SNSLSC CLUB OBJECTIVES

- a) The study and practice of surf life saving, resuscitation, and first aid to the apparently drowned and injured.
- b) To minimize the loss of life from drowning by carrying out surf patrols to render all aid possible to those in distress.
- c) To promote demonstrations and arrange classes of instruction in the principles of surf life saving and resuscitation.
- d) To encourage amateur sports, carnival competition, and social functions etc which do not interfere with the lifesaving duties of members.
- e) To foster youth development in a supportive family environment by providing educational, competition, and social activities for children.
- f) To enter into arrangements or contracts with any government, local government or other body for any of the purposes of the Club.
- g) To acquire or otherwise deal with land, buildings, leases, personal property, interests or rights with the object of furthering the interests of the Club.
- h) To carry on any other activities whatsoever calculated directly or indirectly to enhance further the interests of the Club, provided that any fundraising activity will be to the benefit of the Club such that profits are expended in furtherance of these Objects only.
- i) To strive for governmental and public recognition of Surf Life Saving as the authority on aquatic safety.
- j) To promote the health and safety of members and users of the aquatic environment.

PRESIDENT'S REPORT

Wow....Where have the last 12 months gone? With another season down and still "NO LIVES LOST" whilst our members patrol the beach, South Narrabeen has come along in leaps and bounds this year.

As my first year as President I had my work cut out for me. But as my predecessor Peter did leave the helm of a steady surfboat for me to take over and without his support from the bow I wouldn't have got through this season without slewing.

It has been exciting to see our membership grow over the last 12 months with many new faces joining the club. A major influence on our membership has been our fantastic Chief Instructor Andrew Cross. Without his exceptional training schedule the new members training for the Bronze and SRC would have lost interest and gone elsewhere. Thank you Andy.

The boaties have had another successful season. With the addition of two (Yes TWO) very competitive under 23s Ladies crews, the JAFFA caps were on show at every carnival this season. It was great to hear from other clubs throughout the Northern Beaches that they were very impressed with the number of competitors. With a new junior crew training in the off season, the boaties will be a force to reckon with next season. Thanks to Scott and Mick for all their hard work throughout the season.

The Nippers have had another successful season. I would like to congratulate Guy Loucks on a tremendous effort as Nipper Chairman this season. His took over from Phil and only being associated with the club for a few years prior he has taken the job with open arms and done a great job. It was great to see a bunch a new faces on Sunday mornings and I hope to we can continue to grow in the coming seasons.

This year we celebrated our 90th Anniversary. A fabulous weekend was had by all in April with many past and present members joining to together on the Saturday night dinner to reminisce with stories from the past. It was great for me to meet so many past Life Members. A big thank you to Sarah Oaten (Haven) for organising the night.

It was great to see a fresh bunch of faces this year for our Annual Brewarrina Weekend. This event seems to get bigger and bigger every year. Without the support of the local businesses along with Warringah and Pittwater Councils this event could not take place. A big thank you must go to Ken Passmore, Ted and Pam Billett, Kim Brown, Cal Ludlow, Peter Madden and Jack Cannons from Variety Group for putting their time and effort in making this weekend run smoothly.

Congratulations to Scott Morrison for being awarded the President Award for this season. The amount of time that Scott dedicated toward our club and the boaties not only this year but over the past 3-4 years does not go unnoticed. Sweeping four crews this year along with organising accommodation and carnival entries has been challenging for Scott but he completed the task without hesitation. Scott is a great asset to this club.

A big thank you must go to the staff at Branch Headquarters. Without their continued support to our committee this season, we would have been left high and dry on numerous occasions. It makes our job easy when we have the tremendous support from the Branch.

With the offseason as busy as the on season, we are always looking for more fresh faces to help out to run our club to the full potential. If you think you can devote some time to help the club please don't hesitate to ask.

I wish all our members a safe winter and look forward to seeing you all back on the beach for another jam packed season.

DEPUTY PRESIDENT'S REPORT

BREWARRINA

Bush to Beach supporting Aussie kids
January 28th to 31st 2011

From the MANLY Daily

SURF-LIFESAVING

trip to the beach

Students from Brewarrina enjoy the surf at South Narrabeen beach.

Going to school in the state's northwest can mean a lot more than just getting an education: for some students it's actually a chance to spend some time at the beach.

Thanks to the commitment of volunteers from South Narrabeen Surf Lifesaving Club, Variety Australia & their supporters a group of 60 Aboriginal children last month enjoyed a true beach experience – all because they attended class.

