ANNUAL REPORT 2004/05

Notice is hereby given that the 83rd Annual General Meeting of South Narrabeen Surf life Saving Club Inc will be held at 11.00am on Sunday 26 June 2005 in the Ocean View Room of the Clubhouse 1200 Pittwater Rd Narrabeen

AGENDA

1. Apologies
2. Presentation of the 83rd Annual Report
3. Presentation of the Balance Sheet and Financial Statements for the year ended 30th April 2005
4. Motion: That South Narrabeen Surf Life Saving Club Inc affiliate with Surf life Saving Northern Beaches Branch, Surf life Saving New South Wales, and Surf Life Saving Australia Ltd.
5. Motion: That a position of DIRECTOR OF YOUTH DEVELOPMENT is added to the club Committee.
6. Election of Office Bearers for the 2005-2006 season:
    a) President
    b) Deputy President
    c) Vice President (Sponsorship and Marketing)
    d) Treasurer
    e) Secretary
    f) Club Captain
    g) Clubhouse Director
    h) Chief Instructor
    i) Competition Manager
    j) Director Youth of Youth Development
7. Motion: That Ken Passmore be confirmed as Chairman of the Nippers Committee for the 2005-06 Season
8. Nominations for sub-committees
    a) Social
    b) Competition
    c) Life saving
    d) Honours
    e) Building
9. General business of an urgent nature

South Narrabeen Surf Life Saving Club
OBJECTIVES

a) The study and practice of surf life saving, resuscitation, and first aid to the apparently drowned and injured.
b) To minimise the loss of life from drowning by carrying out surf patrols to render all aid possible to those in distress.
c) To promote demonstrations and arrange classes of instruction in the principles of surf life saving and resuscitation.
d) To encourage amateur sports, carnival competition, and social function etc which do not interfere with the lifesaving duties of members.
e) To foster youth development in a supportive family environment by providing educational, competition, and social activities for children.
f) To enter into arrangements or contracts with any government, local government or other body for any of the purposes of the Club.
g) To acquire or otherwise deal with land, buildings, leases, personal property, interests or rights with the object of furthering the interests of the Club.
h) To carry on any other activities whatsoever calculated directly or indirectly to enhance further the interests of the Club, provided that any fundraising activity will be to the benefit of the Club such that profits are expended in furtherance of these Objects only.
i) To strive for government and public recognition of Surf Life Saving as the authority on aquatic safety.
j) To promote the health and safety of members and users of the aquatic environment.

President's Report

Well, what a season we have had here at Southy! Yet again we can boast that "NO LIVES WERE LOST AT SOUTH NARRABEEN"
This was my second year as President and I found it extremely busy. One of this year highlights for me came from the competition area. Our nipper contingent was outstanding, with a strong showing in the local carnivals. Again the senior's efforts were led from within the boat arena (of course) with some good results and medals coming our way. To all those who wore the ORANGE CAP PROUDLY, thanks.

To the committee, another thanks. The hours of time given go mainly unrewarded but we know who does what. We are really blessed and we appreciative the calibre of people involved here at South Narrabeen.

This year you may have noticed some new equipment purchased to help our members. This is due to the work put in once again by all our club members. We are trying to give our club a facelift to also help our club profile.

To all our valued Sponsors thank you. Some of you have no real affiliation with us, other than the fact you know someone or just wish to be involved with a community organisation. Our work would not go ahead without your support.

To the life members of whom we have still a few hanging around, we all appreciate your efforts over a long period of time. At the recent Northern Beaches Life Saving Annual Dinner, we had some awesome results. With Chicka, Clarkie and Torch receiving Life Membership to the Branch, Brownie nominated as Volunteer of the Year and Matt also honored with nomination for Branch Lifesaver of the Year Award. Sensational guys!

Last but not least, our patrolling members. Our first job is to keep our members and visitors safe. We have done that this year. To the new members, welcome and I hope you get as much enjoyment out of being part of this club as I do.

The Club helped out with the 2004/05 New South Wales Surf Premiership Boat Race series this year (October 16-17), proving again that we can contribute to the competitive side of Surf Life Saving.

To finish up, I think we have a very special place here, let's ensure it continues for many many years to come.
Steve Maxwell

Secretary's Report

It's been a hectic year as I learnt the many responsibilities of being Secretary to a small but active club. I'd like to acknowledge the support of the Committee and the past Secretary (Matt Fordham) for their patience and advice while I set about the tasks.

Membership is solid and we have 240 members of all sorts in the Club. There is a strong interest in the Club and its activities from past members.

