PRESIDENT'S REPORT

Well fellow members another season has passed us by. I feel all round it has been a very good year for Souths.

The patrols were very good this year with us finishing sixth in the Branch Patrol Efficiency competition only 2.6 behind the winner. Congratulations must go to Chris Brown, the Club Captain who has maintained his drive and enthusiasm with the patrols.

On the competitive side we didn't gain the results of last season but I think a lot more time and energy was put into training especially the runners and boaties under Ron Rae's guidance. It was very gratifying to see us field both a Senior and Junior R & R side again this season. I would like to make the point that since Souths R & R restarted, our patrols and competitive strength have greatly improved and I only hope the R & R's can keep going for many years to come.

On the social side it was not organised very well or patronised very well as in past years. I don't know whether R..B..T.. had a steadying effect on the Sunday BBQ's but there was a steady loss of numbers. Souths have always been noted for their social side so lets all get it rolling again next season.

Congratulations to Peter Hurley for being made Clubman of the Year, this is a very prestigious award. Peter is an inspiration to all members with his willingness to do any chore about the club from sweeping the boat to doing extra patrols.

Fellow members, I have enjoyed being President this past season and would like to thank all my fellow committeemen for their help, especially Shirley.

Yours in Surfing

TONY HAVEN

CLUB CAPTAIN'S REPORT 1982-83

Being my fourth and final year as Club Captain, there are a few feelings I would like to express. In the time I have been associated with the Club, I have seen many changes take place.

Patrol efficiency has continued to improve, with the Club being placed in sixth position in this year's Branch Patrol Efficiency competition.

Inter-Club competition, once again this year, has been most pleasing. With the help of Ronny Rae, Col White, Peter Bott and Chicka O'Reilly, South Narrabeen was once again well represented at Carnivals.

Unfortunately, the same cannot be said about competition within our own club. After a successful 1982 season, 1983 began with the same enthusiasm and attendance of members. As the season progressed, less members participated in club competition and this lack of interest was also evident in patrol efficiency in the closing stages of the season.

Socially the club had a very disappointing year. It's a shame that a club with so many facilities and potential, should have such a poor response at social functions.

Finally, I am very proud to have been associated with South Narrabeen, as both patrol member and executive committee member. I only hope this potentially good club continues to use its available resources to grow and expand.

Yours in Surfing

C. BROWN

CHIEF INSTRUCTORS REPORT

The 1982-83 season was very quiet on awards, with only 21 awards gained during the season. This was mainly due to the lack of interest from some of the Trainee's towards training. I express my thanks to the people who stuck to the task of training until their awards were gained. Because of this, nearly all awards were gained before Christmas.

Awards were gained during the past season by:-

HONORARY SECRETARY'S REPORT

Your Committee has pleasure to report that no lives were lost during the past season on South Narrabeen Beach.

I would like to thank a couple of people that helped South's out this year. Firstly, Ron Rae for his training of Club competitors, Chicka O'Reilly for time spent in organising the beach sprint team and Peter Bott and Tony Haven in the boat area.

The patrols this season were tremendous and a lot of the credit must go to Club Captain Chris Brown for his organisation of the patrol captains.

Many thanks to our donors for their support during the past year.

Finally, I would like to thank all those officers and members who assisted me in my position of Honorary Secretary.

HANDICAPPER'S REPORT

Well that's another year over. Not much to talk about, just to say thanks to those people who helped me in the champs and to congratulate those people who won trophies and commiserations to those who didn't.

The Teams Surf Race was a very close finish this year, and also a record amount of entries (48) - we would like to see even more next year.

That's all and thanks to all and a better year next.
See you in 1983-84.
