SNSLSC Objects of Association

The 'Association' known as South Narrabeen Surf Lifesaving Club, is a charitable community service based institution.

The objects for which the Association is established are available to read from the SNSLSC Constitution which can be viewed at the SNSLSC website.

www.southnarrabeensurfclub.org

SNSLSC Club Objectives

- a. The study and practice of surf life saving, resuscitation, and first aid to the apparently drowned and injured.
- b. To minimize the loss of life from drowning by carrying out surf patrols to render all aid possible to those in distress.
- c. To promote demonstrations and arrange classes of instruction in the principles of surf life saving and resuscitation.
- d. To encourage amateur sports, carnival competition, and social functions etc which do not interfere with the lifesaving duties of members.
- e. To foster youth development in a supportive family environment by providing educational, competition, and social activities for children.
- f. To enter into arrangements or contracts with any government, local government or other body for any of the purposes of the Club.
- g. To acquire or otherwise deal with land, buildings, leases, personal property, interests or rights with the object of furthering the interests of the Club.
- h. To carry on any other activities whatsoever calculated directly or indirectly to enhance further the interests of the Club, provided that any fundraising activity will be to the benefit of the Club such that profits are expended in furtherance of these Objects only.
- i. To strive for governmental and public recognition of Surf Life Saving as the authority on aquatic safety.
- j. To promote the health and safety of members and users of the aquatic environment.

President's Report

The 2013/14 season has finally come to an end. The workload that our volunteers have completed has been such an inspiration to watch. Another season with "NO LIVES LOST" and a total of 4879.25 hours were completed by our patrolling members.

One major highlight for me this season was the successful rescue that was performed by one of our patrols on a beach goer that was stung by a blue bottle. Not only was the rescue a success with the patient returning to consciousness after a hit of epinephrine, but the work of our volunteers was recognised with achievement of the SLSA Rescue of the Month Award for February. A more in depth account of the rescue is included in this report.

Earlier in the season, a very successful Casino Night was held at The Sands. This night was attended by a big group of members and guest with all having a wonderful night. A big thanks and congratulations must go to Scott Morrison for his efforts in organising this event.

Another successful season was had by our boat rowers. With a high recruitment drive during the off season saw experienced rowers from Manly, Newport and North Narrabeen join the Jaffa Fraternity. All crews were very consistent throughout the season. I was lucky enough to join the crews in Perth for the Australian Championships and I was quite impressed with the closeness of our club. Again huge thanks go to Mick Haven and Scott Morrison for all the continued effort in keeping our competition side of the club alive and kicking.

Our Annual Bush to Beach was a great success again. Our association with our friends from Brewarrina is a great asset for our club. Thanks to Ted Billett and his committee for all the hard work that goes into arranging this event. Next year will be bigger and better as we will be celebrating our 10th year.

Andy Cross and his trusty group of trainers where very busy again this year. Special congratulations must go to Chris Gale and Michael Tuck who achieve their Gold Medallion this season.

This season saw South Narrabeen utilise our facilities and renovate our members bar into a kiosk for our entire membership and the public. This has proven to be a massive hit. Thanks to Tony Haven, Charles Longley and Mark Dimento for all their hard work.

Special mention must go to the President Award winner Angie Thorpe. Angie has been a stalwart for our club over the past few seasons. From assisting with training, to organising a trivia night, surf n turf night and endless amount of photos, Angie is someone with a can do attitude. Congratulations Angie.

On more of a sombre note, I would like to express my sincere condolences to the Wickens family for their loss of their mother Vicky. From what I could see Vicky was a true inspiration to her two kids Rebecca and Matt.

To all our members and their families, I wish you all a safe winter and hope to see you all back on the beach for another season.

Rohan Fisher

Administration Report

This year our membership was 274 members and I list the member status below.