After suffering the ravages of the weather out west, this visit was described as a "lifesaver" in more ways than one.

Recent floods have meant the Aboriginal community has been "eaten alive" by mosquitoes, has had no fresh fruit or meat & the only bread available has been flown in as cargo on light planes.

"Because of all their difficulties it was essential the Bush to Beach program went ahead this year" said Variety Australia national chairman Jack Cannons. "It inspires hope & provides a safe & caring environment".

Now in it's sixth year, the Bush to Beach program hosts young Aborigines from Brewarrina & surrounding areas, 800km west of Sydney.

These areas, affected by drought for around 10 years, are now flooded & have been declared a natural disaster area.

Many of the young visitors have never been to Sydney or seen the ocean. They arrived at the South Narrabeen Surf Club for three days of adventure & learning, including surfing, competing in nippers' events, water safety first aid, exploring the local area, ferry trips & the opportunity to develop self-esteem & play in safety.

Saturday evening saw a sit down baked dinner with celebrities, politicians & sponsors & live entertainment.

The weekend's activities, transport, outings, giveaways, accommodation, healthy food & drinks were organized & donated by the South Narrabeen Surf Lifesaving Club, Variety the Children's Charity & their supporters.

While there is no cost to the participants, the children must attend school & behave themselves in their community to qualify for this trip.

"Many of the kids unfortunately have a sad past," said Mr Cannons. The trip is a reward for school attendance & an opportunity for the kids to see that there is another world outside their communities & to inspire hope & build self-esteem".

"South Narrabeen Surf Club is one of the smallest clubs but has the biggest heart. Their commitment to the Bush to Beach is amazing. Because of the program we are getting positive reports that truancy is down".

Ted Billet
Deputy Chairman

SECRETARY'S REPORT

This year we had 240 members sign up and I list the member status below . When you consider what the Club looked like in September with the safety fences obscuring the whole building that was a very encouraging start to the season. I am predicting a surge in membership for next season after we complete more of the Club.

The Club Committee met 14 times from August 2010 to June 2011. Meetings usually last for 2 hours and all Members are welcome to attend. The commitment and dedication of the Committee is to be applauded and their work continues on projects throughout the whole year. You can find a copy of the last Committee Meeting minutes on the Patrol room notice board

In addition to these meetings, we also ran open days to review the current building plans and the proposed New Constitution.

Part of my role is communicating matters of interest from the Club meetings to the Membership .I hope I reached you with these updates from the Club and from the SLSA network . I welcome suggestions, ideas and comments on administration matters. So be sure to contact me. As always if your details change during the season you need to let me know.

And that brings me to the LIFESAVER ONLINE website.

Lifesaving Online is a self-service membership portal for members of clubs and support organisations in Surf Lifesaving. You can apply to join a club and check your details, awards and patrol hours from this site and update them if they change. This is a great resource from SLSA and I would encourage all members to register online.

Finally I would like to extend my special thanks to a number of Members who helped make my job a lot easier: Bill Hayne Club Registrar ; Dean Storey SLSNSW branch ; and Tony Haven Life Member, for his wealth of experience in all SLSA matters.

VICE PRESIDENT'S REPORT **(Sponsorship & Marketing)**

We have had a great season with our Sponsorship and Marketing for the Club. We have retained some of our long term Sponsors and picked up a few new ones.

Our aim is to lift the profile of the Club so that Sponsors are happy to be a part of a Club with great Community spirit.

Our Club is looking fantastic with the new renovations, thanks to all the hard work by Pete Madden & the Committee. This will help us attract more Sponsors in the coming years.

We will need to design some new clothing to look professional which the younger generation need to stay in the Club and make look cool.

This has proven to be the right course of action as we have more new sponsors interested in coming on board. A huge bonus for the Club.

All Sponsors for the Brewarrina Weekend were given a Framed Photo with their individual logos on them, thanking them for their kind and generous support, from all the feedback received they were very appreciative as well.

Nippers also have also retained a great Member Sponsor, All Style Flooring, David and Leigh Copping have been a fantastic Sponsor for the last few years.

John O'Neil has come back as a Major Sponsor for the Club with his Company O'Neil Constructions and been a wonderful Sponsor for the Club. A huge Thanks to him. John also sponsored the Nippers for many years.

It's great to see so many young people getting involved in the Club and our numbers are building.

