SOUTH NARRABEEN SURF LIFE SAVING CLUB INC

ANNUAL REPORT 2005/06

Notice is hereby given that the 84th Annual General Meeting of South Narrabeen Surf Life saving Club Inc will be held at 11.00am on Sunday 18 June 2005 in the Ocean View Room of the Clubhouse 1200 Pittwater Rd Narrabeen

AGENDA

- 1. Apologies**
- 2. Presentation of the 84th Annual Report**
- 3. Presentation of the Balance Sheet and Financial Statements for the year ended 30 April 2006**
- 4. Motion: That South Narrabeen Surf Life Saving Club Inc affiliate with Surf Life Saving Northern Beaches Branch, Surf Life Saving New South Wales, and Surf Life Saving Australia Ltd.**
- 5. Election of Office Bearers for the 2006 – 2007 season:**
 - a) President**
 - b) Deputy President**
 - c) Vice President**
 - d) Treasurer**
 - e) Secretary**
 - f) Club Captain**
 - g) Clubhouse Director**
 - h) Chief Instructor**
 - i) Competition Manager**
 - j) Director of Youth Development**
- 6. Motion: That Ken Passmore be confirmed as Chairman of the Nippers Committee for the 2006-2007 season.**
- 7. Nominations for sub committees**
 - a) Social**
 - b) Competition**
 - c) Life Saving**
 - d) Honours**
 - e) Building**
- 8. General Business**

South Narrabeen Surf Life Saving Club

OBJECTIVES

- a) the study and practice of surf life saving, resuscitation, and first aid to the apparently drowned and injured.**
- b) To minimise the loss of life from drowning by carrying out surf patrols to render all aid possible to those in distress.**
- c) To promote demonstrations and arrange classes of instruction in the principles of surf life saving and resuscitation.**
- d) To encourage amateur sports, carnival competition, and social function etc which do not interfere with the lifesaving duties of members.**
- e) To foster youth development in a supportive family environment by providing educational, competition, and social activities for children.**
- f) To enter into arrangements or contracts with any government, local government or other body for any of the purposes of the Club.**
- g) To acquire or otherwise deal with land, buildings, leases, personal property, interests or rights with the object of furthering the interests of the Club.**
- h) To carry on any other activities whatsoever calculated directly or indirectly to enhance further the interests of the Club, provided that any fundraising activity will be to the benefit of the Club such that profits are expended in furtherance of these Objects only.**
- i) To strive for government and public recognition of Surf Life saving as the authority on aquatic safety.**
- j) To promote the health and safety of members and users of the aquatic environment.**

This year with the purchase of new Nipper boards, a new surfboat and a new IRB, we feel we are not going too badly. To raise the funds needed to purchase these items is hard work, but it is necessary and our thanks to those who have helped.

To all our valued Sponsors, we thank you. Some of you have no real affiliation with us other than the fact that you know someone or just wish to be involved with a community organisation, Our work would not go ahead without you and your support.

To the Life Members, of whom we have still a few hanging around, we all appreciate the efforts from you over a long period of time. We think very highly of all of you and always look forward to you voicing your opinion.

This year we were visited by a group of aboriginal children from Brewarrina. We were asked by the Variety Club if we would help out and we jumped at the chance. As the weekend progressed, the enthusiasm and assistance shown by members of South Narrabeen was exceptional. We hope to make this an annual event !

To our patrolling members, thanks. We realise that competition is important but our first job is to keep our members and visitors to South Narrabeen safe. We have done that this year. To new members, welcome and I hope you get as much enjoyment out of being part of this club as I do.

Congratulations to Peter Madden, Finalist as branch Volunteer of the year and to Thecla Haven, whose long hours of work as competition official have been recognised as branch Competition Recorder of the year. Also congratulations to Tony Haven who has been re-elected as Branch President for another two years.

To finish up, we are affiliated with probably the best Branch in Australia and I think we have a very special place here. Let's ensure it continues for many years to come.

Steve Maxwell
President

Club Captain's Report

Welcome to the end of the 2005/2006 surf season. As my first year as Club Captain I didn't know what to expect from the role, and what a challenge I faced. But I have enjoyed the experience, learnt from my mistakes and hopefully next year I can construct a better system in the way the club can be run.

