B.Cleary, P.Craig. M BERNAUER ✓

Presidents Report.

Fellow Members,

I feel this season we have done it "Tough". Our membership remained static which put a large burden on the patrolling members. We need a strong recruiting drive next season, let's make it "introduce a new member". If every member introduce a new member we will double our membership, we need a big effort from everyone.

I am happy to say no lives lost again this season. To those members who forefilled their patrol obligations, thank you for a job well done. To the patrolmen of the year Steve Fordham congratulations. The Sunday morning events lacked starters this season although the bad weather contributed to this. To the winners of the club champs and the handicap events well done.

Carnival competitor's weren't large in numbers but in spirit it was outstanding. The 3rd in the "A" boat final at the state titles was fantastic for South Narrabeen. Socially we didn't have a good year although the dinner was terrific once again.

To those committee members who fulfilled their obligation of doing their job and attending meetings thank you. To who didn't you made it very hard on the rest of the committee. This season we started Juniors "nippers" we had great success with approx, 20 juniors and two parents getting their bronzes.

I would like to thank our sponsors Solo ladies, Time and Tide Hotel, DMK building materials, Bilite, Warringah shire council, federal govt. dollar for dollar gear grant.

In closing I would like every member to think 1989/90 season will be "Introduce a new member".

Your in Surfing
A.Haven.

TREASURERS REPORT

The 1988-89 season was financially a difficult year for South Narrabeen Surf Life Saving Club.

As can be seen by the audited accounts the majority of income for the club continued to be derived from Hall Rental.

Other income was derived from;

- Monthly donations by the ladies who run the Solo Club.
- Seafood raffles during the Summer months at the Time & Tide Hotel.
- Other miscellaneous donations.

Major purchases for the season included;

- A new I.R.B engine
- A set of new oars for the boat crew.
- Plans for extensions to the Clubhouse.

Finally I would like to congratulate the 'A' Boat crew on there Bronze Medals at the State Titles.

Special thanks also to Barrie Pitt, our Honorary Auditor, who produced the financial statements.

ROD DOUGLASS

Secretarys Report .

Your committee has the pleasure to report that no lives were lost, during the past 1988/89 season, on South Narrabeen beach. I think this was due more to good luck rather than good management. I thought this was one our worst year at patrolling the beach. A lot of our members must realise that when you sign up at the beginning of a season you are obligated to fulfill your duties. Lets get behind our club and patrol captains, and try a bit harder.

I would like to take the time, to congratulate all the new members who gained their bronze, hopefully you are going to be the South Narrabeen of the future.

The 1988/89 season saw the club start junior life saving which turned out successful. I would like to thank all the parents who lent a hand on sunday mornings, especially to Thecla Haven who ran the juniors very proficiently each morning.

The "A" boat crew have shown perserverance in seasons gone by, and all the hard work has paid off. The boys went to cape hawk for the state, and came away with a 3rd place bronze medal. Well done you all deserve it.

Thanks to our sponsors and all those officials and members who assisted me in my position of Hon. Secretary. Also on behalf of all members, congratilation to Mr and Mrs Maxwell on their wedding.

C.Brown.

Club Captains Report.

In my first year as club captain it was a difficult job. As usual the season started off well with patrols, but deteriorated as the season progressed. I can't be responsible for members not doing their patrols, It is the responsibility of the patrol captain to get his or her patrol on the beach. And obviously some patrol captains didn't do that.

Congratulations to the "A" crew on picking up a medal at the state titles well done guys. Also congratulations to those who gained their bronze medallion. I would also like to thank the committee for their help and support through the season, it made my job a bit easier.

Next season is only around the corner so lets try and make an effort, and bring the club moral back up to where it should be.

P.O'Sullivan.

Boat Captains Report.

The past season was one of mixed fortunes. We started with two crews but ended up with only one, the "A" crew at most local carnivals, making a few finals with a couple of placings.

The "A" crew ventured to Cape Hawke for the state titles. We never lost a race (thanks to torches sweeping) till the final, where we came in third. It was a great feeling standing on the dias. We finally got something for our effort over the years.

The Australian titles was a bit different. In mountainous seas we were smashed on the rocks and were unable to use our boat, due to the damage. We borrowed a boat and were successful in making it through to the quarter finals.

Thanks to Torch, the rest of the crew and the reserve crew and committee. With their support throughout the season we finally brought back a state medal.

"A" Crew - T Haven, B Kershaw, B Hurley, C Taylor, P Hurley, D Adney.

"B" Crew - P Hurley, S Maxwell, P McConell, M Porter, T Haven, M Dimento, J Hay.

P. Hurley.

Chief Instructors Report.

Dear Members,

I would firstly like to congratulate all those new members who gained their bronze medallion. Unfortunately no other awards were gained in the course of the season. Also all A.R.C certificates are now null and void due to the new oxy - viva set. So at present we have only one or two members qualified to use it. This as you can imagine causes a problem in case of a rescue, so I would ask members to think about this and remember the course is only two night. We are in desperate need of instructors for all awards as if we have no instructors we have no squads and no new members.