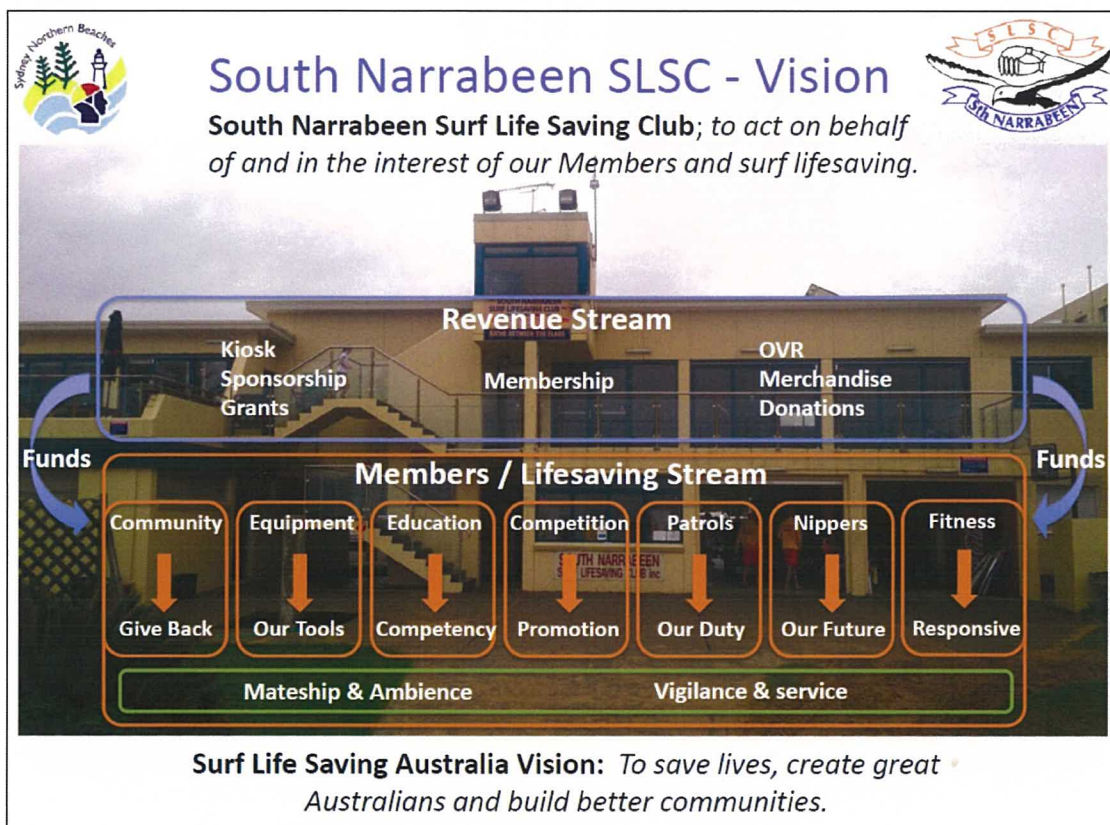

The Club Committee met 14 times from August 2013 to June 2014. Meetings are held on the 2nd Tuesday of the month at 7.30pm and all Members are welcome to attend.

It has been a privilege and I have enjoyed working on this year's Club Committee. Not only has everyone's dedication been outstanding but also their commitment to process from starting the meetings on time, contributing to resolve issues and also supporting Club initiatives. Many have put in a significant number of hours and tackled a range of complex issues.

In addition to the Club Committee there were several Sub Committees who have worked in the background offering guidance to the Club Committee in their respective areas. Namely, the Building and Development (formerly OVR) Sub Committee chaired by Life Member Tony Haven and the Memorabilia Sub Committee chaired by Patrolling Member Alan Brightman.

We have a great Club to administer and manage and it's important we do so to the benefit the majority of our Members and also ensure our Lifesaving commitments are fulfilled.

With this in mind, here is a conceptual vision of the Club showing where our income is derived from and the main areas of expenditure.

(Thanks also to Richard Dowling, Nippers Chairman, for his input.)

Registration day is always a busy time and I would like to extend my special thanks to member Thecla Haven who helped manage entering all the Registration details onto Surfguard and the continuing updates.

Finally, I would like to mention the support from Life Governor and esteemed Life Member Charles 'Chika' O'Reilly for his guidance on Club history and governance matters.

Lifesaving Report

First of all I would like to thanks and congratulate all the hard working patrolling members of South Narrabeen SLSC your community appreciates the effort. It is pleasing to announce that no lives were lost between the flags at South Narrabeen Beach.

A big thank you to all my patrol captains this season Kieran Jolley, Jake Warner, Talal Rossi, Andrew Cross, Grant Shapcott, Peter Madden, Jess Brealey, Andrew Barr, Rohan Fisher, Martin Hayward, Bec Wickens and myself. With each coordinating your individual patrol groups it makes it makes my job as Club Captain so much easier. Also thank you to the long standing and life members who pitched in and patrolled so certainly help to lighten the load.

Welcome to the new members who attained their Bronze Medallion/Cert 2 this season. I hope you enjoyed your first year of patrolling and I look forward to seeing you on the beach in years to come. Also well done to fellow Lifesavers who furthered their Lifesaving knowledge by gaining other SLSA awards. I would especially like to acknowledge Michael Tuck and Chris Gale who gained their Gold.

A big pat on the back to Patrol 4 who were awarded the Patrol of the Year. Well done to Andy Cross and his team. Patrol 6 Peter Maddens patrol was involved in a major rescue this season and they were awarded Branch, State and National Rescue of the Month and outstanding effort.

To our Club Lifesaver of the Year Jacinta Parquay you were certainly outstanding this season and the award was well deserved.

To those members that put in the extra hours on patrol I thank you on behalf of the Club for your efforts they are appreciated.

I would like to thank Tony "Torch" Haven for his support in compiling the patrols, sending out the text messages each week arranging the subs and the logging of the patrol hours each week in Surfguard. Also to Michael Rennie who ensured that we had enough fuel each week to run the IRB and ATV. To Grant Shapcott thanks for the efforts in keeping the IRBs reliable.

Last of all I would like to thank my fellow committee members who have given me help and guidance that I needed in my first year as Director of Lifesaving.

Education Report

Beautiful place South Narrabeen, blue skies, clear ocean, and lots of friendly faces sure sounds like paradise.

Firstly welcome to our new bronze medallion members and the SRC crew, congratulations and welcome to South Narrabeen SLSC and Surf Life Saving Organisation.

Thank you to all the trainers that stepped up to help train all the new Bronze and SRC members. The following members have really committed to our club training, Angie Thorpe, Jacinta Paguay, Sean Coutts and Jeff Hewes. You are all vital for the clubs growth and education which relates directly back to saving lives in and out of the water. What a true credit you are to the club and the community, thank you.

Thank you also to the IRB trainers, Grant Shapcott, Mike Renee, Troy Stephens and Brian Grundy great work guys. Hope to see you soon at winter training. Many thanks you are awesome.

We had lots of patrolling members complete all sorts of courses offered by Surf Life Saving.

Gold Medallion congratulations Chris Gale and Michael Tuck who attained their Gold Medallion this season. Our club is so very proud of you. We now have three Proficient Gold Medallion holders in the club total, fantastic work to reach such a pinnacle in Surf Life Saving. Also good luck and keep training hard those members who have committed to attain their Gold Medallion.

Additionally IRB drivers (silver medallion), IRB crews, ARTC, Basic Beach Management (silver medallion), Spinal course, Competition Official course, Competition Announcers course and Apply Advanced First Aid Huge Congratulations to everyone on attaining their awards this past season.