We always need to support our sponsors and we need to use them and or recommend to our Family and Friends where we can.

If we can't support our Major Sponsors then how do we expect to attract other Sponsors. We need their support and assistance to purchase our equipment and improve our facilities. The Public expect to see Lifesavers in Full uniform, other clubs have strict dress codes and we are no different. We need to look professional in carrying out our core duties and functions. After all we are Lifesavers and have great community respect and we do not want to jeopardize the faith people have in us.

Thank you one and all for all your efforts this season and helping out when you were called on. The Club is on the improve, we cannot do it all in one season, we are just getting better each year.

A Special thanks to all our Sponsors who helped us out over the years. Without your generous support we could not do all the great work we have been doing for the wider Community.

TREASURER'S REPORT

It gives me great pleasure to present the financial statements of South Narrabeen SLSC for the year ended 30th April 2011.

Financial Summary

The Club is financially sound posting an operating profit for the year of \$4,012. This profit has been reinvested back into the Club for future spending.

As of the 30th April 2011 the Club had \$32,118 in the Westpac Bank trading bank account and a total of \$70,000 invested in term deposits.

Key Events during the Year

Facility Development Program – Grant \$370,000

The Club was successful in receiving a grant of \$270,000 in March 2010 and a further \$100,000 in March 2011 from Surf Lifesaving NSW, to assist with the cost of the Club's extensions for an upgrade to amenities and the establishment of appropriate female facilities; a lift and addition of a training facility for VETAB training; compliance with OH&S issues.

Donations and Gifts – net profit \$43,779

During the year the Club received tremendous support in the form of cash donations. We wish to thank all those who have contributed; we continue to be extremely grateful. Please see summary at end of treasure's report.

The Club also thanks our honorary auditors Wong & Mayes Chartered Accountants.

Ocean View Room – net profit \$20,685

The Club's premises continue to be a popular function centre. This provides the Club with a beneficial income 12 months of the year.

Thanks

I really must acknowledge the following members for their excellent efforts during the year.

- a) Rohan Fisher for always being available to co-sign cheques and assist with Club finances.
- b) Bill Haynes for helping me on registration day.
- c) Guy Loucks and his team for their brilliant efforts in running Nippers this year
- d) Jackie Downham for looking after clothing sales.
- e) Kim Brown once again for her great efforts in running the Ocean View room.
- f) All staff at the Westpac bank for their great assistance.
- g) All my fellow committee members for donating their time and energy in running the Club.
- h) For all members that joined and continue to be members of this great Club.

Treasurers Observations

- a) The happiest time for Kim Brown this year was when she got her credit card.
- b) Nothing changes from club to club; boaties still come to the table cap in hand with some of the best stories and greatest excuses to spend money.
- c) Smoke and Mirrors award goes to the Boaties; although competition expenses amounted to \$24,840 the actual cost to run five boat crews was \$14,230.
- d) Most expensive thing in the club - a toilet seat; go figure!!
- e) On average it will take four phone calls a lot of listening to some great excuses to arrange a patrol swap.
- f) At least on one of your patrols during the season the "Beach Closed" sign will be used.
- g) It is the duty of morning patrol to put out as much gear as possible on the beach (for the afternoon patrol to put away).

See you all next season.

Charles Longley,
Hon Finance Director

INCOME AND EXPENDITURE REPORT

SOUTH NARRABEEN SURF LIFE SAVING CLUB INC.
ABN 90 853 268 642
STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the Club is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 10 :

- 1 Presents a true and fair view of the financial position of South Narrabeen Surf Life Saving Club Inc as at 30 April 2011 and its performance for the year ended on that date.
- 2 At the date of this statement, there are reasonable grounds to believe that South Narrabeen Surf Life Saving Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President 

Treasurer

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2011

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose report prepared in order to satisfy the financial reporting requirements of the Association Incorporation Act New South Wales 1984, as amended. The committee has determined that the Club is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

NOTE 2 CASH

Cash and Cash Equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturity of three months or less.