I've enjoyed editing the *Jaffa* this year and look forward to many more issues to come. Thanks to those who kindly commented on past issues. Your responses are taken in to following issues.

Apart from the busy round of paperwork, I've been working on two other projects of interest to South Narrabeen members. I'm working with the NSW State History Committee on an anniversary volume to recognise the Centenary of the surf life saving movement, which will be celebrated in 2007. My contribution is to write the first chapter on the evolution of the movement. I'm also researching for an exhibition which will be displayed in the Galleries of the State Library of New South Wales from October 2007 to February 2008. This exhibition will focus of the life of the beach in NSW. One of the main themes will be the growth of the surf life saving movement. South Narrabeen will feature in both these projects.

Stephen Martin

Clubhouse Director's Report

Another busy year at the club. We've put in a new kitchen, and a new gym, and a new BBQ. All to help the development of the Club and the Ocean View Room, which, thanks to the Manager Kim Brown has some new chairs. The roof has been fixed by Council and as some of you will have noticed some new paint work. The Clubhouse is looking fresher than for some time. Council have also replaced all the locks and we are ready to go for the next season.

L-R Sabrina Emmerton, Melissa Brown and Alice Davison in the President's Room

Club Captain's Report

Welcome to the end of another successful surf season and I am pleased to say that no lives were lost on South Narrabeen Beach this season. The members of our Club patrolled the beach for over 2000 hours. This is a great achievement and I thank you all for this.

This season we had over 50 patrolling members keeping our beach safe and I thank those members for the time they put into patrols. Also a big thank you to all of the Patrol Captains for making sure that their patrols were of a high standard throughout the season. Thank you also to the Powered Equipment Supervisor, Stuart Haven, for the

maintenance on the IRB's and Quad Bike this season to ensure that they were in good working order for the Patrols.

Well done must also go to our top 12 patrolling members for this season. It is great to see such dedication from our members and also the positive attitude that these members have towards our small but growing Club.

Congratulations to the new members who gained their Bronze Medallion this season. It was great to see such enthusiasm from the new members in the Club and thank you for the hours that you spent patrolling.

Brian Grundy
Ken Passmore
Yolanda Nathan

I. R. B. Drivers Certificate:

Alan Brightman
Brian Brown
Peter Madden
Stephen Martin
Brian Grundy
Ken Passmore

Advanced Resuscitation Certificate: Peter Madden
Ken Passmore
Brian Brown
Melissa Brown
Mike Renie
Mick Yeomans
Roger Shahani
Alan Brightman
Yolanda Nathan

A further 5 members obtained their NSW Maritime Authority Boat Licence through the Sydney Northern Beaches Branch, and several members obtained their First Aid Certificates through St John

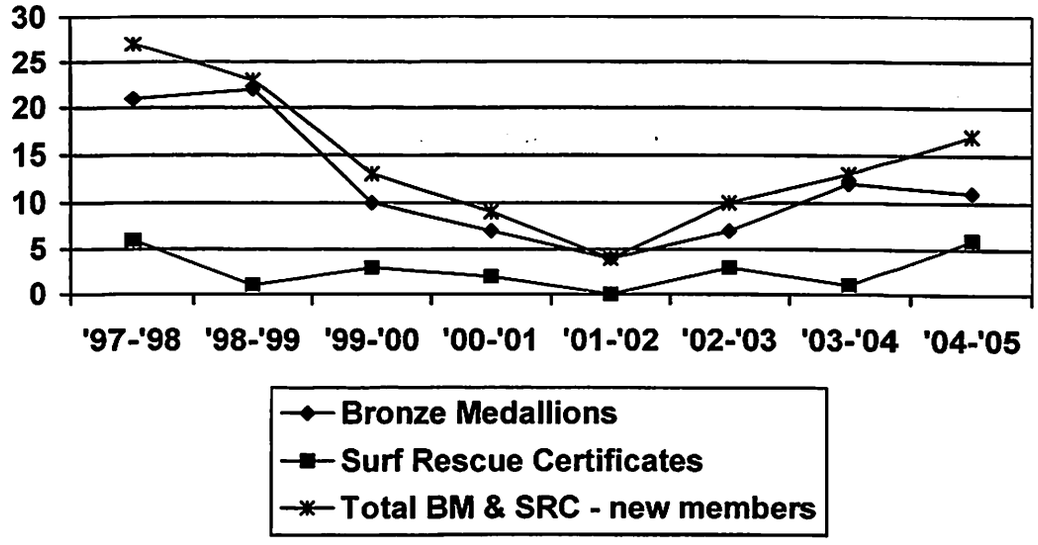
Ambulance. 7 members completed their IRB Driver Proficiency Test, and 39 members did their Bronze Medallion Proficiency Test.