A Special Thanks to:

Big THANK YOU to my kids Alana for getting your ARTC and Applied First Aid, Nathaniel for getting his Applied First Aid and Club Outstanding Junior of the Year along with Imogen Deretic. Brad, Club Outstanding Cadet of the Year along with Ben Hewes and Connor Shapcott and part of the Club Patrol of the Year; I am very proud of you. Thanks for your understanding, patience and support, sure do love you.

Great to see you will be here for another term **President** Rohan Fisher who has lead from the front and continues to steer the club into a truly successful future, thank you Ro for all your support and understanding.

The **Club committee** and directors a huge thank you for all your time and dedication which continues to put our club on the right track. A job well done Rohan Fisher, Martin Hayward, Charles Longley, Shannon Hitchen, Peter Madden, Jessica Brealey, Scott Morrison, Richard Dowling and Ang Thorpe.

To our Sydney Northern Beaches **Branch President** David Murray thank you for your friendship, leadership and inspiration your terms as President were sensational thank you. You certainly will be missed.

To all the great executives and wonderful staff at **SNB Branch**; Steve McInnes, Jen Huston, Belinda Dobson, Kristen Raper, Marcial Nunura and John Taylor thank you for all your help and direction during the season. There is no doubt you all do a fantastic job that keeps all 21 clubs on track.

Bush to Beach, thank you to Ted and Pam Billet, Jack Cannon, Kim Brown, Cal Ludlow, Shannan Hitchen, Angie Thorpe and Karen Shapcott for running another great and successful Bush to Beach trip for all the kids. Well done Ted once again a wonderful success, it was a wonderful experience for the kids, the elders, all the members of South Narrabeen SLSC and people involved. It's great to be able to pass on our water safety knowledge and training to the kids here at Southy.

I know all of us at South Narrabeen SLSC wish **Kim Brown** a speedy recovery. A huge thank you Kim for helping me with all the training and events in the Ocean View Room. Thanks so much Kim.

To everyone at **SLSNSW** State office especially Phil Vanny, Claire Parry, Donna Wishart, Laura Hough, Matt Miller, Rob Pidgeon, Stacey Pidgeon, Rowena Clarke, Andrew Crow, Brent Manieri, Alix Vanny, Aimee Clarke, Steve Allan, Shane Knight and Alistair Russell a huge thank you for all your help and direction in and out of the season.

I would like to thank Tony "Torch" Haven, John Restuccia, Steve Faddy, Geoff Raper, Shannon Job, Rohan Fisher, Tracey Hare-Boyd, Kieran Menzies, Adrian "Hollywood" Hill, Richard "Alphabet" Andjelkovic, Steve Haggett, Adrienne Lowe and Chris "Wheelchair" Roberts for all your help and direction over this season.

Council Lifeguards, a huge thank you Supervisors Tim Dankin and Steve Downman. Lifeguards Brad Young, Jason Smith, Danny Sheather, Brad Meany, Josh Wall, Madison Quinn, Chris Lougher, Sean Woolnough and Heath Brown. You were all so good to work with both on the beach and in the water.

Thanks to all the people at **Narrabeen SLSC**, Chief Instructor Gordon Coburn, Trainers and Assessors Kaz, Paul, Richard, Matt, Sarah, Skye, Belinda, Club Captain Josh and North Narrabeen SLSC Chief Instructor Jason Tydeman, and Trainers Glenn Jones and Courtney Tydeman, for your help and hospitality over the season.

Massive thank you to all **our patrols** and members for keeping our beach safe. Without you taking the time to complete the training and develop your knowledge this may not have happened.

"Nick Brice Lifesaver of the Year Award" to a very outstanding winner who always helps out in all aspects of club life, Jacinta Paguay. Congratulations Jacinta, awesome a well-deserved winner. Thanks Nick for being in our lives, we do all miss you mate.

A massive congratulations to the six members, Rohan Fisher, Peter Madden, Chris Gale, Sean Coutts, Jacinta Paguay and Ang Thorpe for winning the Branch Rescue of the Month, State Rescue of the Month and National Rescue of the Month. More important saving a women's life, I am very proud of you all.

I am surprised and humbled for the club to nominate me for Branch Volunteer of The Year thank you so much. I can say I am truly honoured. I will strive to do everyone proud at South Narrabeen SLSC this year at the Branch Awards night.

We had a great opportunity from SLS NSW to take part in the water safety for a new nipper program at the new water fun park out west called **Wet'N'Wild**. We had lots of our members take part from the boaties through to our SRC groups.

Thank you all for your help it was fun and great to share our knowledge and enthusiasm with all the 300 kids who took part.

South Narrabeen SLSC and Fox TV. Our club was asked to design and run an ocean challenge for a program called "Maximus". This was a reality show for amateur boxers who completed several physical challenges all over Sydney. A lot of our SRC and other patrolling members gave up their time which made the day a fantastic success. Southy turned on the weather, ideal surf and a cracker of an ocean challenge which made our beach and club shine. The clubs picked up \$1000-00 donation for our efforts.

Thank you also to the committee for the opportunity to go to the leadership course. It was very inspirational and certainly was a worthwhile time with lots of ideas, thoughts and solutions to utilize.

I will be holding a meeting at the club during winter to talk to anyone keen on **training and competing** for South Narrabeen SLSC in any of the Branch, State or Aussie events in anything they want next season. There are some fantastic team events; it is certainly an awesome experience just being there.

Our proud Statistic "No Lives Lost" this season is due to the successful work done by all our patrolling members, well done to all at South Narrabeen Surf Life Saving Club.

See you in the salt water.

Sponsorship and Marketing Report

The sponsorship report from last season could be copied and pasted for this season given our terrific ongoing relationships with our current sponsors.