	2011	2010
	\$	\$
Cash on Hand	820.00	1,911.40
Westpac Bank Trading Account	32,118.58	30,059.86
Westpac Bank Term Deposit	70,000.00	75,304.71
	<u>102,938.58</u>	<u>107,275.97</u>

NOTE 3 RECEIVABLES

Facility Development Grant	303,111.85	-
Leasehold Improvements	2,942.73	-
ATO deposit post balance date	2,944.00	-
OVR deposit post balance date	1,754.55	-
Hall Hire Commission paid in advance	175.00	-
Other	-	875.00
	<u>310,928.13</u>	<u>875.00</u>

NOTE 4 PROPERTY, PLANT & EQUIPMENT

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the Club commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Plant & Equipment, at cost	84,686.99	74,624.99
Accumulated Depreciation	<u>(60,616.22)</u>	<u>(52,284.62)</u>
	24,070.77	22,340.37
Leasehold Improvement, at cost	66,888.15	-
Accumulated Depreciation	<u>66,888.15</u>	<u>-</u>
	<u>90,958.92</u>	<u>22,340.37</u>

Hall Hire - Deposits rec'd in advance	1,750.00	-
OVR - Bar Hire deposits rec'd in advance	250.00	-
Gst	(580.07)	-
Other	-	395.92
	<u>1,419.93</u>	<u>395.92</u>

SOUTH NARRABEEN SURF LIFE SAVING CLUB INC.
ABN 90 853 268 642

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2011

NOTE 6 CHARITABLE STATUS REGISTRATIONS

Australian Taxation Office:

The Club is endorsed as a public benevolent institution thereby conferring income tax exempt and deductible gift recipient status.

NOTE 7 REVENUE AND OTHER INCOME

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue

NOTE 8 GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
SOUTH NARRABEEN SURF LIFE SAVINGS CLUB INC.**

Scope

We have audited the attached Financial Report comprising the Balance Sheet, Income & Expenditure Statement and Notes to the Accounts of South Narrabeen Surf Life Savings Club Inc. for the year ended 30 April 2011.

The Committee is responsible for the Financial Report and have determined that the accounting policies defined in Note 1 are appropriate to meet the requirements of the:

- (a) Associations Incorporation Act of NSW
- (b) Members of the South Narrabeen Surf Life Savings Club Inc.

We have conducted an independent audit of the Financial Report in order to express an opinion on it to the members of South Narrabeen Surf Life Savings Club Inc. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of both the Associations Incorporation Act and the Club's Constitution. We disclaim any assumption of responsibility for any reliance on this Report or on the Financial Report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Financial Report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 to the Financial Statements. These policies do not require the application of all Accounting Standards and other professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the:

- (a) Financial Report presents fairly in accordance with the accounting policies described in Note 1 the financial position of South Narrabeen Surf Life Savings Club Inc. as at 30 April 2011 and the results of its operations for the year then ended;
- (b) Affairs of the Club have been conducted in accordance with its Constitution.

NIPPER CHAIRMAN'S REPORT

South Narrabeen Nippers again had a good year with a lot of fun had by all on the sand and in the water. We saw a slight decrease in nipper numbers this year, primarily due to the early year construction zone. There was particularly strong representation from the younger age groups which had a very good balance of enough nippers to give some great competition but not too many so that there is too much time waiting around. It was also very pleasing to see a number of new nipper families.

We had a greater focus on board skills this year in an effort to get more of the older nippers into the water and out on the boards. The surf conditions were generally favorable. In the first half of the season we focused on the lake and lagoon, which helped us get the boards out on most Sundays. It is always a challenge with our South Narrabeen break, but it will continue to be a focus to build confidence in the water. It was fantastic to see this effort translate to the South Narrabeen orange caps competing in events at the carnivals and congratulations to the U10 boys in particular who led the charge.

This year we again joined forces with Narrabeen on two Sundays to hold joint nippers days at our respective clubs. It was great to pool our numbers, provide support to each other and get a bit of healthy competition with our friendly neighbours.

The social events are a mainstay of the Nipper year and the Halloween and Christmas parties were again very successful and popular. The organizing & decorating committees for both events did a fantastic job in making the events memorable for all.

The carnivals were well attended. We didn't quite get the exact results at the carnivals that we did last year, however the effort was there and it was fantastic to be fielding competitors in the events, a number which we haven't done for a while. A big thank you goes to Grant Shapcott, Troy Stephen, & Phil Patterson who together made the whole thing happen.

Nippers ran very smoothly this year, due to the hard work of the nippers parents. We had 2 age managers in each of the younger age groups, which worked well and a number of people pitched in with a minimum of fuss to keep the flow of snags from the BBQ that keeps nippers running. The key for us was that a large number of people did their bit, which made it enjoyable for all. In particular I would like to thank Jeff & Mandy Hewes on beach setup, Grant, Troy, Richard on Carnival, Mark & Phil on Water Safety and education, and finally Jackie, Clare, Hazel, and Silvana keeping the engine room running!!! Everyone's enthusiasm and dedication has been an inspiration to us all this year.