Firstly I would like to thank Michael Haven, Tony Haven and Pete Madden. These two guys helped me enormously in the pre-season. Guiding me through the things that had to be done to have the club organised before patrols started and without their help the club would have been no where near ready for the busy season that was ahead of us.

I would like to thank our patrolling members. All 64 members combined to patrol our beach for a total of 554 hours throughout the season and I know without all these wonderful people who gave up there weekends, my job would have been a lot hard. Big thanks must go to the Patrol Captains.

Patrol Captains: Michael Haven, Stuart Haven, Heath Moore, Alan Brightman, Pete Madden, Simon Learmonth, Sarah Haven, Yolanda Nathan, Steve Maxwell, Tony Haven, Dave Hauser, Matt Fordham, Matt Bealey and Rohan Fisher.

The Following people are the top 12 patrollers. These are the people who have shown dedication to South Narrabeen over the past year and it is great to see such enthusiastic people in such a small club like ours.

Top 12 Patrollers:

Pete Madden 73hours
Ken Passmore 71hours
Yolanda Nathan 59.15hours
Mike Renie 58.30hours
Stuart Haven 56hours
Steve Nicotra 55.45hours

Brian Brown 56.30hours
Alan Brightman 53.15hours
Heath Moore 52.45hours
Michael Haven 52hours
Michael Chirellie 51.30hours
Steve Martin 48.45hours

Congratulations must go to Yolanda Nathan. Yolanda has been awarded the Patrol Person of the Year. She has shown dedication to South Narrabeen over the course of the season. She has always been there when times have been tough and she was one person that I could rely on to help when I needed it. Her attitude towards patrol is outstanding and she is an asset to have in our club. Thanks Yolanda.

Well this is me signing off for the season. We all have had an awesome year and should all be looking forward to a bigger and brighter season next year.

See you all on the beach at South Narra.

Rohan Fisher
Club Captain.

Competition Manager's Report

This season we increased our competitors in the senior section. It is pleasing to report that a total of 6 boat crews and 3 masters competed for the club. We also had two competition officials in the boat area.

Our masters competitors Brett Picknell on the beach, Ted Billet and Steve Martin in the water enjoyed themselves and it was great to see them at carnivals.

The boat crews had some outstanding results (see separate report), the best being the Snappers with a silver medal at the National Titles.

This was the last of the ten years at Kurrawa for the National Titles while it will be good to travel somewhere else, I am sure that it will not have the atmosphere of Kurrawa, including that 2 metre surf to test the competitors.

Thanks to two competition officials Tony and Thecla Haven; we need your support. And who can forget Matt Fordham's effort in driving IRB's at the State and National Titles. Thanks Matt. It is important that as competitors we remember that we need water safety and officials at the carnivals.

For the next three seasons the National Titles are in Perth and it will take a huge effort by the entire club to raise the necessary funds to transport equipment and competitors across, we need to support each other, we are one club.

It will certainly help as a club that we coach and encourage competitors in the younger age groups Under 14, 15 and 17, maybe in boards and on the

beach. As parents we can coach – we do it at football, soccer and athletics, why not in the surf. We need you.

In closing I would like to thank those members who supported the competitors helping out with patrols when we were short – The Maddens, Steve Martin, Al Brightman and Ken Passmore.

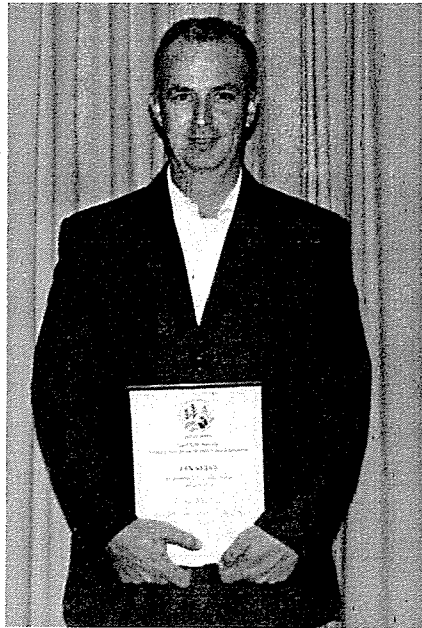

Thanks to the Committee for all your support. The new boat certainly helped with results, and it was great to receive assistance with the cost of entry fees and the repair of broken equipment.