Our major sponsor, **The Sands Hotel**, have been very supportive of our surf club over the past two seasons, their financial support is crucial to the club and its ongoing success. We have built a great relationship with the Sands, the rowers enjoy going back to the hotel after carnivals, we have held several committee meetings at the hotel and plan to hold some more events in the upcoming season.

The Hotel Licensee, **Clint Brown**, is committed to being a strong member of the local community where the hotel operates and is always inquisitive about the clubs progress and happenings throughout the summer months.

I encourage all members to get down to the Sands for refreshment or nice lunch or dinner, the food at the Hotel is excellent and the surroundings are modern and accommodating.

We are currently in talks to extend out sponsorship agreement with the Sands for another two years, which we hope to have finalised before the upcoming AGM.

In conjunction with the Sands we hope to be able to announce some exciting benefits for club members for the new season.

We also continue to receive ongoing support from **Simon at MS Interiors**. This company has provided financial assistance to the club for the past four or five years and has continued to be generous far and beyond what has ever been agreed to. The rowers have a brand new tent for their surf carnivals thanks to MS Interiors as well as modern rowing equipment, which can be upgraded thanks to the commitment from Simon and his company.

If you are in the market for new home interiors, office fit outs, re-doing a kitchen, don't hesitate to give Simon a call, his work is first class.

Nigel Wickens has also continued his great support of the club, which is now into its third year. Not only are they great sponsors they also contribute heavily in other ways to our club. Nigel completes patrols, competes for the club in surfing events and is always around the club to help out. It's a Wicken's family affair at the club, with daughter Bec now an accomplished, experienced rower and a great influence on her peers and son Matt rows in our junior crew and is developing into an excellent rower himself.

Nigel has recently renamed his business to "**Signature Blinds**" – same office, same great product and service. For all your timber shutters and blind needs speak to Nigel, if you can catch him out of the surf.

We were lucky enough to welcome two new sponsors to the boat fraternity this season. **KONE** supported the Stingers with a new set of rowing oars, which was greatly appreciated. **ATHLETICS 8** supported the Wood Ducks with a new set of oars and also supplied some of our team with great training equipment.

We continued with our usual fund raising efforts such as the Pub to Pub fun run. As usual we have been very lucky to receive very generous financial support from old members, members of the community and local clubs such as the Serviceman's Club at Collaroy. Their support is very much appreciated and assists in purchasing vital life saving equipment each season, which included a new IRB.

Thanks also to Rohan for your continued support with our sponsors.

Scott Morrison

Director of Sponsorship and Marketing

Sponsors 2013/2014

South Narrabeen Surf Lifesaving Club would like to thank the following sponsors who have assisted our club from a National, State and Branch level.

DHL a National Major Partner of Surf Life Saving and for their significant uniform sponsorship, enabling uniforms to be provided free of charge to patrolling lifesavers.

Telstra as a National Major Partner and for their support across the SMS system that we utilised through SurfComm.

Volley for double plug thongs for our patrolling members.

Stramit for allowing our members to attend the Awards of Excellence

ClubsNSW for their support of the NSW State Championships

Surf Life Saving NSW distributed \$6,311 through the state-wide Raffle and Guardians of the Surf fundraising programs to compliant/affiliated Clubs and Branches in December last year. This brings the total distribution per entity to more than \$30,000 over the past five years.

We thank **Surf Life Saving NSW** and the **Surf Life Saving Foundation** for conducting fundraising on behalf of our club. By conducting fundraising on behalf of our club, it frees up time, particularly for our members, to focus their time on lifesaving activities, rather than on fundraising duties.

SURF LIFE SAVING
NEW SOUTH WALES

The generous support of the **general public** and our **donors** is greatly appreciated, because without their purchase of raffle tickets or making donations, Surf Life Saving NSW would not be able to distribute money to our club and others each year.

State Government Recognition:

- **NSW Government's Ministry for Police and Emergency Services** for the ongoing funding of state-wide operations, which benefit all members through our cooperative agreement.

NSW Government's Ministry for Police and Emergency Services, for the targeted funding through the 'Enhanced Rescue Capabilities Grant', which has enabled support operations and services to be extended and for black spot locations to be targeted. In addition, with this funding, the Lifesaving Gear and equipment (previously known as \$ for \$ grant) has doubled so clubs and branches can purchase necessary rescue equipment. This funding has also been used to facilitate lifesavers from city and regional clubs to participate in the Lifesaving Exchange Program and covers the cost of the state-wide radio network, along with the provision of duty officer training and support.

Finance Report

It gives me great pleasure to present the financial statements of South Narrabeen SLSC for the year ended 30th April 2014.

Financial Summary

The Club has posted a steady surplus for the year of \$28,321.85 before depreciation, this is despite a noticeable easing in sponsorships and donations as businesses and individuals become more prudent in the current economic environment.

Financial highlights for the year appearing in this year's results are:

Capital Investments Plant and Equipment - \$33,936.69. Previous Year \$30,070.81

This year the Committee continued to invest heavily into the future of the Club and its members. The areas where investment occurred were, Life saving \$4,736, Gym \$1,631, Competition \$8,339, Leasehold Improvements \$19,230.

Donations, Grants and Gifts – \$42,455.03. Previous Year \$47,641.70

The generous support of our sponsors must again be recognised, particularly the Sands Hotel, Gotcha Covered, M.S. Interiors, Minister for Police and Emergency Services, SLS NSW for the continued support in running the state-wide Raffle and Guardians of the Surf fundraising programs, Warringah Council.

Continued thanks must also go to the private individuals, businesses and organisations who made donations and in-kind sponsorships during the year. If I can refer you to the Profit and Loss notes for the list of names.

A special thank you to Martin Thompson of Wong and Mayes Chartered Accountants for auditing our accounts and Bob Buckingham of Alan Hall Business Advisers for their assistance with the ATO and accounting advice.

