

96th ANNUAL REPORT

2018/2019 season

South Narrabeen SLSC is one of the 129 Surf Life Saving Club's along the NSW coastline. Whilst our coastline is beautiful and dynamic, it is a sometimes dangerous place.

The primary role of our volunteers is to save lives on our beach and protect beach-goers on weekends and public holidays each season (September-April)

Thank you to all of our members for your contribution to the success of this season.

PRESIDENT'S REPORT

We have had a great season and on any fine day South Narrabeen can be one of the best locations on the East coast. The hot dry summer has increased beach attendance and there were fewer large surf days where the beach had to be closed. Additionally, the café, sand, new seating and grassed areas have all combined to create a positive vibe around the Club.

We have fulfilled our Lifesaving commitment with another year of 'No lives lost'. Whilst our patrol numbers are slightly lower over last season we contributed more hours patrolling the beach. We are indebted to the 7 patrol teams, and to each member of our patrols teams and on behalf of your Club and Community I would like to say thank you for a job well done.

It was especially pleasing to see our beach 'return' to normal after nearly 2 years of disruption. We are grateful to Council for depositing many tons of sand mined from the Lagoon and their engineers created the correct sloping profile for the beach to be retained.

Club membership was 208 members and we had 71 Nippers registered. Thanks everyone on our Nippers Committee for their hard work in making South Narrabeen such a welcoming, safe and inclusive Club to be a part of.

We welcomed back the 'Bush to South Narrabeen Beach' program. The 3 days in January went like clockwork thanks to many months of planning and fantastic beach and weather conditions. The event attracted a lot of media interest for the children and I would like to thank all the many volunteers who participated to achieving this success.

This season I was involved in a number of Committees to further the Club's development and I thank all the Members who contributed so much of their time to the various tasks.

Honours and Awards Sub Committee

Met once to consider nominations for Life Membership, Honour Blazer and Distinguished Service. It's a an honour to be able to recognise Members who have and continued to offer support to our Club. Nominations were made for review .

Congratulations to Simon Learmonth who is the recipients of an Honour Blazer.

PRESIDENT'S REPORT

Building Sub Committee:

This Sub Committee has again worked tirelessly, in particular Life Member Tony Haven AM and Distinguished Member Charles Longley have spent many hours in the continued upgrade of our building. And now 3 out of 4 major building works projects have progressed to final approval by Council and funding has been secured.

- Approved: Modifications to install a new lift and reconfigure the front of the building
- Approved: Development Application for the Education room/ Stairs/ OVR Awning.
- Approved: Carpark upgrade & Club house repainting

Additionally we have opened discussions with the Council on the 4th building project, that of the redevelopment of the Council toilet block to redesign this space and offer the Club modern toilet facilities and additional Club storage.

Further, we have held talks with Council's Environment team on the construct and landscaping of the proposed Collaroy / North Narrabeen sea wall.

Club Committee:

Your Club Committee consists of dedicated Members who help guide the Club through Lifesaving, Financial, Legal, Building and many, many other matters.

This season we were not able to fulfil the roles of Director of Surf Sports & Director of Member Services. While this is not a satisfactory position to be in it has meant that our smaller Team has needed to work harder to achieve a similar result .

We welcomed Jean Walsh to our team as our OVR manager, Bar manager and Administrative assistant. Jean is a successful businesswoman with a long history in Surf Lifesaving and has contributed to our overall result this season.

Our first priority is to fulfil our lifesaving commitment and I am grateful to Life Member **Sarah Oaten** as the Director of Lifesaving and Patrol Captain for her hard work this season .Additionally, Sarah again could be relied upon for managing the website, Jaffa, Jiffy Jaffa, events planning, decorating and State & Branch administration.

PRESIDENT'S REPORT

Club Committee—Continued:

- **Charles Longley**, Director of Finance has again provided the fiscal stewardship required to run the Club. However, after 10 years on the Committee, Charles is unfortunately standing down. The Club is indebted to his service not only on financial matters but on a really wide range of other significant topics. Thanks, Charles, for all you have done.
- **Richard Dowling**, Director of Administration and Patrol Captain, contribution has again been significant. From organising strategic planning sessions to Club Secretary and administration of the Committee. Richard has continually supported and led many projects this season.
- **Jake Warner**, Director of Education and Vice Patrol Captain in addition to his Patrol commitments spent many hours guiding SLS course participants through their paces and has done an outstanding job in the training role receiving. This season he ran 2 Bronze courses and successfully trained ?? new Bronze holders. Unfortunately, Jake has decided to stand down from the Instructor's role next season. Thanks Jake, great job.
- **Ratna Selvaratnam**, As Nippers Chairman Ratna as embraced his new role and played a vital part in the Club by training our future Patrollers.
- **Ken Passmore**, Independent Director for Grants and Sponsorship and Patroller returned once again to the Committee again after a few years absence and assisted in securing funding for the Club and B2B.
- **Mark 'Boof' Dimento**, Life Member and Independent Director, thanks for your continued input.

I would also like to thank Life Member Tony Haven AM, in addition to his work on the Building Committee, for his continued contribution to the Committee and counsel on SLISA.

Finance:

I am pleased to report that your Club Committee achieved another positive financial position this season. Our income was reasonable, and expenses were steady. Importantly we have secured a lot of funding and Council commitments for the Building work we are undertaking to avoid using our savings.

As Club membership fees only contribute 10% to our income stream so we need to constantly secure income from a variety of sources. Namely equipment grants, The OVR hiring and in particular the Cabana Café. Katia and Tim, in little more than a year have gained considerable recognition and fantastic reviews for their food, coffee, salsa nights and friendly service.

Additionally Club events provide much needed funds: The Club Golf day in March now in its 4th year was another perfect day and a success and we thank Sarah and Matt Oaten for organising this.

PRESIDENT'S REPORT

Sponsorship:

To our main Club Sponsors we are very grateful for your ongoing support

- Design Build Project Services
- Molly's Cradles wines
- CommunicATe
- Vibe Electrical
- Reilly & Sons Food Services

Additionally, I acknowledge the following sponsors and supporters of SNB Branch whose financial contributions are important to the running of the Branch and our Clubs:

- | | |
|----------------------------|---------------------------|
| • ICMS | • Manly Daily |
| • Streets | • Bennett Boards |
| • Westfield Warringah Mall | • Entertainment Book |

Grants

We have finally been successful with securing some major grants . In particular SLS Facilities Grant which will contribute to the Stairs and Education room building works.

