SOUTH NARRABEEN SURF LIFE-SAVING CLUB-FORTY FIFTH-ANNUAL REPORT & BALANCE SHEETSEASON 1967-68

For presentation to Members at the Annual General Meeting to be held at the Clubhouse on Sunday 8th September, 1968 at 10.30 a.m.

Gentlemen,

Your Management Committee has pleasure in submitting for your consideration and adoption the report of Club activities for the 1967-68 Season, together with the duly audited Income and Expenditure Account and Balance Sheet for the year ended 30th June, 1968.

PRESIDENT'S REPORT

It is my privilege and pleasure, on behalf of the Members of the Club, to record an appreciation of the services rendered by the Club Officials during the past Season, who have not had an easy task, but have carried out their functions fairly, fearlessly and in the best interests of the Club.

I pay special tribute to the efficient manner in which our Hon. Secretary, Malcolm Storey and Hon. Treasurer, Harry Turner have carried out their duties, and to our Assistant Secretary, Harvey Hemsworth on his efforts in his first year of office in this important phase of Club administration. The recording and preparation of the minutes of all Club meetings held during the year was excellent indeed.

In touching on the competitive achievements of the Club, I am certain that I am echoing the sentiment of each and every Member in extending congratulations to Coach and Sweep Peter Clarke and his Senior Boat

Crew, Anthony Haven, Neil Bott, Peter Bott and Rory Parkes, who climaxed many hours of arduous training in winning the final at Newcastle Carnival and contesting the final of their event at Cronulla in the Australian Championships.

Many thanks to Barry Haven and the few conscientious organisers of money-raising and the Members who worked hard in this direction. You are the backbone of the Club, for without funds this Club would soon fold up. As I have said before, everybody wants to spend the money but very few put themselves out to raise the same.

In conclusion I take this opportunity of extending to the various Officers and Club Members my most sincere thanks and appreciation for the consistent and loyal support that they have extended towards me throughout the past Season, and it is my hope that the coming Season will prove at least equally successful or surpass that of the one just completed.

A.K. GILL  
President.

#### SURF LIFE-SAVING

For the season ending, our Club is able to report that "No Lives were Lost" whilst voluntary patrols were carried out by the members. The high ideals of "Vigilance and Service" have been maintained and the principles on which the Club was founded have been actively pursued.

The Patrol Efficiency Competition conducted by the Manly Warringah Branch and supported by Smith Kline and French Laboratories (Aust.) Ltd. has helped to improve patrol efficiency and revision of all activities, although our Club did not finish as well as it has in other years.

A total of twenty-five rescues were performed by members and these were as follows:-

Rescues with line	6
Rescues without line	15
Rescues with torpedo buoy	2
Rescues with surf boards	2

As any of these rescues could have been "lives lost" it serves to point out the necessity of 100% patrol efficiency and attendance.

#### AWARDS

The influx of new members was again evident and the training and instruction was in the hands of Anthony Haven and Ken Green. In all, nine candidates were put through for their Bronze Medallions.

We congratulate all these men and trust that their training will remain fresh in their minds whilst they are engaged in the business of Surf Life-Saving.

The following were successful in gaining their Bronze Medallions: -

Andrew James,	Bruce Jones,	David Alley,
Ron Sky,	Bernie Northey,	Ian Wicks,
Don Ross,	Kerry O'Reilly,	Len Reynolds

Two other members, John Putland and Mark Ramster, gained their Bronze Medallions from instructions carried out by Narrabeen Boys' High School.

A. HAVEN

Chief Instructor.

IN APPRECIATION

CLUB CHAMPIONSHIP

Despite the apparent lack of interest in these championships by members (which appears to be increasing each season) the regular competitors fought out some close finishes for the large array of trophies.

#### "JOE GARVIN" TROPHY

Many members do not realise that a wonderful trophy is given each year by a Life Member of the Club in Mr. Joe Garvin. The trophy is given to the member who has the best patrol efficiency and attendances plus knowledge of the S.L.S.A. hand book.

Three members, Leon Wickens, Harvey Hemsworth and Malcolm Storey were eligible to contest the final examination. Unfortunately, due to a transfer of his employment to New Guinea, Leon was not able to sit for the exam.

To the ultimate winner, Harvey Hemsworth, the club offers its congratulations.

#### "WALLY PROUDFOOT" MEMORIAL SHIELD

This year a new innovation was introduced in conducting the above annual carnival against North Narrabeen. Both clubs selected a team of fifteen members which had to contest nine set events, with South Narrabeen the ultimate winner.

