Also to W. Daley on his appointment to the Board of Examiners.

OBITUARY

To the members of our Club and their relatives, who, during the past year have suffered bereavement, we offer our sincere sympathy and likewise to members of our neighbouring clubs.

It is also with regret that the passing of Charlie Proudfoot is recorded, father of

the late Wally Proudfoot, leaving another gap in the Surf Life Saving movement, to the relatives also is extended our sympathy.

Also to the family of our Life-Member, Tom LeClerc, our deepest sympathy is extended.

PRESIDENT'S ADDENDUM

The past season in some ways was not as satisfactory as I would have liked, owing to the fact that the Club did not compete in many of the Surf Carnivals, thereby resulting in none of the Championship Events coming to our Club.

With sincerity, I must say that the Club Officials have carried out the various duties allotted to them to the best of their ability at all times and certainly in the best interests of the Club. To them I offer my thanks for their loyalty and assistance throughout the year and to all Club members in general.

I trust the coming year will bring one or more of the Championship Events to the Club.

F.A. BERTRAM
PRESIDENT.

TREASURER'S REPORT 1959-60

The season of 1959-60 has not been a successful financial season. With rising costs and a slackening of interest generally, financial difficulties are hard to stave off.

Although our expenditure is greater than our income, I am pleased to say that our assets

are substantial and we are really in a good financial position and have a credit balance at the bank. However, a general tightening of expenditure and a greater effort by members generally to assist in the raising of funds will be necessary in the incoming year.

To those willing helpers and donors who are always to the fore, we offer our heartfelt thanks. Also to our Hon. Auditor, Bruce Fisk, we offer our thanks once again for his support.

J.A. CHOICE
HON. TREASURER