I will not stand for the position of Competition Director and I would encourage one of the younger brigade to stand for the position and another to stand as assistant.

Tony Haven
Competition Manager

Thecla Haven (far left) at Branch Presentation Awards where Thecla received her Award as Competition Recorder of year.

Peter Madden Finalist Branch Volunteer of the Year

Chief Instructor's Report 2005-2006:

This season we welcomed several new members who obtained their lifesaving awards. Each of these members worked very hard and gave 100% during their training and exams, and they have done themselves and their Club proud. In particular I would like to commend the efforts of those new members who did not previously have much experience in the surf – their courage and commitment was extraordinary.

Although the number of awards was slightly down in the senior ranks, our nippers continued to thrive. Alan Brightman and several other nipper parents did a tremendous job in teaching the kids all about surf awareness through the "Surf Ed" program. This program has been shown to improve the confidence of junior members in the surf and hopefully will lead to an increased number progressing through to the Bronze Medallion in the years to come.

Each patrolling member upgraded to the Cert II in Aquatic Rescue as part of their annual Proficiency Test. Next season we need to encourage more members to do their Advanced Resuscitation Certificate and Inflatable Rescue Boat Drivers Certificate. Each patrol must have someone with these awards or we can't open the beach.

Special thanks to the members who assisted by playing the role of 'patients' during our training and exams, including Elliot Brown, Nathan Madden, Melissa Brown and Clare Ingram, as well as our Branch Examiners - Graham Cook, Richard Whipp, and Luke 'Nugget' Fittock. Neil Cummins, Barb Smith and all the staff at Branch continued to deliver first class service regarding exams.

Finally, I would like to congratulate those members who put their training to good use during a couple of emergencies this season. One member assisted a guy in a Chinese restaurant when he suffered a heart attack, and on the beach several patrol members made sure that a suspected spinal patient was properly managed. There were also the usual variety of bluey stings and minor cuts as well. I am proud to say that I am confident that our members will be equal to the task if the worst happens. Thankfully, this year we have fulfilled our primary goal, "No Lives Lost" at South Narrabeen.

Boat Captain's Report

Season 2005-2006

Author: Mick Haven

Editor: Sarah Haven

Season Overview

What a fantastic season for the surfboat fraternity at South Narrabeen! We took away six Championship medals in different divisions, the most outstanding one of the season being the Under 21 "Snappers" who came away with the silver medal at the Australian Championships.

Thank you to fellow boatie, Club President Steve Maxwell, for his support and encouragement over the season. On February 4, 2006 we launched the new surfboat "Chicka", named after one of the Club's active Life Members. Thank you also to Reefway Waste and St Mary Sand and Soil for the financial help in acquiring this boat. Other equipment that we could not have purchased without our generous sponsors were a set of L1 oars sponsored by Austcorp and Roche.

Throughout the season all of our equipment had to be transported to each and every Carnival up and down the coast. Thanks to Torch, Steve, Rohan, JC and Frewy for towing the boats to training and Carnivals.

Also a big thank you to Heath for organising accommodation for all the away Carnivals throughout the season and also to Torch for putting in the entries every week.

In closing there is one person who needs to be thanked for all of their hard work and commitment that he has put into the boat fraternity at South Narrabeen. Not only has he coached and swept many crews over the years, he has been a rower himself and always encouraged others along the way. Thanks to Torch and all of you would agree that the best retirement present could have been the Aussie medal. This is the second retirement for Torch and no doubt there will be a third.

Light hearted reflections on our season

The Italian contingent that is part of the "Snappers" are trying to bring Milan to South Narrabeen. We'll see how those V necks go down hey boys.

'VodaRohan'. If you went to ANY Carnival this season you were bound to see our Club Captains mobile phone glued to the side of his head. What about blue tooth for next season?

During the festivities of 'Pool Party II' one of the 'Boozers' new recruits was desperate to fit in. All we'll say is 'Do Frewy again!'

Anything that Thewy can do Stuey thinks he can do better. 'Cummon Stu, it was your f&#*ing idea!'

The king 'Boozer' liked to refer to other people on race day as 'Gary, Neck or Parrot'

'Which member of the junior crew would love to be the next Max Whitehead with his chesty bonds?'