Additionally, the Club facilitated in securing the following grants and donations (including grants for B2B event):

- Brewarrina Shire Council
- Transport NSW
- FRRR
- Northern Beaches Council

PRESIDENT'S REPORT

Patrols:

The Club is indebted to our 7 Patrols who were rostered on for full day patrols. The Patrol Captain's leadership, teamwork, dedication and water skills were essential in keeping the beach safe and proudly represented the Club each weekend. To Richard Dowling, Sam Warner, Grant Shapcott, Peter Madden, Sarah Oaten, Simon Learmonth and James Ryburn and o a special mention to Member Warwick Blackman for the many hours he works in the control room at Surfcom, well done to all you guys.

A special mention goes to Thecla Haven, who provides much needed clerical support with Surfguard and compliance.

Also to Brian Grundy, First Aid Officer and Grant Shapcott IRB Captain, Mike Rennie Fuel officer, Andrew Irving Gear Steward, Brian Grundy and Mike Rennie, again, for IRB training support to Grant a big thanks .

We were saddened by the passing of Steve "The Beaver" Reilly. Steve has been a major sponsor of the Club for many years. He was a generous supporter of Surf Lifesaving and he will be sadly missed.

The President's award this year goes to Life Member Sarah Oaten. Thankyou Sarah for your continued support at the Club , Branch and Sub Committees the amount of work that you do each season is significant. In particular: the hours on Patrol and your organisation of all the Patrollers. Successfully taking responsibility and managing the multi club Patrolling support over the B2B weekend. Managing an ever growing list of SLS compliance requirements. And lastly your willingness to participate and contribute in all Club activities and your Commitment to the Club and its future is greatly appreciated.

Finally to all our volunteers from the Patrolling members, the Nipper Committee, parents , Club Committee , Sub Committees, B2B Team, and Friends of South Narrabeen , I thank you for your dedication and support this season. We have together served our community well by keeping them safe and I look forward to seeing you again in September for the start of 2019/20 season with our new upgraded Club.

CLUB HONOURS

Honour Blazer Simon Learmonth

Simon has been an active member commencing 1/10/96 and he gained his bronze medallion on the 09/02/97. As a junior he competed in Surf Boats but his main focus is Lifesaving.

Simon excelled in his commitment to Lifesaving from the first season he joined South Narrabeen. Especially during the years of low membership as the former Club Captain Sarah Haven stated, Simon was her “go to man” when the patrols were short.

Simon has been an outstanding member for South Narrabeen SLSC with his attitude to patrolling and he is what our movement is about “saving lives”.

He has always been a willing to go that extra yard for the club at clean up days, club functions and fund raising events.

Life Member Thecla Haven

As outlined in Thecla’s record it is both Distinguished and Sustained and is deserved of Life Membership of SLSSNB. Thecla joined South Narrabeen SLSC in 1989. She is a founding member of the Clubs Nipper Committee taking on the role of Secretary, Social Secretary and Handicapper. She was very influential in the establishment of the Nippers at our club working diligently at recruiting and increasing the Nipper membership.

When Thecla’s children joined the senior club she became a Level 1 Surf Sports Official. Her passion is the Surf Boat area where her three children and husband compete. She has been a recorder in the Boat Area since 1996 at the Branch, State, National and World Championships.

During the period 1995 to 2003 Thecla worked at the Branch Office on voluntary basis assisting the Branch CEO by answering the phones, collating carnivals entries and other office duties to assist the smooth operation of the Branch .

CLUB HONOURS

Life Member Michael Haven

Michael has been a member of the South Narrabeen SLSC commencing in 1989 when he joined in the first nippers group gaining his SRC 08/11/98, followed by his bronze medallion on 31/11/2000.

Michael has many other awards including Radio Operator, IRB Driver, IRB Crew, ARTC and De-fibrillation Certificate. Michael commenced patrols at South Narrabeen SLSC and also as a surf com operator in 1998 he also has patrolled every season since 1998 with his patrols hours in excess of 40 hours each season. Michael has been very diligent patrolling especially during the period of the early 2000's when the club only had a membership in the low 30's. It was common practice in the early 2000 when the patrols were short to call the Havens to come down and make up the numbers and Michael was often on patrol every weekend.

Michael is a level 1 Coach and he is the Senior Coach at South Narrabeen SLSC. He has been our coach for 6 years. During the 2000's rebuilt the gym on two occasions, help build the new first aid and patrol rooms. He was also the club maintenance carpenter repairing and rebuilding around the clubhouse. Michael also maintained the boats for the 13 years he was the boat captain at great saving to the club.

CLUB AWARDS

Paul Jackman Club Person of the Year—*Andrew Ivering*

Andrew is an all rounder within the Surf Club. He is a patrolling member (Patrol 5) completing 64 hours of patrol. He was a 100% patrol attendance member. He gained his IRB Driver award which filled a compliance vacancy within his patrol group. He is the Gear Stewart, tending to the patrol gear prior to the start of the season. He contributes to Nippers Board Training by providing water safety and also provides water safety at Nippers. He further supports the Club by attending social functions.

Nick Bryce Lifesaver of the Year—*James Ryburn*

During the season James' contribution was substantial. He was completed 65.5 hours of patrol and completed is a 100% patrol attendance recipient. He upskilled this season to obtain the Silver Medallion Beach Management award and became a Patrol Captain of Patrol 7 mid season. He is a Club Vice Captain, member of the Lifesaving and Education Sub-Committee and where he attended Patrol Captain and Sub-Committee meetings.

Joe Garvin Patrol Person of the Year—*Bianca Sparks*

During the season Bianca completed 213 hours of patrol. This included 74 hours of rostered patrols and 139 hours of volunteer patrols.

Most Outstanding IRB Driver—*Max Stephen*

Max completed his IRB Driver award at the beginning of the season. He completed 45 hours of patrol as an IRB Driver and is an active member of the IRB Driver team.

Most Outstanding Patrol—*Patrol 2*

Sarah Oaten, Zoe Hodges, Luke Talbot, Greg Ritter, Chloe McNulty, Joe McNulty, Bianca Sparks, Paris Morrison, Ratna Selvaratnam

During the season Patrol 2 completed a total of 700 hours of patrol. Greg, Chloe and Bianca all upskilled by gaining their Bronze Medallion. The patrol were part of the Bush to South Narrabeen Beach Water Safety team and female members participated in the Pink Zinc Patrol. They received a Patrol Audit score of 344 out of a possible 350. Members of this patrol team were also involved in a late afternoon rescue and a spinal treatment whilst completing volunteer hours.