I look forward to another fun and educational year, focusing on development and programs at the beach next year.

Cheers
Guy Loucks
Nippers Chairman

COMPETITION REPORT

This year has been one that has seen six crews represent South Narrabeen at the Australian titles this year. Surf Boat rowing is alive and well with two new female crews competing for the club this year plus a solid group of young men who have been developing over the past couple of years into very competitive boat crews.

Lots of training and time goes into preparing the boat crews to be able to compete at a very competitive level in one of the toughest branches for surf boat competition in the country. Almost every week our crews row against the best crews in their respective divisions with some outstanding results achieved at times and more pleasingly more consistency throughout the season.

Mick Haven is to be congratulated for all the work he puts into our ageing fleet of surf boats. Maintenance and repairs are always tasks Mick is undertaking during the week, ably assisted by his offsider (some would say permanent hip attachment) Bryce Hay who has also really stepped up to the mark this year. Thanks to both of you on a job well done. Mick has also taken to the big stick (sweeping), taking on the coaching and development of two crews whilst rowing and training in a competitive reserve crew at the same time. There were times when his time was demanded by several crews at the onetime however he seemed to manage this well mostly throughout the year. He is a natural talent at the back of the boat with his highlight holding a massive ten footer at the aussies on the Saturday in very challenging surf. It is also worth noting that although Torch does not sweep competitively anymore he is still seen on the beach regularly. Torch was appointed the Boat Referee for the Australian Titles for the second year straight and did a great job keeping all the boaties happy through the week of competition in tough surf and conditions for most of the week. Well done Torch and thanks for your assistance throughout the year. Also a big thank you to Theck who volunteers her time as an official on many weekends to assist with the running of the boat carnivals.

I should also thank our unofficial photographer, Mick Cross, who along with his wife Martha and their tribe of surfer children are great supporters of the rowing fraternity. He was ably assisted by (Dads Dad) who was also a great support throughout the year. The highlight being the BBQ banquet served up at Pacific Palms on the Saturday night. It is always great to have some family support around the team when we are away and we encourage any club members who want to come along on a trip to stick their hands up and let us know, you are more than welcome any time. Welcome and congratulations to our two U/23 female crews who got through their first year of rowing (the toughest) with flying colours. Yes, some tough times were had throughout periods of the year however everyone has seemed to handle these situations and has learned from them for the future. The two crews were known as "The Stingers" and "Fish on the Floor". The Stingers are Jo, Jess, Dan and Emily and the Fish are Mel, Bec, Sim and Jaq. Well done to all of you, your bravery was tested at times in big surf and you should all be very proud of yourselves on what you have achieved this year. A welcome addition to our rowing family.

As we had more crews this year than we have had in a while the awards were hotly contested. The three awards are 'Rowers Rower', which is like players player, voted on by the rowers. 'Rower of the Year', voted on by myself and Mick (the sweeps) and Competitor of the year, which is voted on by the committee.

Rower of the Year went to Oliver Cross (Olly). Olly has rowed in two crews this year (Forty Nil & Nuffies), which meant doubling up and most carnivals after January this year. His attitude, training and all round commitment this year has been outstanding and he is a very deserved winner of this award. Well done Olly!!!

Rowers Rower was awarded to Bryce Hay. As I have said previously Bryce assisted with boat maintenance and repairs, plus towing boats throughout the year. His training and leadership of his crew plus filling in for the other crews when asked without hassle were some of the reasons why he won this award. He is also a tough little bugger after having 15 stitches inserted into his index finger one week before state titles after a tow bar/surf boat accident and rowing at a very high level with the injury and without complaining. Well done Bryce.

The Competitor of the Year was awarded to an entire crew, which this year was the Colts crew, Forty Nil. Swept by Micka, with Tuck, Bryce, Olly and Sean. These guys were the most consistent crew throughout the year and managed to qualify for the last day of State and Aussies, which is a great effort. They trained hard all year and really saw the benefits of that training pay off towards the end of the season especially. Great work Forty Nil (shame about the name – Go the Chooks).

Some rowing highlights of the year included the Junior Crew (Kieran, Lloyd, Heath and Olly) winning a silver medal at the 'Best of the Best' held on Botany Bay due to surf conditions. The boys rowed in flat water and were very competitive with the best junior crews in the state. The crew also made it through to the Sunday at the aussies, which was a highlight for them with more to come next year as colts.

