PRESIDENTS REPORT

I am sure everyone that put some effort into the Club enjoyed the past season.

To those who organised the competition events, our recreation and social functions - a job well done.

All this activity keeps our members close and promotes good comradeship.

Our donors - a special thanks, without your help it would be hard to function at the standard expected of us.

Your committee have fulfilled their duties and have kept the Club running on a high level, please accept my special thanks.

This coming season will be our 60th and I am sure everyone will be doing their utmost to make it a memorable one.

In finishing I would like to thank all our members for making my job a pleasure to do.

Charles O'Reilly
PRESIDENT

DEPUTY PRESIDENTS REPORT

The 1980-1981 season for South Narrabeen S.L.S.C. was in most respects outstanding.

On the competition side we fielded an R & R side for the first time in 15 years. To the members of the side my heartiest congratulations. The Boat Crews started with a senior and junior crew but both unfortunately folded due to injury and unforeseen circumstances.

The Club Captain ran the patrols well this season, but unfortunately the odd few members let him down.

Deputy Presidents Report (Cont'd)

The Club Championships went off well this season with the results evenly spread out, well done to the winners.

The Club Committee went reasonably well this season. The Secretary went well for his first season, he had a very hard act to follow.

The Carnival Manager did a good job this season but a few of the younger members must realise to get a start at carnivals you must inform him early in the season.

To improve on this season we could do with a few more cadets and juniors - it is every member's duty to recruit.

Yours in Surfing,

Tony Haven
DEPUTY PRESIDENT

CAPTAINS REPORT

Being my second year as Club Captain, I find it difficult to refrain from comparing this season to the last. Last season I found Club Captain a difficult task as support and assistance did not come my way. I am pleased to be able to say that this season has shown a complete turn around. My faith in fellow members has been restored. I am very grateful to all members who helped make this job easier.

And now on to the main point of this report.

Patrol organisation is the main function of a Club Captain. This season showed a vast improvement in patrol attendance and efficiency and this was most pleasing.

The attendance at Handicap Races this year was exceptional. The many members that showed up to compete in these and the Club Championships made for an exciting round of events and outcomes. May we see many more seasons with this competitive spirit.

This season has not only shown more competition within our own Club, but also more competition at carnivals. For the first season in years we entered a Senior R & R team.

Captains Report (Cont'd)

The team consisted of :

Murray Blackman	Marcus Graham
Brad Davis	Peter Hurley
Brett Picknell	Andrew Durbridge

Being their first season together in competition, I feel they put in a good effort.

Other competitors that took part in Carnivals in single events included :

Duncan Smith	Junior Boat Crew
Michael Bernauer	Ricky Piper
Sharon Clarke	Paul Hay
Senior 'A' Boat Crew	Michael Hird
Michael Baseley	Carl O'Brien
Senior March Past Team	(at the Australian Championships)

Their efforts were commendable.

I have a number of thank you's to pass on.

Firstly, a big thankyou to Col White who made it possible for South Narrabeen to have an R & R team. Thanks for giving up your time to coach them. Also thanks to the instructors who put the bronze squads through their training. We have a number of members receive their bronze this season. Congratulations.

Finally, thank you to all the people who regularly assisted in the weekly raffles.

Well, I have nothing but praise for the members this season, and this is most encouraging - Hoping this will continue.

Yours in Surfing

Chris Brown
CLUB CAPTAIN

CHIEF INSTRUCTORS REPORT

In my first year in this position I found it much harder than expected. I am extremely grateful for the invaluable assistance given to me by Tony Haven whose help was invaluable throughout the year. I would like to express my thanks.

A reasonably good year with 28 Awards gained during the season, 6 of which were gained by the new female members. Next year may be better if more interest is shown from other members on instructing.

My congratulations to those who gained awards and let us hope that there will be more next year.

Awards were gained by the following members this year.

SOCIAL SECRETARYS REPORT

A very successful and enjoyable year was had by all on the social scene. It was pleasing to see so many people attend the Sunday Barbeques throughout the season and so many helpers actually volunteering to ease the workload. A special thanks to my assistant, Chicka, for his bar skills, to all the girls for their help in the kitchen plus all the boys washing and wiping skills whose mothers would be proud.

I think it should be noted that many acquisitions were bought throughout the year and we were still able to finish with a profit. My only advice for next years Social Secretary would be to make Garie Carnival Day a help yourself affair by providing your own food and drink.

Cheers to a successful 81-82 season.

Sherene Dimento
SOCIAL SECRETARY

TEAM MANAGERS REPORT

As my first year as Team Manager I found the position to be a little difficult at first but as time went by and I became used to the procedures of carnival entries etc. it was much easier.

This year saw many of the new and older members become involved in different types of events. Duncan Smith, Michael Hird and Leo Richardson competed in the swimming events while Carl O'Brien, Ricky Piper, Paul Hay, Brett Picknell all competed in other individual events.

In December, 1980 a 6 man Rescue and Resuscitation Team was formed comprising of Marcus Graham, Andrew Durbridge, Murray Blackman, Brett Picknell, Peter Hurley and Brad Davis. Coach Col White did an excellent job in training our team. In the short space of time we competed in 6 carnivals with one 3rd place at Newport and four (4) championship carnivals including the State and Australian championships.

Three Boat crews started at the beginning of the season but disbanded around Christmas time. Overall it was a great season and my appreciation goes to all the members who made an effort to compete for their Club at carnivals. Next season should see South Narrabeen improve immensely at carnivals with more and more members becoming involved.

Thank You and
Good Surfing,

Andrew Durbridge