Changes in Accounting

In an endeavour to respond to the feedback from the general members at last year's AGM an opportunity arose for the Club to increase its income whilst utilising the assets of the Club.

On the 12th January we registered the company of "S.N. Jaffa Pty Ltd" trading as the "Terrazza Beach Cafe". The sole purpose of the company is to run a kiosk /cafe business which would be at arm's length, from the running of the Surf Life Saving business. The company has two directors and one shareholder (SNSLSC) it is registered for GST and is a subsidiary of SN. It's run by two members of the Club to which there is a Management Agreement in place. Council has inspected the premises issued permits to allow trading. Further, the setting up of the business has gone through a consultative process with Chartered Accountants, Alan Hall and Partners.

As you can see from the consolidated accounts it is still in its infancy and there are issues to be resolved, but on the whole the Committee is confident of it being a success and a wonderful asset for the Club and the community.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2014

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose report prepared in order to satisfy the financial reporting requirements of the Association Incorporation Act 2009 (NSW) and the Associations Incorporation regulation 2010. The committee has determined that the Club is not a reporting entity.

The financial report has been prepared in accordance with the following Australian Accounting Standards:

AASB 1031 Materiality

AASB 110 Events after the Balance Sheet Date

No other Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

NOTE 2 CASH

Cash and Cash Equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturity of six months or less.

NOTE 6 CHARITABLE STATUS REGISTRATIONS

Australian Taxation Office:

The Club is endorsed as a public benevolent institution thereby conferring Income Tax Exempt and Deductible Gift Recipient status

Charitable Fundraising Act 1991:

The Club holds a fundraising authority (authority issued to Surf Life Saving New South Wales Inc).

NOTE 7 REVENUE AND OTHER INCOME

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue

The net income from fundraising events and activities has been included in income for the year to assist with the comparison of the financial results from year to year.

NOTE 8 GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
SOUTH NARRABEEN SURF LIFE SAVING CLUB INC & CONTROLLED ENTITY
ABN 90 853 268 642**

Scope

We have audited the attached Financial Report comprising the Balance Sheet, Income & Expenditure Statement and Notes to the Accounts of South Narrabeen Surf Life Saving Club Inc and Controlled Entity for the year ended 30 April 2014.

The Committee is responsible for the Financial Report and have determined that the accounting policies defined in Note 1 are appropriate to meet the requirements of the:-

- (a) Associations Incorporation Act of NSW
- (b) Members of the South Narrabeen Surf Life Saving Club Inc.

We have conducted an independent audit of the Financial Report in order to express an opinion on it to the members of South Narrabeen Surf Life Saving Club Inc. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The Financial Report has been prepared for the purpose of fulfilling the requirements of both the Associations Incorporation Act and the Club's Constitution. We disclaim any assumption of responsibility for any reliance on this Report or on the Financial Report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Financial Report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 to the Financial Statements. These policies do not require the application of all Accounting Standards and other professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the:-

- (a) Financial Report presents fairly in accordance with the accounting policies

../2

Clubhouse Report

This has been another great successful season at South Narrabeen. Once again we have seen the club progress further with improvements to the building following long term plans. The area we have available has been utilised by the members to its full potential and it looks like we are running out of usable space to cater for our ever increasing membership. There has been a lot of effort in the gym to get it set up and the results are fantastic, as soon as we build the western storage room we will be able to extend the gym creating more room.

The Ocean View Room Committee has done a wonderful job organising the kiosk which is not only a great asset for the club, it has proved to be something that the entire community can utilise and has provided a much needed revenue stream for the club. They have also restructured the management of the Ocean View Room which has proven successful with an immediate financial gain for the club, the Ocean View Room Committee has also given recommendations to the committee for improvements to the first floor area.

There were a few members willing to volunteer their time over the season to help with building projects around the club, I would like to thank everyone who helped out as most of your efforts go unrecognised and unrewarded, one member in particular that has done a lot of work in the background is Mick Haven, I'm sure we all appreciate the countless hours that Mick has put in this season making repairs and improvements throughout the club. I would also like to thank the rowers who have done a great job in keeping the boat area clean, the boat area has always been a bit of a sore point with the lack of storage space and this year in particular they have made a great effort in making sure that the equipment is put away properly.

During the off season we will be doing some work around the club which will include upgrading the main kitchen and constructing the store room on the western balcony area, part of the store room area will eventually house the lift to give access from the ground floor to the first floor, the lift is being funded by Warringah Council and the delay in it being installed is due to Warringah Council not being able to fund the installation. Hopefully they will have enough money next financial year and we can get the lift that we have been waiting for over the past four years.

Other work that we are looking at is a members area on the western balcony, Gymnasium extension, Members BBQ Area, Kiosk balcony awning, Eastern balcony awning, Level and returf lawn area (N/E side). Funding for some work is immediately available from Government grants that we have received and other work will be approved when funds are available. Hopefully over the next few seasons we don't lose the momentum we have seen over the past years and continue to create a club that is beneficial to all members and the community.

Building and Development Report

As our Surf Club increases membership the cost of running the Surf Club increases. These increases in the running of the Surf Club include electricity, repairs and maintenance of the building, insurance, lifesaving awards and surf sports to name a few. The Surf Club committee did not want raise membership fees as they are well aware the time our volunteers put into the Surf Club.

This season in an effort to diversify and increase income streams to help relieve some of these costs the Surf Club Committee appointed a committee to manage the 1st Floor of the surf club this includes the club room and the Ocean View Room.