Other season highlights included the colts (Forty Nil) making the last 18 at the aussies and also the Juniors (Nuffies) doing the same at the aussies. For their first year the 'Fish on the Floor' achieved some excellent results, making some finals throughout the year and having a great result at Pacific Palms.

Below is a summary of all of the crews who competed for South Narrabeen this year and their respective highlights:

Reserve Crew (Open Men): Luke, Dave, Mick and Rohan, swept by myself.

Lots of changes this year with Luke moving from bow to stoke (a huge change), which he handled well and without hassle. Lots of hard training was put in by these boys who as the senior rowers of the club showed the way. They row in the toughest division of rowing in regards to numbers and have to row more races than others to make a final. The boys made several finals throughout the year at the local Carnivals however their best result was the huge Manly carnival where they made the last 8 only to be DQ as a result of their sweep being a wood duck and missing a gate can. At the state and aussies they rowed very well and were unlucky to be knocked out in the last round of the day at both carnivals before qualifying for the semi finals.

Colts Crew (Forty Nil): Tuck, Bryce, Sean and Olly. Swept by Micka.

As stated earlier in this report an excellent year for these boys. They trained hard all year and were committed to the cause. The boys made several finals throughout the year and qualified for the last day at state and aussies. They will also claim a dodgy victory over the reserve crew at Fishermans during training as a career highlight. Colts is a very quick division, these boys have another two years left in the division and with the Wood Ducks in the same division next year we should see some really pleasing results.

Colts Crew (Pickles): Mat, Kieran, Heath and Lloyd, swept by myself.

Three of the crew can still row juniors so that is what we did, row both divisions from January this year with Olly coming in for Mat due to age restrictions in juniors. The Colts punched above their weight and although no finals this year they trained their hearts out and this will pay off in the next two years as the progress into colts full time. They are a great bunch of guys and fun to be around. Their training attitude from January this year was spot on and I am very proud of the way they rowed at aussies in challenging conditions.

Junior Crew (Nuffies): Olly, Kieran, Heath and Lloyd, swept by myself.

These boys came together with pretty much nil training together as they were rowing colts in separate crews however when they did come together they achieved some great results. Second at best of the best was the highlight however they made several finals throughout the year and also made the Sunday at the aussies. Juniors are the life blood of our sport and we need to encourage young rowers to spend their time learning the trade of surf boat rowing. We hope to have a new junior crew in the water in 2011 – 2012 (stay tuned).

U/23 Woman (Stingers): Jess, Dan, Jo and Emily, swept by Micka.

One of our two new crews and a great bunch of young woman who were fun to be around all year and a welcome addition to our rowing team. These girls trained so hard throughout the year and were determined to improve their results, which they did towards the end of the season. Their highlight was the way they rowed in big surf at the aussies, a great effort and something to be proud of. Mick has done a great jobs with these girls and committed himself to the cause. Big things for this crew next year.

U/23 Woman (Fish on the Floor): Sim, Bec, Jaq and Mel, swept by myself.

These girls have so much ability however inconsistent training killed off their chances in January / February this year. These girls have learned to row with me from scratch (as have the Stingers with Mick) and they should all be very proud of their achievements. They achieved some great results at some local carnivals, making two finals and also finishing 7th at Pacific Palms out of 34 crews however their late season form dropped off. A great bunch of girls to be around and I hope they are back again next year.

We have had a lot of fun this year. The tough footy game / slash kill the dill with the pill at the camping ground in the rain at state was a beauty. Whose idea was it to go camping for the state titles?? Oh that's right mine, luckily it rained for three days straight and most of the rowers will never camp again.

Some great road trips, Pacific Palms, Wollongong, Newcastle, Cudgen and off course the annual pilgrimage to the Gold Coast for a long ten days. My dancing on the Sunday night on the dance floor was also a season highlight.

