Presidents Report.

Fellow Members,

This past season has been tough on the patrolling members of South Narrabeen. We had a change of club captain mid season which was very disruptive. With the change to half day patrols it seemed to ease the burden very slightly. I would like to thank those active reserve and long service members for their participation in the patrols.

I would like to congratulate the members who competed this season even though we didn't win a title every body trained and competed to their full ability.

The social side of the club was outstanding. The social committee did a fantastic job and I thank all those concerned.

I would like to thank those committee members who fulfilled their obligation, attending meetings regularly and doing their job to the best of their ability.

The coming season is going to be tougher if we don't "recruit". We have talked of juniors(nippers) for the past season and feel we should move this way. We need an avenue of recruitment.

Your in Surfing

Tony Haven.

### HONORARY SECRETARY'S REPORT

Your committee has pleasure to report that no lives were lost during the past season 1987-1988 on South Narrabeen Beach. I would like to congratulate all patrol members for a job well done.

Being Secretary of your Club for the first time gave me a lot of Satisfaction, but I can see trouble in the future if all members don't rally together and seek new members. This not only makes the club more competitive but decreases the patrol load on everybody.

Congratulation to all members who gained awards this Season and special thanks to our Social Secretary for a job well done.

Thanks to our Sponsor Time & Tide Hotel for his much needed support and all those officials and members who assisted me in my position of Honorary Secretary.

### CLUB CAPTAIN'S REPORT

This was an interesting year. Half day patrols, old members rejoining and long service members doing patrols. Firstly I would like to thank all those who agreed to assist in the patrols even though they had done their time.

Half day patrols, what an idea. I believe it was one of those few decisions made within the club that met with more applause than groans. To all those members who did extra patrols thank you. To all those who missed patrols, thanks alot.

I also wish to thank all members for the support this year, really appreciated thank you. Hopefully next year will run a little smoother, but you never known.

Yours in Surfing

Boat Captains Report.

The 1987/88 season was a most satisfying year for the boaties during the season 2 crews competed at most carnivals. The "A" crew had a very strong season making finals which included the Branch Titles. The "B" crew started out strong making a few finals. Thanks to all the people who helped in training and maintaining the crews and boats.

Thanks to Camron Taylor and Peter Clarke who filled in when needed.

## THE SOCIAL SECRETARY'S REPORT

We endeavoured this year to expand on the success of the social functions appointed in previous years. Such functions in the past proved to be favourably received and it was decided not to omit them from the years's social calendar. Accordingly the following familiar functions were held and were each found to be very popular :-

Opening Season Party  
Cricket Day  
Christmas Party  
End of Season Party  
1987/1988 Presentation Night  
Sunday afternoon barbecues

More importantly for the club these functions also proved to be profitable, which no doubt was due to no small measure to a strong overall commitment, support and participation from club members and their families and friends.

Encouraged by these triumphs the social secretary and the committee also broke new ground and organised the following :-

- (a) A special 'Photo Day' which celebrated and settled a photographic history of the club. Many lapsed and near-forgotten club members returned and relived past days of glory. Also a special thanks to those old members who showed their appreciation by donating money to the club.
- (b) The '1987/1988 Dinner Dance' where the intimacy of the club overcame the restrictions on formal attire and presence which were placed on the members and guests so as to add prestige to the function. Many members and friends came and celebrated this highlight of the year.

I would like to extend my thanks to the club's members (especially Kim, Michael, Cameron and Lynda) who invariably supported our efforts in organising the year's functions.

The job of Social Secretary in previous years was a job the committee found hard to give away, it was said that it wasn't appreciated, nor was there any thanks for the hard work put in. I can honestly say that this year this was proven to be most untrue. It was shown to me in a "very big" way that I was very much appreciated for my work contributed to the club.

For the Social Secretary's of the future do not let the past rumours deter your opinion of taking on a most satisfying job.

LIZA FOLEY

## JUNIOR CAPTAIN'S REPORT

1987/1988 was quite an eventful season for the juniors and cadets, with several areas of growth. The season began with Greg Paradine and 'Strop' Macdonald taking up positions on the committee as Gear Steward and Board/Ski Captain respectively.

The widely speculated junior boat crew was revived by an inspiring but frustrated Brett Hurley as sweep, with Lewis Tague as stroke, Greg Paradine second-stroke, Shaun Macdonald as second-bow (when he could reach the foot straps!), and myself as bowman. We were ably supported by many other members including Glen Creach, Greg Hall(Scar-Face), Teddy Billet and Adam Pearce. While a big effort was put in by all, the crew fell through after a few starts, due to other commitments.

Perhaps the main event of the season was the joining up of some new and old faces. Sincere thanks are due to Mick Walker, Phill O'Sullivan and Ricky Piper who actively encouraged with efficient instruction the new members. Without their hours of hard work the club would've been in serious trouble Membership-Wise.

The Club Championships were hotly contested this year, with many juniors doing well, even against the seniors. It was good to see Melissa and Karina having a go, and Glen also competed successfully. Thanks to Wedgy and Chicka for running the events.

My thanks to all who were involved with the juniors this season. Although we did not do much at Carnivals (except sink), the juniors contributed greatly to the Club Ranks. Congratulations to all who received awards and prizes.