Alan Brightman did a sterling job putting through 72 Nipper 'Surf–Ed' awards. Alan devised his own training materials for the kids, and the Branch Nippers Coordinator commented to me that those materials were the best she had seen. The enthusiasm with which Alan delivered that training was marvellous.

I would also like to thank Tom Martin for participating in SRC training – when he turns 13 later this year he will go through with flying colours. Pamela Dunne should also be congratulated for training for the Resus Certificate.

This season the Advanced Resuscitation Certificate syllabus was expanded to include the use of Oropharyngeal ("Guedel") Airways, which are the hard plastic tubes found in the Oxy-Viva. The Bronze syllabus now also includes the use of the new yellow Spinal Boards during spinal carries, and this training was put to excellent use by Peter Madden and several other members when a young nipper bumped her head in the surf – thankfully there was no serious injury but it was great to see that the training worked.

I would like to thank the Board of Examiners of Sydney Northern Beaches Branch who ran the exams this season, in particular Graham Cook, Richard Whipp and Ross Tester from Narrabeen Beach SLSC who also assisted with the preliminary Bronze / SRC exams, and also Dave Olsen from Dee Why SLSC and Luke Fitlock and Peter Finch from North Narrabeen SLSC who ran the IRB exams. As always, Marianne Troop, Gary Beauchamp, and several other examiners did a very thorough job at the ARC exams.



In the Branch Office we could not have been provided better service by Barb Smith, Alex Wye, Jenny Drury, and other staff and officials who have been professional and well-organised at all times. Without their encouragement, hard work and attention to detail the whole process could not operate, and their assistance with the Surftrax database is also very much appreciated.

On the subject of hard-workers it would be remiss of me not to mention the outstanding job that the Club Committee performed this season. Every area of the Club's operations worked well under the spirited leadership of Steve Maxwell, and the result was a happy, growing membership base. The fact that our office bearers still do patrols keeps them in touch with what our patrolling members are thinking, and this gives us a huge advantage over larger Clubs. With many of our office bearers being the parents of kids in Nippers, we remain a cohesive and united Club, with a real focus on having every member of the family involved.

Training the squads was a pleasure this season due to the fact that every candidate gave 100%. It was very satisfying to see so many new members also become involved in competition. I hope that these members will continue to go for more awards such as ARC, IRB, and First Aid in the future – the next First Aid Squad and IRB Driver/Crew Squad will start late July / early August. Next season I hope to be

able to encourage more Nipper Parents to obtain the Basic Resuscitation Certificate.

My quote of the year goes to Joe Emmerton who asked me how he was supposed to check the *left* radial pulse if the patient only had a *right* arm. When I told him to check the *right* radial pulse instead, Joe asked, "What if he doesn't have a right arm either?". Nice one Joe, you'll be a Doctor some day.

See you on the beach next season,

Matt Fordham

Nipper's Report

We've had another very successful season of Nippers with new competitors and lots of activity on the beach. A new committee has been elected for the next year and we are all keen to continue with the development of this vital part of South Narrabeen activity.

The Committee would like to expand the number of kids at Carnivals and retain the excellent work done on the beach by our Age Managers and organisers. This year the board training conducted by Matt Poole and Jake Somerville was a great success and we'll continue training next season. Thanks to our Handicapper Peter Grant. Our surf education program was another success and the work of Alan Brightman was noted at Branch Level. Thanks Alan.

It was also a great year for social activities; we enjoyed Halloween, the Xmas Party, Nippers' Camp, Parent's Race Day and Presentation Night. We introduced a few more activities this season and these seemed to be enjoyed by kids and parents alike.

I'd like to thank everyone who helped out this season from Age Managers, Water Safety people, Surf Ed, Bar staff, Merchandising Officers, BBQ organisers, function helpers and the Club Committee for their ongoing support. The Age Managers, Mike Renie, Dave Coleman, Mark Trevena, Naddare Morton, Caroline Smythe, Tony Farmer and Kevin Smythe did a great and essential job on the beach. Many parents came down to the beach to enjoy Sunday mornings, and helped out when required. A big thanks to you all.

South Narrabeen is a Club that thrives on the social side and the friendly body of people who regularly come to the beach on Sunday mornings make the work a delight.

A very special thanks to Peter Madden, retiring Secretary, whose help and commitment ensured a successful season.