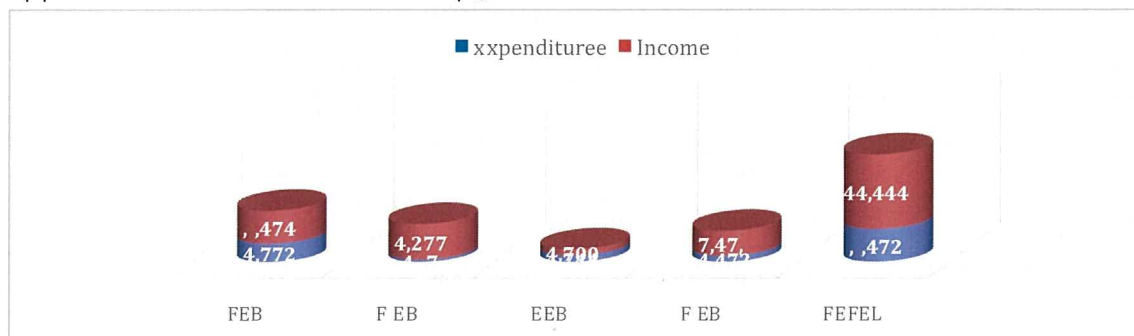

The 1st Floor committee made a number of strategic recommendations to the club committee to assist in raising the profitability of the 1st floor. The recommendations are divided up into short and long term business strategies.

The short term business strategies are focused on lowering the expenditure and maintaining the income of the Ocean View Room. These short term strategies included using more volunteers in managing the Ocean View Room contracting the cleaning to a professional cleaner, reducing stock levels, upgrading the beach side of the club grassed area to encourage members of our local community to use the area.

Long term business strategies are focused on increasing the clubs income for the future of the club. Building the store room and training room, upgrade the kitchen including a new exhaust system, hand washing facility, and upgrade the grease arrestor and renovating the club room into the Terrazza Café to diversify our income streams and encourage our local community to use the facility and to help increase membership.

The business model used for the Café is standard business practise that is used by a number of Surf Clubs on the Northern Beaches and it allows the Café to operate focused on increasing business. The 1st Floor committee has been working with Warringah Council and the Council inspected the premises and issued a certificate of compliance with the Food Standards Code and Food Act 2003 to operate also we have Development Application with council to further upgrade the Café.

It has been fantastic to see the increase in community use of South Narrabeen SLSC; this is intangible, it is extremely positive and helps our Club become more profitable.

Surf Sports Report

Six boat crews – 26 rowers – without doubt our largest group of competitive rowers representing South Narrabeen if not ever for at least a very long time. Lots of hard training and many trips to surf carnivals all over the country made this a very busy season.

We had crews competing in the Open Woman's (Stingers), Open Reserves (Smokey's), U/23 Men (Wood Ducks and Prowlers), U/23 Woman (Shovels), U/19 Men (Streakers). With some most crews being very competitive on a weekly basis.

Our great sponsors were on board again this year – The Sands Hotel (Clint) – MS Interiors (Simon) and Signature Blinds and Shutters (Nigel). Their support is greatly appreciated and long may it continue. We also need to thank Kone and Athletics 8 who supported two of our crews in the purchase of two new sets of oars.

The first carnival of the year was in Surfers paradise and the last carnival of the year, being the Australian Titles, were held in Perth, so we truly travelled all over the country to compete this year, a lot of the time at our own cost.

Not only do the rowers compete and train in their spare time, they are also required to complete numerous patrols throughout the season. The rowing group are an integral part of the competitive side of the club but also dedicated surf lifesavers, which is a credit to all of you.

There were numerous highlights during the year however the two that stand out are; For the first time South Narrabeen were able to enter a boat relay (Junior Crew / Female Crew / Mens Crew) at the Branch

Championships where we finished a very credible fourth in the final against much larger clubs. An excellent result for the club and well done to the Streakers, Stingers and Smokey's for their efforts.

The second highlight was seeing three of our six crews rowing on the Sunday at the Australian titles. Many clubs were lucky to have one crew get through to the Sunday, to have three was a fantastic effort. All three crews making then last 12 in the country from some quality fields. Well done Shovels, Streakers and Smokey's!!

There are three awards given out each year at the club for competition excellence;

Rowers Rower was awarded to Sarah Bojko and Bec Wickens who received equal votes from their peers, well done girls.

Crew of the year – Shovels – very consistent in the big carnivals and made the last 8 or 12 at the Aussies, State and ASRL – well done girls and Micka.

Below is a quick wrap on each crew:

The Stingers (Open Woman) (Em, Jess, Steph and Ash – sweep Mick) – a very committed crew who love their training and love their surfboats, some quality results in the fastest woman's division on the water. A great bunch of ladies who are fun to be around and lift the whole team on tour. They have a big year ahead of them next season, with off season training in full flight. The girls are also looking for an Ocean Thunder sponsor so if you are keen to get on board with these girls contact Micka at the club.

Smokeys - (Nick, Scott, Sean and Dave – sweep Moose) made every final before Christmas and had some tough luck at ASRL. Rowed in a lake at State which did not suit, but in Perth when the wind came up they really took their chance rowing six times on the Saturday to make the last 12 in the country. A great addition to the club, welcome Nick, Sean and Scotty and let's hope we see you sticking around next season.

Wood Ducks – (Kieran, Mat, Heath and Lloyd, sweep Moose) had an inconsistent year, making some finals, but not really reaching the heights we were hoping for this season. I have been lucky enough to sweep

these boys for the past four years and have got to know them very well, they are all leaving us at the end of this season and taking some new journeys in their lives. Thanks for letting me be part of it lads, I will miss you all, and hopefully one day we will be back in a boat together.

Prowlers (Lachie, Jake, Rob and Kelvin and Michael – sweep Mick) some loose cannons in this group, great tourists who are always the life of the party but always on the beach to help out too. Tough year for these boys, first year in colts, but they grew as a crew and will be better for the experience next season.