Just a reminder about proffiency tests they are run by the branch now so make sure to listen to when there on, because if you miss them you have to go collaroy to do it. So once again congratulations to all our new members, hope to see you next season.

M.Walker.

Juniors Report.

Well, our first year of juniors has passed and all went well. we had roughly ten members who were all very good and provided a lot of competition for each other.

We also had around fifteen 4 to 6 year olds who eagerly participated in water safety events. Also we had a fantastic group of parents who helped out greatly each week and without them we could not have managed.

Thank you to all parents, and to the club members who also helped us out at times. At the end of the season we had a B-B-Q and presentation where all the children from both groups were awarded trophies, for their efforts through the season.

I hope to see all the members back next season along with some new members. Hoping next season is bigger and better.

T.Haven.

HANDICAPPER'S REPORT

Internal competition at South Narra commenced very strongly at the season's beginning with as many as thirty starters in the Senior, Junior and Over Thirties Surf Races. With the approach of Christmas and New Year festivities and the school holidays, numbers began to dwindle. Compounded by a few of our regular starters searching for endless summer by travelling overseas (Northern Hemisphere winter, the fools), attendance was now down to the hardy few. Then came the rains, the storms and the high seas, turning the remaining few starters into landlubbers (author included).

Mick Walker was able to defend his early season lead in the Senior Surf Race Point Score to finish just five points ahead of his nearest rival. The Over Thirties Surf Race Point Score was keenly contested in the early weeks of the season with Tony (Torch) Haven and P. Burke calling it a draw at the end of the last round. The Junior Surf Race Point Score was won convincingly by one of our new Junior members C. Ross, again by establishing an early season lead. Well done.

It's interesting to note the majority of winners and placegetters gained the bulk of their points by competing regularly, picking up a point every time they started, not necessarily by winning often. The handicap events are the ones that anyone can win, just with a bit of persistence and competing every Sunday.

Fortunately the Club Championships were held on the occasional few days of clear skies. Congratulations not only to the winners and runners up but to all those who competed. Hopefully with a bit of maintenance to the equipment before the '89/'90 Champo's again the spirit of the occasion will prevail. A special thanks to Chicka and Torch for their assistance in the running of the Champo's. It makes the task far more enjoyable with just a little bit of help, but let's not leave it to the same few each time.

Hopefully we can revitalise interest in the Sunday competition by introducing a craft event and maybe changing the time slot for the surf race to more closely coincide with the running of the Nipper events. If anyone has any suggestions along these lines please talk to the handicapper after the Annual General Meeting.

Again congratulations to all the past season winners, placegetters and competitors and the best of luck in the new season competitions. Remember, the key to improving is competing (and praying for surf).

John Clarke. (Deceased - 1989)

John joined the club in 1950, as a junior obtaining the bronze medallion then going onto obtaining his Instructors and examiners certificate, he also served as a vice captain and then as captain.

I feel he was one of the greats, Sth Narrabeen had in the years from 1950 to 1963, as a junior and then into senior ranks. In his first year in the club John, came third in the N.S.W junior belt. Then went on to win the metropolitan junior belt.

1951 - 52 was his big year, as a junior winning the Branch, Metropolitan, N.S.W, and Australian junior belt. As well as representing N.S.W in all junior teams. As a junior John was a member of our senior R & R team which went on to win the metropolitan.

In the senior ranks , he was in the winning sydney branch team, which won the international carnival, also he was a member of southys R & R team which was placed 1st N.S.W and 3rd Australian titles. In the same year he was in the N.S.W. team.

John won more club championship at Sth Narrabeen in the 16yrs he was with the club, then any other member, he was granted active reserve 1960. What more can one say with such a fine record, and he will be sadly missed by all who knew him.

N.Bernauer.

Nomination for Life Membership. - J. Hay.

John has been a member of South Narrabeen for the past 17yrs, gaining his bronze in 1971-72 season. He has been on the committee from 1974.

1974 : Club Captain 1975-77 : V/Capt
1976/77 : Social Sec. 1976/77 : Registrar
1979 : Asst Instructor. 1979/80 : Boat Captain.
1987/88 : V/President, Handicapper.

He was a successful member of South Narrabeen beach football team, and an active competitor in local and inter club competition in the March past, Ski paddling and boat crews, Also as Team Manager.

John was nominated and rewarded with an Honour Blazer in 1986-87 season, and this year is nominated for life membership. His achievements in club championship are as fellows:

1973 : Junior belt, Sprint.
1974 : Senior Sprint.
1976 : Senior Surf, Belt, Flags, Surf Teams.
1977 : Surf Teams.
1978 : Senior Ski, Ironman

John was Club Champion 1977/78/79/80.