Training Officer of the Year—*Jake Warner*

Jake trained our only Bronze Squads this season. He again received compliments from the Assessors how well trained his candidates were and he shows himself to be an excellent representative of the Club.

Archie McLean Most Outstanding Junior—*Daniel Li*

Daniel gained is IRB Crew Certificate this season and completed 99 hours of patrol, making him a Top 10 patroller. He assisted in Water Safety with Nippers on a Sunday morning and was also part of the B2B Water Safety team.

CLUB AWARDS

Glyn Rees Most Outstanding Cadet—*Bianca Sparks*

This season Bianca completed her Bronze Medallion and a whopping 213 hours of patrol.

Not only our top patroller, she volunteered at the Australia Day celebrations on behalf of the Club in Narrabeen, assisted in the Bush to Beach Water Safety over 3 days, helped out with our working bee, participated in NSW's first ever 'Pink Zinc' patrol, assisted in Nippers Water Safety on Sundays as well as Nippers Board Training and helped with Surf Education for Nippers.

She represented the Club at the SLS NSW Youth Opportunity Makers Workshop, one of four participants selected in the Sydney Northern Beaches Branch, and the first participant in our Club's history. Bianca has been nominated by the Club for the Sydney Northern Beach Youth Lifesaver of the Year.

Most Outstanding Nipper Parent—*Mark Southan*

Part of a handful (and growing) number of families from Hornsby who have chosen Southy to be their club of choice. As Age Manager, leads the largest and most consistent Nipper age group (Under 10s). The kids LOVE him!

Committed member of the board training crew. As an example of his dedication is Mark was in the midst of moving house one weekend, but he drove down from Hornsby to spend 1 hour at board training and headed back immediately after to continue packing and moving.

Nipper of the Year—*Luke Ivering*

Luke has been a member of the club for the last 6 seasons. He took out 1st place in the for Nippers Club Championship and Handicap for 2018/19 Season for his age group. Highest Championship points for board training (run-swim-run)

Been competing against older kids within the combined age groups over the last 2 seasons and is a very active participant at weekly board training. He competed at the North Narrabeen Nipper Carnival this season. We look forward to more from Luke as he continues to develop his skills, and have no doubt that he will be a fine patrolling member at South Narra!

Nippers Best & Fairest—*Tilly McNulty*

Tilly joined South Narra 4 seasons ago. This season she took out Silver for in Club Championship points within her age group this season. She is an active participant at weekly board training and participated in the North Narrabeen Nipper Carnival.

She is dedicated to being at Nippers every Sunday, and is super-cheerful with a positive demeanour that makes her a very well-liked member amongst her team. As she transitions into the SRC program next season, we look forward to her following in the footsteps of her dad and sister patrolling the beaches of South Narrabeen!

Peter Madden Most Outstanding Age Manager—*Lexie McKinnon*

As Age Manager, Lexie has been a role model and mentor for the Under 13 Nippers who are at an important phase of transition to SRC next season. She helps lead board training early every Sunday, for the older Nipper age group and was the Water Safety Coordinator for the Board Training team. Additionally, she supported the team with water proficiency and Nipper education modules. She is always available to support different facets of Nippers wherever necessary. She is also a patrolling member. Lexie volunteered to step up her involvement at South Narra this season despite being in her HSC year, while also working weekends at a café. We are hugely appreciative of her dedication to Nippers.

CLUB AWARDS

Community Service Award—Joe Prendergast

Joe is a patrolling member who moved from SRC to Bronze Medallion this season. He also gained his IRB Crew Certificate. He not only completed 93 hours of patrol this season, he was also a Pub2Pub volunteer, part of the B2B Water Safety team and is active member of Scouts Australia. He is the Unit Chair of his Venturer unit, working with his team of peers (15-18 year olds) to delivery fun, community orientated and environmentally focused activities on a weekly basis. He is an active member of the Hornsby Gang Show, an annual variety performance delivered by Scouts and Guides across Northern Sydney, being co-opted onto the Acting team this year. Joe is also a member of the Scouts NSW State Youth Council, playing his role is directing the future development of Scouts in NSW.

Joe has been nominated by the Club for the Sydney Northern Beach Youth Volunteer of the Year.

Rescue of the Year—Simon Learmonth

On a late December overcast afternoon at South Narrabeen, the sea conditions were moderate with strong winds with two large rips either side of the red and yellow flags. Polish young man entered the water (initially in the flagged area) wading out to the sandbank wearing a full face snorkel. Rather than swimming between the flags he swam to the left of the sandbank, out of the flagged area and into a rip. The patient was beginning to panic and swim against the rip when Simon, who was patrolling on the sand, took to the water with a rescue board to pick up the swimmer. The patient was picked up without injury and before the situation escalated.

Presidents Award—Sarah Oaten

Nearly every week of the year and for many years Sarah has selflessly volunteered her time and considerable expertise to a long list of activities, the passion for South Narrabeen and the voluntary commitment is just outstanding.

The following outlines some of the key tasks from a long, long list of other activities undertaken:

- Almost single handily setting up the club presentation night, including awards, room set up, presentation, agenda etc etc
- During the B2B managing all the other Clubs many volunteers who were involved in the safety commitment so the Event could proceed.
- Updating and contributing Website, Facebook, Jiffy Jaffa and the Golf Day
- Keeping the beach safe by managing all our Patrollers

Without Members like Sarah, Clubs like ours would seriously not function.

PRESENTATION NIGHT

Season 2018-19 Presentation Night was another huge success. It was fantastic to see so many Cadets and Junior member. Congratulation to all our winners and award recipients. Thank-you to everyone that came. Thanks also to Jessica Parrot and Jake Warner, our MCs for the evening.

BRANCH AWARDS OF EXCELLENCE

Recognition for an outstanding season was also highlighted at the Sydney Northern Beaches, Annual Awards of Excellence evening.

This season, we had the following members and groups up for awards and recognition.

- Youth Lifesaver of the Year: Bianca Sparks
- Youth Volunteer of the Year: Joe Prendergast
- Community Education: Bush to South Narrabeen Beach
- Volunteer of the Year: Martin Hayward
- Prominent Service: Peter Madden.
- 20 years Officiating: Thecla Haven

It was awesome to see Martin Hayward awarded with the Volunteer of the Year, and the club too be also recognised with the Community Education award. Great to see Peter Madden also getting the Prominent Service award for all his hard work over many years, and the recognition of Thecla Haven for 20-years of Officiating.