That's about it for the season. The crews are back in the gym for their off season weight program and we hope to raise enough funds to purchase a new surf boat in the future. Thanks to everyone for the hard work, the boat towers (Bryce, Rohan) and anyone else I may have left out.
See you next year

Moose (Scott Morrison)

Competition Manager (Tragic Roosters Supporter)

CHIEF INSTRUCTOR'S REPORT

Our patrols were strained at times this season but the random patrol inspection scores were outstanding. Out of 200 there were 187, 198. But a patrol of new bronze holders and SRC did the club proud by getting a perfect 200 out of 200. In addition to this score most of the members of this patrol were 15yrs and under. They set up the patrol area, completed all the requirements by the assessor, did the rescues and CPR. Even during the assessment two of the SRC patroller seem to wonder off and when approached by the assessor told him that a person who was swimming out of the flags in trouble. As they got there the person recovered and got to shore. The boys Nate Cross and Brandon Forrest both 13yr at the time spoke to him about the dangers and suggested him to swim between the flags. The man was really grateful for their efforts. The assessor was really very impressed and had no problem in giving the patrol the perfect score. Congratulations patrol 3A.

In 2010 we had about 14 new bronze holders and 6 SRC which were welcomed warmly into the club congratulations. It was a great group with a couple from Collaroy joining us and my daughter Alana getting her Bronze and Nate getting his SRC along with a lot of their friends. The 2011 was a smaller group but there were a few spectacular efforts from the bronze holders both in Hannah, Tara, Shannon, Talal who were outstanding in their abilities to get their bronze and Jake who showed quick learning getting his SRC. All your weeks of training were a great success. Hopefully you will all look back on your day in the future as one of the great achievements in your life, well done.

We had a lot of other members achieve others awards such as the Basic Beach Management, Spinal IRB drivers IRB crew, all the ARC upgrades to ARTC. Our patrols were hit up hard for numbers at one stage due to the fact that we had gotten a few injuries, Mark Forrest with badly broken legs and me with the broken pelvis but everybody pulled together and we got through it with no lives lost.

There have been so many people who have help make this season a great success. I wish to thank all those who assisted me through out the season with their time and training skills.

A special thanks to:

To Rohan Fisher, Skye Ludlow, Mark Forrest, Nic Bryce who was always there to assist with training and take the squad when I could not be there.

THANK YOU also to my kids Alana, Nathaniel and Brad, for being helpful and patience. thank you all very much for your efforts through out the season.

A big thank you to Sandy, Jen, Sally and Marcel from Branch office for all your help and direction.

Thank you to all the people on the Club Committee and to our President Rohan Fisher for all your time and hard work in every aspect of the club.

All our patrolling members made this season of "No Lives Lost" a proud statistic at South Narrabeen.

Congratulations on everyone on attaining their awards this season.

Bronze and SRC training will commence again in September 2011. IRB crew and drivers will start possibly in July depending on numbers. Gold medallion please contact me for training etc.

See you in the salt water.

Andy Cross
Chief Training Officer

CLUBHOUSE DIRECTOR'S REPORT

1960

There has been a dramatic change in the appearance of the club over the past 12 months. The last time any work was done to the club in this scale was back in 1970 when the old Club house was rebuilt. We still have a bit of work to do. Unfortunately we are a bit behind where we wanted to be with progress being delayed due to some last minute design concerns and having to work around the Surf Life saving season.

Everything is now full steam ahead and I expect that all the building work will be completed before the start of the 2011 – 2012 season.

There has been a bit of confusion and misguided information being passed around the club relating to the building works. Most members don't realise that there are 3 different projects happening in relation to the building works.

The first is the work being carried out by Warringah Council which is partially funded from the \$700,000 allocated by Warringah Council in 2009 and other Government funding.

This work involves:

Replacement of the roof (completed)

Repalce the upstairs ceiling (completed)

Render and paint the external of the building (completed)

Repalce the handrails

Replace the doors and windows

Resurface the balconies

Rebuild the upstairs toilets an (completed)

The installation of the lift is being done as a joint project with the club and the council.

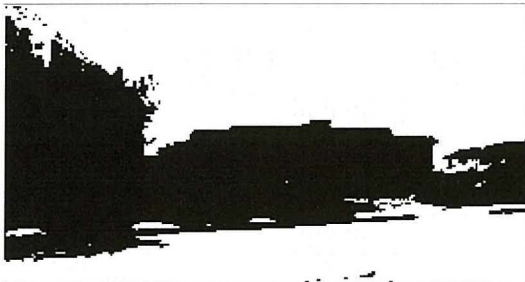

2010

This work is enabeling the club to have a presentable building that will reduce the cost to the club of ongoing maintenance as well as allowing us to continue to operate the upstairs area as a function room for club members and guests. With out the funding of Warringah Council the club would have had to spend many years fundraising to be able to accumulate the funds needed for this work.

