functioning.

For the first part of the Season I found this very difficult. I feel this was due to lack of organisation and knowledge on my part, and no co-operation on the part of members. After numerous raids, to which we scored few points, the members began to realise this and more people started to pull their weight and patrols were lifted to a reasonable standard.

Congratulations to the Junior and Senior Boat crews for their dedication in training and participation in numerous carnivals. The crews showed a lot of promise and club spirit this year. I feel more competitors in outside competition, would help to put South Narrabeen on the map. Congratulations to the Club members who were successful in the club championships and also to the members, who competed but weren't quite as lucky - remember, if we didn't have these competitors we wouldn't have a competition or a Club. Thanks to the members that regularly worked on the raffles on Thursday and Friday nights. It is help and members like this that keep the club financial and active. All round, I feel that after an unsteady start the year was fairly successful.

Chris Brown
CLUB CAPTAIN.

Carnival Competition.

In starting this report I would like to congratulate all the competitors for the club this season. We were small in number but large in effort. This season it looked like we were going to have more than just boat crews, but alas, there was nobody willing to organise the younger members. The Boat Crews went exceptionally well this Season. Junior Crew comprising of Paul Clarke, Andrew Durbridge, David Oss-emer and Brett Picknell, showed what ability can be found in South Narrabeen. The boys had never rowed before this season but finished with two wins, numerous placings, finalists at the Branch and Semi-Finalists at the State Titles, an outstanding achievement. They are to be congratulated on their efforts. The Senior Crew did not meet with any success this season, even though they tried hard enough. I hope next season we can get it together, not just with boat crews.

Tony Haven.