ADMINISTRATION REPORT

The South Narrabeen Surf Life Saving Club committee met 9 times from August 2018 to June 2019. Meetings are generally held on the 2nd Tuesday of each month at the club starting at 6.30pm, all members are welcome to attend. Our meetings last approximately two hours and on average seven out of the eight Directors attended each meeting.

The main function of the committee is determining strategic goals and direction for our Club and to ensure that our strategic direction remains both appropriate and achievable. We also monitor organisational performance and ensure financial viability and security of our Club by setting financial governance.

Each of the committee members are assigned actions to complete before our next meeting. On-going focus during committee meetings this session has been on Lifesaving and ensuring we as are meeting our patrol commitments.

Throughout the season, we have seen several proxies stand in for committee members that were not able to attend. Special thanks to Tony Haven who stepped up with short notice to proxy. I have enjoyed my time interacting with each of the Directors. Each Director manages a range of areas including lifesaving, finance, nippers, education, building and member services.

Too few doing too much.

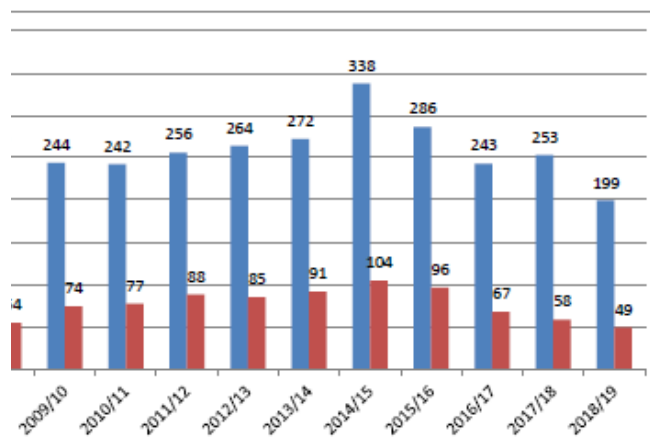

Our club runs solely on the commitment and dedication of volunteers. As we move into the 2019-2020 season we will look to double down on ways to grow our membership and volunteer base.. As can be seen in the chart below, the membership trend needs to be addressed, especially our active/patrolling members. Having said this, I would like to thank the many members have put in a significant number of hours outside of committee meetings

In 2017 we put in place a 5-year strategic plan for the club. As we move into the new season, we will again look to review and enhance this plan with the input and assistance of our members. I look forward to continuing these discussions with each of you.

I would like to extend my special thanks and on-going support from to fellow committee members Sarah Oaten and Martin Hayward for providing support around many administrative tasks.

This season we put in place an administrative support person (in a paid capacity), Jean Walsh has done an amazing job putting together the disparate processes and providing admin support to each and every committee member.

We have a Amazing Club to administer and manage and it's imperative we do so to continue to fulfil our lifesaving commitments and to benefit the majority of our members and the community.

BUILDING REPORT

It's been a very busy season for the Building Development Committee. We have had the Development Application approved for the Training Room, Eastern Stairs and the Awning over the Eastern Balcony. Also the Construction Certificate has been approved for the Awning on the Eastern Balcony and the Awning erected.

The Council building works for the lift commenced also in May and is due for completion in September. With installation of the lift this has allowed for the expansion of the gym and also the upgrading for the gym area.

The training room and the eastern stairs will be constructed in the winter of 2020. During the construction of the stairs on the eastern side the café will be closed.

Our President Martin has been working with Council on the re-construction of the car park and this will provide up to 20 car parking spaces and this will also include a number of spaces for volunteer's lifesavers who are on patrol. Also the Council will be repainting the exterior of the club. These two projects will be funded by Northern Beaches Council.

Northern Beaches Council will also over the next twelve months construction the sea wall from Collaroy to Goodwin Street Narrabeen. Council has asked for input from the Club for the layout of the park in front of the club.

There are a number of other projects in their embryo stage on the clubhouse upgrading the Public Amenities, rebuilding the Lifeguard area.

The Ocean View Room is also having an upgrade over the winter period being repainted, new tables and chairs. Also the room will be recarpeted along with the stairs and also the parquetry will be sanded and polished.

I would like to thank our past Ocean View Room coordinator Nicole for her work and enthusiasm and welcome Jean who has taken on the OVR and Admin role.

I would like to thank the Northern Beaches Council staff for their assistance in helping to develop plans and approvals.

To my BDC Torch, Charles, Richard and Martin I thank you for the work over the past twelve months and it's great to see all of our work coming to fruition.

Mark "Boof" Dimento

LIFESAVING REPORT

Patrol Season status summary:

- Approx. 26,858 members of the public attend our beach
- Patrol Hours for the season – 3958 (3593 by our members, 365 by volunteers from other clubs)
- First Aid – 34 (Fractures/Dislocation – 1, Major Wounds – 1, Minor Cuts/Abrasions – 6, Minor Marine Stings – 25, Other – 1)
- Number of Rescues – 9 (No Gear 4, Rescue tube 2, Rescue board 2, IRB 1)
- Number of Preventions – 1923

Three key accomplishments this season for South Narrabeen SLSC patrols, firstly there were no lives lost on our beach. Additionally, our patrol teams have been diligent in their attendance and I am pleased to report we achieved 100% patrol sign on and no patrol breaches. This is a credit to all our patrol members and their willingness to adapt to the ever changing conditions at South Narrabeen Beach.

This year we completed our Skills Maintenance between September and the end of December. Thank you to Jake Warner, Richard Dowling, Grant Shapcott and Brian Grudy for their assistance in this area. Jake covered SRC, BM and ARTC along with me and Richard with Grant and Brian taking care of the IRB Crew. Thanks also to Adam Kent from Long Reef SLSC for conducting the IRB Driver Skills Maintenance.

The Lifesaving and Education Sub-Committee met on several occasions this season with our major focus areas being:

- Up skilling of members in IRB Crew and Driver
- Up skilling of members to leadership roles (e.g Patrol Captains)
- Assisting Nippers with their Surf Education Awards
- Patrol sign on and use of the Patrol Ops App

Thank you to Jess Parrot, Zoe Hodges and Claudia Haworth who delivered the majority of modules within the Nippers Surf Education Award syllabus during the season. Their contribution certainly helped the Nippers kids attain these awards during the season.

LIFESAVING REPORT

Jake Warner, our Chief Training Officer, again did a wonderful job training our new Lifesavers in their Bronze Medallion and Surf Rescue Certificate. He is standing down at the end of this season and I would like to thank him for the work he has done over the last 4 seasons. He will train a squad into the 2019/2020 season and I wish him well and hope he enjoys his Sundays off after it's all done and dusted! Cheers to both Grant Shapcott, Brian Grundy and Mike Rennie for the work they have done with both the new IRB Drivers and IRB Crew training over the season. It was great to see the ducks in the water and more importantly our members enjoying themselves whilst undertaking this very important training.