The second part of the renovations is work bein carried out by the club. This includes Upgrading of the Partol area and boat shed which was completed in September 2010. Other work to be completed includes the renovations to the gym and nippers area and the building of the members amenities area. This is due to be completed for the start of next season. This work is being funded by a \$270,000 government grant which was applied for in 2009.

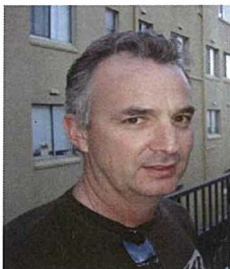

The third project is the lift works and storage area as well as increasing the size of the upstairs members area to make way for a better training facility. This work is still be designed and approved by the committee however I hope it will be completed by late 2012. This work is being funded by a \$100,000 government grant which was applied for in 2010.

2011

In total we will see in excess of \$1.2 million spent on our club from Government and Council funding. If we had to raise this amount ourselves we would never have any of the work completed as it would take decades to raise the money. I think the unforeseen delays are a small trade off for what will be a new club at not cost to its members.

Peter Madden
CLUBHOUSE DIRECTOR

90th YEAR ANNIVERSARY REPORT

The 2010-2011 season marked South Narrabeen SLSC's 90th Year in Surf Life Saving. Over the weekend of Friday April 15 to Sunday April 17 we celebrated in many ways including a golf day, club events and a celebration dinner on Saturday April 16. We had over 82 past and present members that attended the dinner including Life Members Charles O'Reilly, Howard Jones, Matt Fordham, Tony Haven, Brett Picknell and Bob Ferguson. It was really pleasing to have these guys attend, share their stories and reminisce of our progress and growth as a Club throughout the years. Also in attendance were Honour Blazer Members and Distinguished Service Members.

We also had 7 VIPs :Member for Mackellar Bronwyn Bishop, Member for Pittwater Rob Stokes and Warringah Council Mayor Michael Reagan attend. They all gave a heartfelt speech about our Club and how we service our local community and all we have achieved over the past 90 Years. SLS NSW President Tony Haven and SLS SNB President Gordon Lang were also in attendance and gave their praise of the Club.

Thank you to Bob Ingram who organized the 'Old Boys' BBQ on the Friday night and the Golf Day Saturday morning. Also a big thank you to Pete Madden who with his constant 'reminders' to Warringah Council the Ocean View Room was in top condition and great to show all members what has been achieved by Pete and the Committee over the past few seasons. I must also thank Branch Photographer Bill Sheridan who travelled all the way from Redfern to act as our photographer and capture the night on film.

Thank you to everyone who came along on the night. It was great to see so many faces there young and old. Also if anyone has any history that they would like to pass onto the Surf Club in preparation for our 100th Year Anniversary please contact our Club Historian, Steve Martin, who will be more than happy to hear from you.

See you on the beach

Sarah Haven

Youth and Development officer

OCEAN VIEW ROOM REPORT

We have had a very successful year for the OVR considering the state of the building over the past 12 months. The Ocean View Room was closed from May to September 2010 and then closed for November to reopen in December 2010. Renovations are still continuing, but not impacting bookings. We had very good bookings in January and February 2011 compared to the long term average. Weekly hire has increased since February 2011.

Renovations completed under Warringah Council's Refurbishment include: New male/female and a disabled toilet in the Ocean view room.

New carpet, polished dance floor, new tiles at door entrance and at the bar servery, new glass balcony railings, new ceiling, the fire hose has been re-located. The walls in the main part of the room have been repainted. We have new glass doors/windows on the eastern side of the OVR and in the Members Bar. All 3 decks have been concreted.

Bill Hayne has had a fantastic projector donated to the Ocean View room which we can hire to increase our revenue.

- ⤴ The Bar security grills need to be upgraded to improve security.
- ⤴ The kitchen and bar areas are still in urgent need of exhaust fans.
- ⤴ The Bar requires some rubber flooring.
- ⤴ I would like to see an awning over the beach side balcony to protect the doors and to add extra room for guests at functions when raining.

Unfortunately the club was broken into 3 times in December 2010 resulting in a loss of \$1,053 worth of alcohol, mainly spirits.

<u>OVR & Bar Income and expenditure summary</u>		
Income		\$55,431.35
Expenses		\$32,625.01*
Surplus		\$22,806.34

*Expenses does not take into account GST, electricity, skip bin garbage removal, toilet repairs or the fridge and coldroom service.