Shovels (Bec, Tash, Tara and Sarah, sweep Mick) again two new additions to the club in Tash and Tara and didn't they fit in well, like a hand to a glove. These girls rowed great all year, reaching most finals and grabbing a few medals at Branch and Pacific Palms along the way. Bec is off OS for a year or two so travel safe Bec and to the others girls I hope we see you back next season.

Streakers (Michael, Zac, Scott and lachie – sweeps Micka) A massive Junior crew who made the last 8 at state and last 12 at Aussies – may be could have gone further in Perth with their best row being good enough to make the final when produced. Mick did a great job developing these lads and they will make a very strong colts crew if they stick together. Another crew who don't mind mixing it on tour. In fact you could say that about all crews.

A special thanks to Torch and Thec Haven who continue to travel the country assisting as carnival officials. Torch was again the Head Referee at this years' Australian Titles which is a terrific honour.

Mick Haven is the best boat captain I have ever worked with. He puts in a massive amount of time down the club and the gym is a direct result of his efforts. Sweeping four crews is not easy however Mick did it on his own with some of his crews developing really well. Thanks Micka for all your efforts!!!

This will be the last annual report for me as I am not standing next season nor competing as a sweep (may be a sneaky masters crew). I have been lucky enough to be involved in this great sport since 1987 (as soon as I was out of cadets I wanted to row) and have met many fantastic people along the way, shared the highs and lows of the sport, and enjoyed every minute of it. I would like to thank all of the rowers I have had the pleasure of sharing a boat with, it has been a great ride and I wish the crews going around next season all the best.

Lastly a big thank you to my beautiful wife Sara who gives me a summer leave pass to train and compete in this great sport and my kids Jake, Josh and Paris, the last two love their rides in the boat on the lake.

See you on the beach

Junior Activities Report

South Narrabeen Nippers again had a good year with a lot of fun had by all on the sand and in the water. With a small increase in numbers on last year, we look forward to further increasing numbers as we move into next season. There was particularly strong representation from the younger age groups, providing a good balance of enough nippers to give some great competition. It is also very pleasing to see a number of new nipper families.

At the beginning to the season the nipper's committee established a number of key objectives for the current and future seasons (2-3year vision). These were to:

Continue to grow the nipper community,

Build on the success of the SRC / cadet programs established in previous years,

Continue the focus on water based activities and skills,

Surf and beach education,

Encourage more parent involvement, and

Have a heap of fun with our kids!

The 2013/14 summer provided us with many sunny Sundays. I cannot remember a rained out nippers morning, with most weekends providing the opportunity to get the Nippers into the water, whether it be on a board, swimming or building confidence in the surf.

We also had a number of Standout performances at the carnivals throughout the season, with Ben Hewes picking up 1st place in the

U14 boys flags at the Queenscliff Carnival. Conor Morton and Luke Hewes also consistently finished in the top 10 for the U14 Swim and U9 Board events respectively. A number of our Girls also competed in all carnivals, with consistent results. A big shout out to Isabelle Hewes, Lara Morton, Ellie Morton, Neve Clancy, Maddie Clancy, Jessica Tallentire, and Jemima Dowling.

In keeping with our objective to have heaps of fun, we continued on with our annual social events, including Halloween, Christmas Parties, the final nippers of the year the annual muck up day and parent events.

Nippers ran very smoothly this year, due to the hard work of the nippers parents. We had age managers in most of the age groups, and when required parents willing to step up with minimum fuss. The key for us was that a large number of people did their bit, which

made it enjoyable for all. In particular I would like to thank Jeff and Mandy Hewes (with Andy Cross) for their continued focus on Youth Development (SRCs and Cadets). For making the Beach / Water activities possible and safe, I extend my thanks to Grant, Troy, Scott, Michelle, Ratna and Sarah. To Mary, Kate, Jackie and Silvana, Nippers just wouldn't function without all the behinds the scenes hard work and contributions you have provided.

A Sunday morning on the beach just wouldn't be complete without a BBQ'd bacon and egg roll. The 2013/14 season saw the opening of the nippers kiosk, including BBQ, Ice creams and cool drinks. Not only providing a valuable service to hungry Nippers, the proceeds of the Nippers Kiosk go back into help the club provide the require nippers equipment and upkeep. All this would not have been possible, without the motivation and dedication of Karen Shapcott. I would also like to extend my thanks to Brad Morton for his running of the BBQ each and every week.

I look forward to the coming season, to build upon our 2013/14 successes. See you on the beach.

Bush to Beach 2014

The Club and all of its members' should be proud of putting on one of the best B2B weekends ever in 2014. The way the community, members from the Variety Club, all of our sponsors and supporters worked hard to make this weekend possible was truly remarkable.

Our funds were looking very grim this year however Jack Cannons was successful in acquiring the funds for the bus to transport our Brewarrina friends to Narrabeen, and after that the rest of the planning and organising fell into place.

40 Aboriginal children from Brewarrina and surrounding towns arrived for their 9th year of which for many it was their first time at the beach. Brewarrina was/is still in drought and the Brewarrina Shire had experienced a month long temperature readings of no less than 40 degrees so the welcome cool ocean currents were well received by the 'bush kids'.

The temporary kitchen outside of the nippers room was a master stroke and it made preparing the 600 meals a lot easier. Peter Clarke and Brett Picknell organised all of the breakfasts and numerous other people assisted with the other meals.

Manly Surf School did a great job again this year and with Greg Inglis from South Sydney Rabbitohs (Rugby League) in attendance it seemed to be a perfect fit. The children had a great day surfing with Greg, boogie boarding and later in the day visited the Manly Water Works. Saturday night was again a great night with Bronwyn Bishop M.P, Michael Regan and many other great people in attendance and this made it a special night for all concerned. Peter Madden, Ken Passmore again prepared a great meal for about 120 people and the time just flew.