Our Patrol Captains did an outstanding job this season ensuring our patrol was signed on correctly each morning as well as having sufficient members across all awards. Welcome to our two new Patrol Captains Simon Learmonth and James Ryburn, thank you for taking on such an important role within our team. Additionally thank you to Martin Hayward, Pete Madden, Grant Shapcott, Sam Warner and Richard Dowling for their ongoing support. The Patrol Captains were instrumental in ensuring the roll out of the Patrol Ops App at the Club went seamlessly.

We again held the Bush to South Narrabeen Beach event this season. There is a substantial amount of work by our patrol teams and also visiting clubs patrol teams to ensure that our risk is mitigated and our water ratios are met. Thank you to Rob Cook from Narrabeen Beach SLSC who acted as our ESO on the Friday as well as Richard, along with me, who provided the leadership and co-ordination on the beach on the Saturday and Sunday. Additionally we had in excess of 50 patrol members from our Club as well as Whale Beach, Mona Vale, Narrabeen Beach, Collaroy, Long Reef, Dee Why and Mid North Coast Branch. I thank you for your contribution and the professionalism you showed throughout the event.

South Narrabeen was turned into a sea of pink lifesavers on 10th March, all for a good cause.. Approximately 25 female lifesavers from SNSLSC and other SNB Clubs wore pink zinc to promote female leadership across the lifesaving movement at our beach. An amazing experience and fantastic example of the importance of gender diversity within Surf Life Saving.

Our Top 10 Patrol Hours this year were achieved by: Bianca Sparks 213, Sarah Oaten 109, Brian Grundy 107, Philip Moffit 102, Daniel Li 99, Simon Learmonth 95, Joe Prendergast 93, Martin Hayward 91, Roger Shahani 90, Grant Shapcott 85.

Well done to our patrollers who received 100% patrol attendance Bianca Sparks, Peter Madden, Greg Ritter, Andrew Ivering, Richard Dowling, Sam Warner and James Ryburn.

LIFESAVING REPORT

Congratulations to the recipients of our Club Lifesaving awards:

- *James Ryburn* - Lifesaver of the Year,
- *Patrol 2* – Patrol of the Year,
- *Simon Learmonth* – Rescue of the Year,
- *Bianca Sparks* – Patrol Person of the Year and
- *Max Stephens* – IRB Driver of the Year.

I would like to recognise Grant Shapcott, Warwick Blackman and Patrick O'Brien for their work with the Surf Life Saving SNB Support Services. Grant on the jet ski, with Warwick and Patrick on the radio at SurfCom.

Mike Rennie (Co-ordinator), Grant Shapcott, Troy Stephens, James Ryburn, Jess Parrot and myself made up the Out of Hours team this season. Thanks to this team who provide out of hours support to Surf Life Saving should they be called to an incident.

I would like to give further recognition to Bianca Sparks, who received our 2019 Cadet of the Year. Her club contribution this season has been outstanding and the award is well deserved. She also attended the SLS NSW Youth Opportunity Makers Workshop. Bianca has shown herself to be an excellent representative of our Club and I wish her well in her Surf Life Saving career.

Moving into the 2019/2020 season we have proposed changes to our LSA which I hope will give greater autonomy to our patrol members and the service that we provide to our community. In addition to this we are in communications with the Branch around providing a UAV Support Service to the Collnarra stretch of beach. Should this service come to fruition it will give our award members a further opportunity to support our people in the water.

I thank everyone for a successful season and see you on the beach during the 2019/2020 season!

IRB REPORT

Well the 2018/19 season was a pretty full one from the IRB side of things. We did pick up the IRB training again through winter and managed to get 2 drivers through on 6 October 2018 at Collaroy as the conditions were way too big at Southie. Congratulations to Max Stephen and Connor Shapcott for obtaining their IRB Driver Silver medallion in what were still some very tricky launching conditions at Collaroy. Unfortunately Andrew Ivering was not available for this assessment but he successfully obtained his Driver award a couple of weeks later at Warriewood, again in some challenging conditions-well done to all.

We then ran an IRB Crew course soon after in December 2018, typically these courses are run every weekend over many weeks to gain the experience and skill required to be competent. But this time we trialled an intensive course over two weekends, a total of two full days training with a 3rd day as a refresher (if needed) then the assessment on the 4th day Sunday. We had some very

challenging surf over both weekends with beaches closed and on the assessment day the surf was so big that we had to complete the assessment at Long reef where the conditions were a lot more pleasant. Getting the IRB from Southie to Long Reef was however a totally different story though, as battling 6ft plus surf, strong NE winds and lots of chop put a whole new meaning to the word pounded.

This was the first time we had tried an intensive course like this and I have to acknowledge and thank the course participants Maddie Clacy, Phillip Moffitt, Daniel Li, Joe Predergast, Jess Parrot and Bianca Sparks for their dedication and commitment through the training. It was great fun, a special thanks has to go to Brian Grundy who's knowledge and assistance with these courses is invaluable and very much appreciated. Unfortunately Bianca was not able to attend the December assessment but she is very keen and more than ready to undertake the next assessment.

Our equipment is in a great state with a much needed fully stainless steel trailer delivered in December 2018-this should outlast most of our members I reckon, thanks to Richard Dowling for organising and Chris Buhler for making what is a fantastic beach trailer. We also purchased another new Yamaha IRB Motor in January 2019. The club has also purchased some Surf Rescue wetsuits which will be greatly appreciated by drivers and crew on those colder days. Thank you to everyone who supports the IRB operations from assisting with training and equipment maintenance to ensuring the fuel supplies are always available (Mike) to working your magic with Grants and financing. See you on the beach over winter for more training and next season.

Grant Shapcott
IRB Captain

EDUCATION REPORT

This season (like last year) has seen a bit of stop and start for our Bronze Squads. At the beginning of the season we faced the challenge bringing together the Bronze group and tumultuous surf conditions.

We had six new Bronzies and two SRC's this season. Across other awards, we utilised other resources available to us through the Branch and Surf Life Saving Academy Club to see member take on a higher certification with a large take up of Advanced Resuscitation Techniques (ARTC) and maintaining numbers/ slight decline across the other awards areas such as Spinal Management and Basic Beach Management.