'Note to juniors: Traffic barricades are more effective when used on streets rather than in the air'

Just plain annoying 'Waaaaaaa'

If your going to drink the spa water make sure you knock before you enter.

'Ask me how we went?!' 'No good'

No need to say too much about this crew, their results say it all. This season this crew were lucky enough to pick up a medal at all three Championship Carnivals, not a lot of crews in the country can be this consistent over the 6 months. It is always great to see the orange "Jaffa" cap of South Narrabeen in an Australian Surf Boat Final.

This crew was exceptional over the season making every final except for two, one due to injury. It shows that all the hard work they put in over the months really paid off, all the 1000's and 42's were worth it.

It will be great to see the 'Snappers' step up again next season with the Under 21 division changing to Under 23's...watch out boys you'll have some competition from the other Southy Under 23's Crew.

This season we saw a mixture of last seasons Under 19's and Under 21 crew combine to become the almighty 'Boozers'. After only two Carnivals bowman Matt Bealey was missing the white cap and the soup that North Narrabeen offers so transferred north making way for David Frew, who slotted into the crew with no trouble at all. Frewy had only rowed one season prior to this one but didn't need much time to get used to the thrill seat that is known as the bow.

The crew all had a fun season getting some top results and making most finals, with the best result being the ASRL Open picking up the silver. They also picked up the silver in the SNB Branch Pointscore, which meant that the 'Boozers' were consistent over the entire season. These boys had a fantastic season all in all winning a few medals along the way. Not bad for a bunch of "Boozers"

This season was the 'Nuffies' first year in the big fibreglass boat. They didn't really get going until late January when Moose took over at the helm. Their first Carnival was the ASRL Open at Newport where they found out how fun Surf Boat rowing really is by Moose putting them down the chute to initiate them. These guys still have two seasons of Under 19's to contend, so some hard training will see some results in years to come.

JP Milazzo

This season we saw a new addition to this B crew with Steve Walton replacing David Frew.

These boys were competitive in the Reserve division but unfortunately not getting a finals birth. They put in a bit of work but unfortunately luck wasn't on their side. The week before the Aussies Justin badly injured his ankle so super-fill-in JP Milazzo stepped up to the plate, but couldn't come up trumps getting eliminated early.

This crew had a late start to the season with their first and only Carnival being Queenscliff where they made the final. Unfortunately due to injury they forfeit the season.

Hopefully they give it another shot next season to make three hot Under 23 crew's at Southy.

This season we saw the comeback of Australian medallist Michael Boyle and Matt Evans to join the 'Jaffa's'. With the Open Division of racing being the most competitive and most sought after event this crew were consistent in their training and in competition.

The crew went well at the local Branch Boat Carnivals being unlucky several times to miss out on the final. One thing that this crew was re-noun for was their quick starts, smashing every crew off the beach. But their inexperience as an 'A' crew saw them in some very close finishes and unfortunately luck wasn't on their side.

With some new but experienced recruits onboard these boys defiantly got the attention of the beach in their 1960's style "poo brown" sluggos! Make sure that you ask JC "how they went".

PRESENTATION NIGHT

On 20 May we met to celebrate the Club's success and contribution. It was a great night and one enjoyed by all. Thanks to those who put in so much effort to making this night so enjoyable. The food was great, the beer plentiful and the company easy going and friendly – all due to the effort put in and the strength of the South Narrabeen spirit.

The night was enlivened by a series of photo presentations and DVDs of daring boat escapades, some of which seemed extraordinary – and unbelievable, particularly as the night drew on.

The results are another testament to South Narrabeen's work and are highlighted by the fabulous 2nd place in the Aussie Titles by our Under 21 boat crew.

These are the achievements of some of our members. The Committee recognizes the enormous efforts put in by all members and thanks you sincerely for your work. Every little bit helps.

A big congratulations to you all.

NIPPER'S CHAIR REPORT

Its was another great year with many highlights, including the Umina visit, the visit from the Brewarrina kids, our joint competitions with Narrabeen Surf Life Saving Club and our fantastic efforts at carnivals.

Thanks to all the Nippers who come to South Narrabeen and join in our activities and a big thanks to all who helped out on the beach last season, at the carnivals and with the BBQ. Nipper's Sunday mornings are much easier to work when everyone chips in.

I look forward to working with you all again next year. It's going to be another great season.