I look forward to seeing you all again next season.

Ken Passmore

Competition Report

This season has been an exciting one in the area of competition with renewed participation in club and carnival competition. Our

competitor's trained and competed with great enthusiasm and this was demonstrated through the results.

I would like to thank our Handicapper "Chicka" for his effort; without you we would not have our Sunday swims. To our regular Sunday morning swimmers it was a great season thank you.

On the carnival front we had our boat crews, masters' competitors Ted Billet, Brett Picknell and Steve Martin and in the Under 17 board riding Melissa Brown and our junior "nipper" competitors. We had a number of great results but I think the big plus was the number of competitors, twenty-two competitors at the National Titles.

The outstanding results for the season were Under 19 boat crew Branch Champions and the Under 21 Boat Crew 2nd in the Australian Surf Rowers League Open Carnival.

We were fortunate to recruit a number of boat rowers, we only started with three in the "A" crew, one in the under 21's and one in the under 19's and this was built up to one "A" crew, two Reserve crews, one under 21 crew and one under 19 crew.

The major decision that the club made this year in junior competition was to engage two board coaches, Matt Poole and Jake Somerville from Queenscliff they did an outstanding job with the juniors and I can see big things for us next season, to both Jake and Matt thanks for your help.

In the junior "nipper" area we made terrific progress in the area of competition, thirty competitors at the Branch Titles. To the junior member competitors and the parents that assisted thanks for the effort it is appreciated.

To our competition officials Thecla Haven, Richard "Alphabet" Andjelkovic, Kim Brown and John O'Neill thanks for your support without you we would not be able to compete.

Next season we need to further grow our numbers in the competition area masters, seniors and juniors to make our club stronger. A march

past team would be good and more under 19 and "nipper" parents in the masters events.

To all our competitors I would like to thank you for your effort I can truly say that every competitor was committed both at training and carnivals. On our trips away to carnivals especially the National Titles is was a pleasure to be part of a great group of members.

Without our sponsors we would have a very tough road to hoe. I would to thank DMK Forrest Products for their support over the season providing racing singlets for the "Max" crew and also touring team shirts for all. Mike Smith Building Services for sponsoring singlets for the under 19 crew. To our major boat sponsor Reef Way thank you and I hope we can continue the relationship.

Boat captain's report

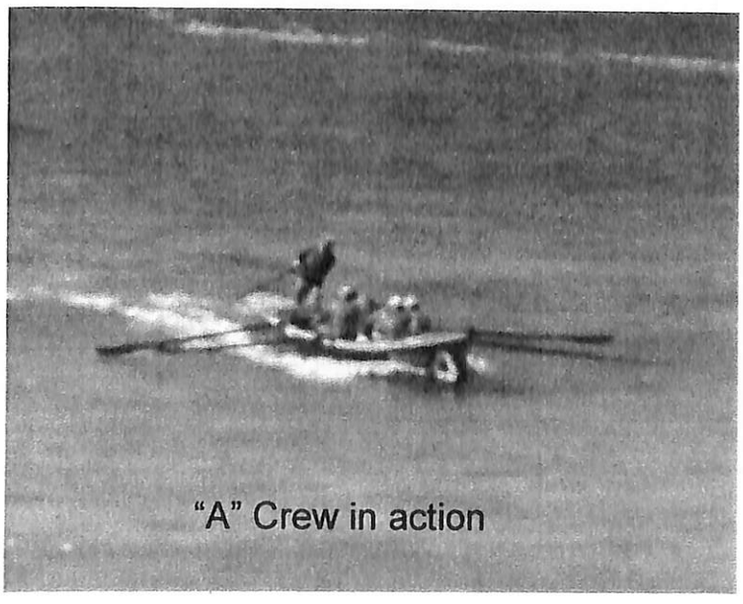
Crew "A"

Sweep	Tony Haven
Stroke	Daniel Morris
2nd Stroke	John Clarke
2nd Bow	Steve Bown
Bow	Dave Houser

At the start of the season the crew was short a rower and then were fortunate enough to recruit John Clarke a very experienced rower from Dee Why. The crew started to show real progress at the start of the season reaching the final at Palm Beach boat carnival and Dee Why boat carnival. They were showing real potential bus unfortunately at times they lost their focus.

On their day they could out-row any crew, dynamic starters. They trained as hard as any crew but failed meet their potential which was disappointing for all connected with the crew.

The competition is so intense in "A" crew's that one mistake and you're history. With a good off-season they could be one of the real surprise packets in 2005 – 2006.