It was also great to see three new IRB-Drivers and five new Crewies. Special thanks to the IRB Trainers.

We are always supportive of members taking their training further within Surf life saving and we have lots of different options whether it be doing IRB training for crew or drivers or if you have a preference to stay dry, working at Surfcom on the radios or getting further skills in first aid.

In addition to members upskilling their awards we are looking for Training Officers to becoming part of our education team. Having Training Officers part of the Club is vital for our proficiencies and training.

Some final thanks:

- to our trainers Grant, Brian and Mike - your time and commitment is appreciated.
- to Branch, in particular Belinda Dobson, for all the help throughout the season
- to all of you within our Club, for making the time to come to proficiencies, skill up with new awards and for all the support for our junior members in gaining new skills

JUNIOR ACTIVITIES REPORT

2018/2019 was an excellent season for Nippers at South Narrabeen, and one of consolidation and new initiatives.

Net enrolments landed at 73 Nippers, which was lower than the previous (and a recent record) season of 91. This was due to a combination of factors, including migration/departures of some older nipper families, and a lower intake of U-6s. Nevertheless all age groups were active throughout the season with the largest representations coming from the U-10 and U-13 age groups.

This season we looked to formalise the surf skills process in accordance to the SLSC guidelines. This resulted in our Nippers receiving Surf Play, Surf Aware, Surf Safe and Surf Smart awards. This is a big step in ensuring that our Nippers are adequately skilled as they journey systematically through to becoming qualified surf lifesavers. A huge thanks to Sarah Oaten for helping drive this, and all the patrollers and Age Managers delivering the training.

Age Managers also embarked on the online Age Manager certification. We are still striving for 100% completion, which we intend to do by the time the 2019/2020 season commences. We had about 10 Nipper parents complete the CPR course, allowing them to support the patrolling teams.

We also saw healthy numbers for early morning board training, where we averaged about 10-15 Nippers per session. This has become a highlight for this group of Nippers who are very keen to continue building their board skills. Much appreciation to Darren Sue, Andrew Ivering, Lexie McKinnon, Mark Southan, Joe McNulty and all other parents who have dedicated the Sundays to make this a key and consistent component of Sunday Nippers.

JUNIOR ACTIVITIES REPORT

This season was the first season in while where Southie saw Nipper participation at interclub Carnivals. We had a small but formidable representation at the Beach Carnival held at North Narrabeen. We intend build on this in the coming season, and we already have a group of Nippers very keen to compete, with very supportive parents too. We will continue additional skills and competition training initiated through the open junior championships (led by Darren) into the next season, with a focus on fine-tuning competition skills.

In addition to the above, we also had the opportunity to add social and community activities which included the Christmas Party, the Yoplait-sponsored fun day and also participation in Bush To South Narrabeen Beach. This added different facets to what we do weekly at Nippers and allowed for wider family participation.

The success of this season was a result of the unflinching commitment and dedication of the Age Managers, parents, the Club Committee and also our Sunday patrolling members. Much gratitude to all involved and we look forward building on this in 2019/2020.

Our focus going forward would be to grow enrolment across all age groups, ensure a solid transition of our senior Nippers through the Rookie and SRC programs, retain current members and increase the involvement of Nipper parents (including getting them the embark of surf lifesaving qualifications).

FINANCE REPORT

It gives me great pleasure to present the financial statements of South Narrabeen SLSC for the year ended 30th April 2019.

The following were the highlights:

Operating surplus for the year was \$10,292.62.

Kiosk/Cafe

The kiosk operated for the full season and generated a surplus of \$30,900 for the Club. The kiosk is now the cornerstone of Club finances.

Donors and Grants

A full list of all donors, sponsors, grant income and gift income is included in the detailed income statement notes.

Significant contributions included:

- The 2018/2019 Surf Club Facility Grant program, administered by the Office of Sport. The Club applied for and was successful in its application to build a new Training Room, Staircase and Awning (DA2018 0446). The Club was awarded \$252,420 for this project. The project must be completed by August 2020.
- Community Building Partnership. The Club was awarded \$22,825 towards the build of the OVR awning. This project must be completed by May 2019.
- Beach Safety and Equipment Grant. The Club received \$5,000.
- Local Sport Defibrillator Grant program. The Defibrillator is to be mounted upstairs in the OVR.

Other Income Highlights

- Membership subscriptions held steady
- Golf Day in its fourth year raised \$950.
- Club BBQ raised \$2,500.
- Hall Hire was down but consistent with other years, net income of \$19,885

In summary

The Club is in a sound financial position with cash on hand of \$178,205 an increase over the previous year of 45% or \$55,260.

The Club has the capacity to cover its short term liabilities with its current assets, more than 4 times over when you deduct the facility grant.

The Club's equity position (member's funds) stands at \$504,723. This figure is representative of the amount of capital investment the committee has made over the past 10 years and continues to make, in improving building, gear and equipment, plus cash available after you take into consideration its debts.

Fixed Assets Net Book Value:	\$358,364
Cash:	<u>\$146,359</u>
Total:	<u>\$504,723</u>

FINANCE REPORT

Thanks

To those individuals, businesses and organisations who made financial donations and donations in-kind I thank you. Your support is very much appreciated and has helped our Club enormously.

Thank you to Tim Davidson of Fortunity Assurance for auditing our accounts.

A big thank you to Claudia Ritter for organising the Sunday BBQ, even though Greg says it's all his doing.

Tony (Torch) Haven for his wisdom and insight in helping me get the best outcome for the Club.

Thecla Haven for her timely reports and assistance when called upon.

The Club Committee who want only the best for the Club. This is certainly reflective with improvements to our patrols, our gear, training and the amount of capital expenditure being invested in the Club over the coming years.

Observations

- A roving patrol can always be found in the café.
- The kiosk employees reckon we have the most talented members, it's definitely a skill to be on patrol and at the same time be in the café having a coffee.
- Mark Dimento reckons the best way to warm up for a gym session is to grab a broom and sweep the floor. (Well done Mark – the gym is looking fantastic).

To put Charles's report into perspective, the short poem by Robert Frost (1874 - 1932) is apt -

"The Hardship of Accounting"

Never ask of money spent
Where the spender thinks it went
Nobody was ever meant
To remember or invent
What he did with every cent.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2019

NOTE 6 CHARITABLE STATUS REGISTRATIONS

Australian Taxation Office:

The Club is endorsed as a public benevolent institution thereby conferring Income Tax Exempt and Deductible Gift Recipient status

Charitable Fundraising Act 1991:

The Club holds a fundraising authority (authority issued to Surf Life Saving New South Wales Inc.).