Due to the rough sea conditions the beach was closed all day Sunday but there were again the beach races etc competing with and against the nippers. The 'bush kids' were given a refresher on CPR by Sean and Jacinta and these skills will hold them in great stead. Sunday night was pizza night and everyone was exhausted by this stage but kept going with singing and dancing with the aid of the Karaoke machine.

I want to thank again the organizing committee including, Kim Brown, Cal Smythe, Peter Madden, Ken Passmore, Di Passmore, Pam Billett, Brett Picknell and Jack Cannons from the Variety Club who works tirelessly as ever to assist disadvantaged and unwell children.

This event seemed to pull all sections of the club together such as, the nippers and their parents, boaties, Life Members, community members, Warringah Lifeguards to ensure all of the children have a safe and enjoyable weekend.

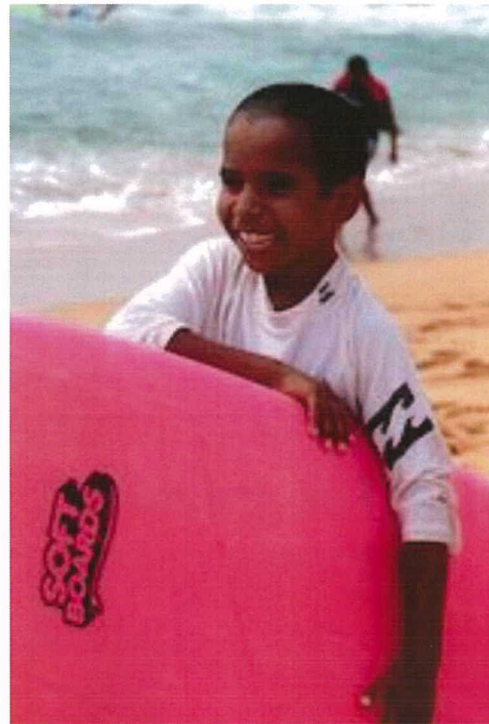

A big thank you to all of our Sponsors and to the people who worked hard to attract the Sponsors to the weekend and without their commitment this event would not have taken place. Thanks for the support from the Committee and we are looking forward to next year, which will be our 10th year.

Les and Joyce Doole (Elders from Brewarrina) can't believe what a great weekend the club puts on and how everyone works together to look after each other.

South Narrabeen in the News

South Narrabeen SLSC president Rohan Fisher.

A SOUTH Narrabeen Surf Life Saving Club program that gives indigenous Australians the chance to learn surf awareness skills has received an \$8450 grant.

The Commonwealth Bank recently announced the club, along with several other northern beaches groups and organisations, would receive the grant under its 2014 Commonwealth Bank Community Grants program.

The Bush to Beach program, which will be run for the 10th year in a row next January, sees about 40 schoolchildren from the remote NSW town of Brewar-

rina travel to South Narrabeen for the weekend.

Club president Rohan Fisher said the grant will help ensure the weekend's future for the next few years.

"It's a very special event for us," Mr Fisher said.

"This grant given to us makes the weekend happen without stress."

For many of the children that take part in the program it's the first time that they have ever been to the beach.

Among the activities the children take part in are a surfing lesson, nipper and water safety program and a reef care lesson.

SOUTH NARRABEEN

Trip will be splash hit

By Kay

FROM the bush to the beach, 40 schoolchildren will travel from the remote NSW town of Brewarrina to South Narrabeen next week.

For the past eight years, South Narrabeen Surf Life Saving Club has hosted indigenous Australians from Brewarrina - many of them have never seen the ocean.

For the club, it's an opportunity for them to give the children a taste of beach culture through the initiative, known as Bush to Beach.

While here, between next Friday and the following Monday, the children will participate in the club's Sunday nipper program and also get a surf education lesson.

They will also get the chance to surf, through Manly Surf School.

Club president Rohan Fisher said the initiative was a great way to give the children the chance to do something new.

"For us it's about giving them an opportunity to experience what we experience on a daily basis. When we get out of the swimming pool, they get to surf for the first time and experience a different world."

Each year different children are selected from the region to go on the trip.

They are chosen based on a selection criteria that includes full attendance at school and not getting in trouble.

Mr Fisher said funding from Emergency Services

Bodie Ann-Brown and Chloe Wright of Brewarrina at South Narrabeen last year.

Photo: THE MANLY DAILY

Minister Michael Golluchner assured the children could be housed down and back from their home.

They will stay at the clubhouse while at South Narrabeen.

The trip to South Narrabeen SLSC will see about 1000 meals being served and about 200 hours of voluntary work provided.

SOUTH NARRABEEN

Only the fittest can go for gold

By Kay

ARE you a northern beaches clubbie who can get through an 800m swim inside 14 minutes?

Can you then do a 400m swim, 800m run, a 600m board paddle and another 800m run inside 15 minutes, at a later date?

Along with a board rescue and tube rescue challenge as well, these are the requirements for clubbies to earn their Gold Medalion certificate - surf lifesaving's top award.

A seminar will be held at South Narrabeen Surf Life Saving Club tomorrow for clubbies interested in accepting the assessment.

South Narrabeen SLSC's Andy Cross, last year's NSW Lifesaver of the Year, is hosting the event and talking everybody along.

"The idea behind the Gold Medalion is that because it's a part of advanced surf lifesaving you can (for example) get dropped off on a beach and look after all the swimmers on the beach," Mr Cross said.

"You have to be able to have the fitness level and skill level to rescue them, restrain them if necessary, and look after the beach on your own."

NSW Lifesaver of the Year Andy Cross is hosting a seminar on the Gold Medalion certificate.

SHINE ON

Top clubbies - including Ironman, Kendrick, Leon, Mitchell, Tim and Nick Carroll - will be on hand to offer fitness tips.

Mr Cross said those who be dismissed when people can arrange the assessment next year.