"A" Crew in action

Crew "B"

Sweep	Steve Maxwell
Stroke	Ryan Pool
2nd Stroke	Heath Moore
2nd Bow	Justin Ingram
Bow	David Frew

This season we saw three new additions to the "B" crew "Max". Ryan Pool, Justin Ingram and Dave "astro boy" Frew. After training for 8 weeks they competed at their first carnival at North Cronulla, failing to get out of their heat. It certainly gave them an understanding of what they needed to do on the training track to improve their boat speed.

They knuckled down to the hard work and over the next two months they improved enough to be competitive at Branch, State and Aussies. They started to go so quick, Steve missed getting in the boat a couple of times.
Its going to be good to see these guys go again next year with a bit of off-season training they will be up there with the other top crews.

L to R: Dave Frew, Ryan Pool, Steve Maxwell, Heath Moore, Justin Ingram

Crew	**under 19's**
Sweep	Tony Haven
Stroke	Mick Chirellie
2nd Stroke	Mick Haven
2nd Bow	Rohan Fisher
Bow	Luke Heath

This year's under 19's crew had a slow start to the season. With the return of Mick Haven from Bilgola SLSC we started building this crew, picking up Mick Chiarelli and Luke Heath from Dee Why SLSC then in mid October picking up Rohan Fisher from North Curl Curl. It took a couple of weeks of hard training and then we started to fire, making finals at the majority of the carnivals then winning the first carnival back to the new year at Queenscliff. From there it was a little up and down still making most finals. The highlight of the season was getting gold at the Sydney Northern Beaches Branch titles then the next weekend at Pacific Palms winning all six rounds and also winning the final. We got a bit of bad luck at the State and Aussie titles bowing out in the semifinals in both. The main thing was we all had fun and are keen to go next season ready to rip the under 21's division to pieces.

L to R Rohan Fisher, Mick Haven, Tony Haven, Luke Heath, Mick Chirellie

Crew **under 21's**

Sweep	Tony Haven
Stroke	Stuart Haven
2nd Stroke	Steve Nicotra
2nd Bow	Paul Morris
Bow	Matt Bealey

Season 2004/2005 was an up and down season for the under 21 boat crew, with some fantastic results and some results that shouldn't be mentioned. The crew started with one member, then grew into three guys and one so called "fill in".

The under 21's picked up Matt Bealey and "fill in" Morris from North Narrabeen and Steve Nictotra from Dee Why. The crew had some good results coming 2nd in the Australian Surf Rowers League titles at the 'gong, also coming 3rd at the Branch titles and Pacific Palms. At the Australian Championships at Kurrawa the crew made the top 16 in Australia, more importantly they made the second day of competition up there, which meant that their livers were cheering.

The boys had a great season considering how it all came together. The guys would like to thank Torch for sweeping them, and anyone that has filled in for them during the season.

RESCUES

South Narrabeen patrols watched the beach for all season, completing a number of rescues and preventative activities. Two rescues were particularly noteworthy. One very early in the season occurred when we received the call to go and retrieve a downed kite surfer approx 3 km out to sea. We sent two IRBs, with Peter Madden and Aaron Gibby as drivers and Sabrina Emmerton and Melissa Brown as crew. Thanks to the skill of these crews a potentially dangerous rescue was completed. Thanks came from the kite surfer and from Warringah Surf who monitored the long period the crews spent away from the beach. Pete Madden again featured, much later in the season, this time with Peter Grant when one of our Nippers was hit accidentally with a board. Taking no chances, the life savers took the Nipper into appropriate care and watched over her until an ambulance took her to hospital. She is now fine. This rescue and the care taken by our members was noticed by Warringah Surf and the lifeguards.

Congratulations to all involved. You are a credit to the training and skills of our patrolling members.

PATROL HOURS COMPLETED 2004-05

Richard Andjelkovic	14.25	Stuart Haven	68.00
Ted Billett	29.75	Tony Haven	64.00

A LIFE MEMBER

This is R. B "Dick" Miller, who was made a Life Member of the Club in 1936 in recognition of his sterling services. Dick was President elected President in 1931 and was responsible for obtaining a modern clubhouse and up-to-date gear for his members, who although small in number, at that time possessed some splendid swimmers.

Dick was also a great support to the Surf Life Saving Association regularly attending meetings and assisting as a Member of the Overseas and Magazine Committees. He was also an announcer at local carnivals and was sometimes known as Dictaphone. Dick's charictarture was done by another member of South Narra, Gordon Keep.