NOTE 7 REVENUE AND OTHER INCOME

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue

The net income from fundraising events and activities has been included in Income for the year to assist with the comparison of the financial results from year to year. Previously income and expenditure for some events was reported separately under the relevant Income or Expenditure heading). The prior year's comparatives have been restated accordingly.

NOTE 8 GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense.

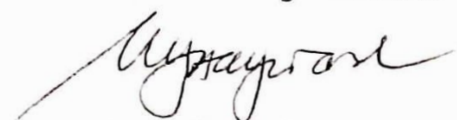

Committee Declaration

On behalf of the Club I declare that:

- a. There are reasonable grounds to believe that the Club is able to pay its debts as and when they become due and payable; and
- b. The financial statements and notes satisfy the requirements of the Australian Charities and Not-for profits Commission Act 2012.

Signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profit Commission Regulation 2013.

President's Declaration

In my opinion:

- a. The financial statements and notes present fairly the Club's financial position as at 30 April 2019 and the financial results of the Club's activities for the year ended on that date;
- b. The accounts give a true and fair view of the state of affairs of the Club with respect to fundraising appeals;
- c. The statement of financial position gives a true and fair view of the state of affairs of the Club with respect to fundraising appeals;
- d. The provisions of the Charitable Fundraising Act 1991, the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the Club; and
- e. The internal controls exercised by the Club are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals.

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Report on the Financial Report

Opinion

We have audited the accompanying financial report of South Narrabeen Surf Life Saving Club Inc. (the association), which comprises the statement of balance sheet as at 30 April 2019, income statement and Accumulated members funds statement for the year then ended, and notes comprising a summary of significant accounting policies and other explanatory information, and the committee Members' declaration.

In our opinion the financial report of South Narrabeen Surf Life Saving Club Inc. is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2019 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the Charitable Fundraising Act 1991, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) South Narrabeen Surf Life Saving Club Inc. is solvent, as it is able to pay its debts as and when they fall due.

Emphasis of Matter

The financial report of South Narrabeen Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2019, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Other Information Continued ...

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

Independent Auditor's Report to the Members of South Narrabeen Surf Life Saving Club Incorporated

Auditor's Responsibility for the Audit of the Financial Report Continued ...

- Conclude on the appropriateness of the Association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

SPONSORSHIP REPORT

We have had a good season with our Sponsorship and Marketing for the Club. We have retained some of our long-term Sponsors and picked up a few new ones.

Our aim is to lift the profile of the Club so that Sponsors are happy to be a part of a Club with great Community spirit.

Our Club is looking fantastic with the new renovations & lift going in and Car Park to be done, thanks to all the hard work by the building Sub Committee. This will help us attract more Sponsors in the coming years.

We will need to design some new clothing to look professional which the younger generation need to stay in the Club and make look cool.

All Sponsors for the Brewarrina Weekend were given a Framed Photos with their individual logos on them, thanking them for their kind and generous support, from all the feedback received they were very appreciative as well.

It's great to see so many young people getting involved in the Club and our numbers are building.

We always need to support our sponsors and we need to use them and or recommend to our Family and Friends where we can.

If we can't support our Major Sponsors then how do we expect to attract other Sponsors. We need their support and assistance to purchase our equipment and improve our facilities.

Thank you one and all for all your efforts this season and helping out when you were called on. The Club is on the improve, we cannot do it all in one season, we are just getting better each year.

A Special thanks to all our Sponsors who helped us out over the years. Without your generous support we could not do all the great work we have been doing for the wider Community.

If anyone knows a Company that maybe interested in supporting us please don't hesitate to contact me

AUSTRALIA DAY

BUSH TO BEACH

After many months of planning and paper work excitement finally hit Brewarrina on the evening of Thursday January 17th when 30 plus Children and 8 carers from Brewarrina, Bourke and Goodooga assembled at the Brewarrina Youth Centre for a trip to Sydney's Northern Beaches, under the watchful/caring eyes of Danielle Boney, Youth Team Leader Brewarrina Shire Council and all the carers.

South Narrabeen Surf Club was the destination (about a 12-hour bus trip) where the kids and carers were to experience; the beach, waves, great food, new experiences, learn basic first aid, CPR, meet new friends as well as enjoy a great educational experience, all part of the annual Bush to Beach program (which started in 2006).

Friday morning the bus arrived at South Narrabeen Surf Club, (thanks Matt for being the bus guide) lots of excitement, smiles and GDays, we had the regulars there to meet our new bush friends, Peter Clarke, Eddie (Ted), Pam, Martin Hayward SNSLSC President, Cal, Kim, Chris & Matt White, Don, Karen, Beryl, Brett, Ken, Peter Madden, Jack and lots of Surf Life Savers, then a briefing for all the visitors on Water Safety, Surf Conditions, where to swim, Stranger Danger and a whole lot more, all the kids attending have to pass a swimming proficiency test before they can enter the surf, there were 10 kids who still needed to be tested for swimming proficiency so off to the Collaroy salt pool, all kids attending passed the swimming test. Thanks Narelle and Maddie.

Into the surf, (a huge thanks to Sarah Oaten South Narrabeen Life Member & Director of Life-saving's contribution for liaising with the Lifeguards and for organising all the rosters of the many Life Savers from South Narrabeen, Narrabeen, Nth Narrabeen, Mona Vale, Collaroy, Long Reef, Nth Steyne and Mid North Coast who had the beach well protected for the 3 days at the beach) all having to wear pink rash vests for safety, Channel 10 News, 9 News, 7 News, SBS, ABC and NITV news/film crews were there to get a story, as well as the Herald, Manly Daily, Pittwater on Line News and Telegraph, Chanel 10's Studio Ten was live from the beach for a few minutes, a good story. Lunch time came around quickly, all got to enjoy a beautiful lunch provided by the Manly CWA, the ladies also provided goodie bags to each child.

Mayor of Brewarrina Phillip O'Connor (Ocker) along with Brewarrina Council GM Jeff Sowiak arrived in time to watch the kids enter the surf and to enjoy the great lunch provided by the CWA Ladies (and their scones were amazing, thanks ladies CWA Manly). We were very pleased that Phillip and Jeff made the effort to attend Bush to Beach, great blokes who love their town and community.

BUSH TO BEACH

After lunch the kids and carers were driven to Longreef Beach where they were again taught water safety and to learn to ride surf boards, (thanks to Manly Surf School), the kids were amazing with most standing on a surf board in a very short time, back to the surf club, fish and chips for dinner, (Thanks Naresh and Suhee) and lots of fresh fruit (which was served all weekend) and then to Narrabeen Sport and Recreation where they would sleep for the next 3 days.

Saturday morning, breakfast (Thanks Peter C and Brett for supervision) then back to South Narrabeen Beach

Channel 9's Today Show were there and filmed live the kids entering the surf, a great few minutes of live television, fun in the surf.

Lunch at Narrabeen Lakes Primary School, (thanks Cal for suggesting) the school put on a great lunch, as well as provided classes in basket making and painting, the kids played basketball, soccer, and a whole lot more, the school has 14 Aboriginal students and 1 Aboriginal teacher, a great time making new friends, back to the beach for a swim, then back on the bus to the Sport and Rec to get ready for the annual Bush to Beach baked dinner with over 110 people attending, (thanks to Ken Passmore, Peter Madden for the cooking and organising) all the kids and carers arrived back at the surf club looking fantastic, they truly made a great effort, all attending got to enjoy a great meal (50kg of scotch fillet thanks Collaroy Beach Services Club) as well as watch Super Hubert the Magician, plus a few speeches. Martin, Jack and Ted made short speeches, Phillip O'Connor made a short speech, he spoke highly about Brewarrina and congratulated the kids and carers on their behaviour, as well as complementing them on being great role models for their community, we then heard some wonderful Didgeridoo music, back to Sport and Rec and off to bed.

Sunday morning, breakfast (Thanks Peter C and Brett for supervision) and back to the beach, the majority of the kids competed in the South Narrabeen Nippers events (thanks to South Narrabeen parents, kids for welcoming the bush kids and lunch) and won many races and swim legs, lots of fun at the beach, new friends, lunch, back in the water.

At around 2.30 pm around an hour was spent on Basic First Aid Lessons as well as learning CPR, (thanks Nth Narrabeen for your presentation) again the kids were great and very attentive, around 5 pm the Pizza Hut Pizzas arrived, (thanks Pizza Hut) they didn't last long, back on the bus to the Sport and Rec where we had planned a disco/dancing from 7 to 9.30 pm, a whole lot of fun, these kids can dance, then off to bed.

Monday morning, breakfast, (Thanks Peter C and Brett for supervision) pack the bags and onto the bus, a few sad faces, lots of good-byes and waves as we sent the kids and carers on their way for the long trip home.

I have to agree with Phillip O'Connor, all the kids and all the carers were great, fantastic in fact, all are truly great role models for Brewarrina, Goodooga and Bourke, and the communities where they live.

BUSH TO BEACH

There is around 1000 hours of volunteer time and almost 1000 meals served during Bush to Beach. (thankyou Peter Clarke, Eddie (Ted) & Pam Billett, South Narrabeen Surf Life Saving Club President Martin Hayward, Sarah Oaten, Richard Dowling, Cal Smyth, Kim Brown, Chris, Matt White, Don, Karen Hay, Beryl Driver, Brett Picknell, Ken Passmore, Peter Madden, Narelle Simpson and Maddie Kilpatrick, Naresh and Suhee, South Narrabeen Surf Life Saving Club Committee Members and the many Surf Life Savers and Surf Clubs listed above.

Many thanks for the support we receive from sponsors and supporters and in particular Westpac, (John Cannons), Birrang Corporation, Northern Beaches Council, Manly Surf School, (Matt Granger and Scotty the didge player), the Ladies Manly CWA. Suhee & Naresh. Streets Ice Creams (Unilever), Narrabeen Lakes Public School, Sydney Northern Beaches Surf Lifesaving, Surf lifesaving NSW, Brewarrina Shire Council, Transport NSW, Brad Hazard MP, McDonalds at West Dubbo. Collaroy Beach Club, FRRR (Foundation for Rural & Regional Renewal). Molly's Cradle Wines (Steve Skidmore). Catering by Design (Karin Slade). Jason Falinski MP, Vicola Markets Dee Why, Ecodownunder, Super Hubert, Gavin Little Photography for their support.

We look forward to welcoming our friends from the bush for the 2020 Bush to Beach.

VALE

Steve 'The Beaver' Reilly

(12/6/1950 - 23/3/2019)

We were saddened by the passing of Steve "The Beaver" Reilly. Steve has been a major sponsor of the Club for many years.

Steve's history with the Club goes back to 1970's when his father Merv Reilly was a Member from the 1960's and in addition to Life saving duties held regular boxing training classes in what was then the front car park of the Club.

Steve provided us with several boats over the years and was always keen to visit and catch up with a number of our Members for a yarn.

He was a generous supporter of South Narrabeen and Surf Lifesaving and he will be sadly missed.

Bill Edwards

Bill joined South Narrabeen SLSC with two brothers Max & Jim.

Bill was an active, committed member, involved in competitions. He served on Committees from time to time in 1950s, including roles such as Social Secretary, Management Committee member, Branch delegate and Publicity Officer.

Captain 51/52
Committee 52/53/54
Branch delegates 54/55
Active Reserve 56/57

The high Esteem held was shown, when he was selected to represent South Narrabeen SLSC at the Royal command Surf Carnival for Her Majesty Queen Elizabeth at Bondi in 1954.

Bill was a respected Member & friend to many.

Although no acceptable today, in the fifties smoking wasn't considered to be inconsistent with this requirement. (From the book "Barry Humphries' Flashbacks")

This picture is of South Narrabeen Life-savers—Bill Edwards (on the reel) and Life Member Peter Clarke (in the background). They were filming a cigarette commercial.

Harry Walkden

DOB: 16/04/1928

Harry grew up in the Narrabeen area, where his family were active members at North Narrabeen SLSC. They recognised the difficulties of patrolling the beach between Narrabeen and Collaroy.

Harry father and Uncle (Allen and Don McLean) were instrumental in existing South Narrabeen Surf Life Saving Club. Both actively involved in establishing the club that we know and love today. Harry was an active member of the club from a young age, and provided many years of active service.

Harry was a member of the rescue and resuscitation (R&R) team that won the Australian championships in 1945-46, he was 18. The following is a snippet from the 1945/46 Annual report.

It was not until the season was more than half-completed that our R. & R. Team got together, and it speaks much for their success that they had very little competition practice. The team comprised: R. Beer, A. Carrier, F. Collins, A. Fidler, H. Walkden and M. Whitehead; and, under the expert guidance of L. McDonald, they eventually won the Australian title, carrying with it the Surf Association's Premiership.

Extract from the 1945/46—23rd Annual Report.

Harry was a respected member of the club.