We extend our appreciation to North Narrabeen for their organisation of the carnival and the refreshments that were to follow.

#### "ROYAL NARRABEEN HOTEL" SHIELD

Due to the success of the fifteen man teams, it was decided that the "Royal Narrabeen Hotel" Shield contested between Collaroy, North Narrabeen, Narrabeen and South Narrabeen, be conducted on the same basis.

Although it was Collaroy's turn to host this event (but due to erosion of their beach) it was held at North Narrabeen.

Once again Collaroy proved too strong and we extend our congratulations on a fine effort.

### CARNIVAL RESULTS

Throughout the season the Club achieved the following results:-

<u>Garie</u>	1st Senior Beach Relay
<u>South Curl Curl</u>	- Mark Ramster - 1st Jr. Beach Sprint
<u>North Narrabeen</u>	- Mark Ramster-3rd Jr. Musical Flags
<u>Manly</u>	- Mark Ramster-2nd Jr. Beach Sprint
<u>"Sun Herald" Marathon Boat Race</u>	- A Boat crew 4th in sprint from Freshwater to Queenscliff
<u>Newcastle</u>	- 1st Senior A Boat Race
<u>Manly-Warringah Branch Titles</u>	- Mark Ramster -2nd Junior Beach Sprint
	Mark Ramster-2nd Jr. Musical Flags
<u>Australian Titles</u>	- 6th Senior Boat Race

On behalf of the competitors we would like to extend our appreciation to the loyal band of supporters that turned up at every carnival. Being able to commandeer a certain Volkswagen and travel to Cronulla is surely proof of their keenness.

We extend congratulations to our neighbouring clubs for some fine efforts during the season.

North Narrabeen	- 1st Australian Interstate Boat Race
Collaroy	- Numerous successes in Metropolitan State and Australian Championships
Narrabeen	- Good performance in Patrol Efficiency Competition. Outstanding successes of their Nipper Club.

FRED & SIS BERTRAM TROPHYSWANSEA BELMONT vs SOUTH NARRABEEN

The inter-club competition between the two clubs finally came into being, thanks to the donation of a generous trophy by Fred & Sis Bertram.

Sixteen members of the club travelled to Swansea for the competition and in conjunction with this weekend, contested the 60th Anniversary Newcastle Carnival. The Saturday night preceeding the competition our members attended a social function at which Fred, on behalf of Sis and himself, presented the trophy to both Clubs' Presidents and Captains.

On Sunday the carnival was held with all possible junior and senior events contested and Swansea were the ultimate winners. It was pleasing to see the junior members of our team backing up for every event. Although we did not win many events, we still managed to enjoy the day.

To Swansea we say thank you for a wonderful weekend and we are eagerly awaiting the opportunity to repay their hospitality and win back the trophy on our own beach.

BURLEIGH HEADS vs SOUTH NARRABEEN

It is with regret that for the second successive time our Club failed in its efforts to send a team to Queensland for this annual competition against Burleigh Heads. As Burleigh always manages to send a large contingent whenever we hold the carnival, at our club, then this reflects even more on our inability to attend.

We sincerely thank Burleigh Heads for its invitation and apologise for any inconvenience caused by our non-attendance.

### TREASURERS REPORT

Once again the Club have been able to complete the year with a small credit balance in our financial activities.

In this respect credit must be given to the very few faithful Club members who have put forward their best efforts in the raising of finance. Together with those persons who make donations each year a sincere debt of gratitude must be given.

From the members point of view, promises to give assistance in raising funds is not enough, what is required is some positive help on each occasion. If more help is given by more members the financial result would no doubt be greatly increased.

My sincere thanks to Peter Clarke in taking and returning the books to our auditor. To Bruce Fisk on behalf of all members may I say thank you for a job well done in the auditing of our books, this being no small feat for a person so busy.

H. Turner,  
Hon. Treasurer.

STATE SURF CHAMPIONSHIPS

Members of our club travelled by truck to the Championships held at Cudgeon Headlands, approximately seven miles this side of the Queensland border.

Leaving Sydney on Thursday night we arrived at Burleigh Heads (where we were provided with accommodation) midday Friday and spent the remainder of the day training and resting.

On the Saturday our senior crew won their heat well, but unfortunately our junior crew drew a tough heat and were eliminated, but in no way disgraced. Saturday night after tea we decided to break the monotony and drove to Surfers to allow several of the juniors to have a look at the sights and go bowling at the Chevron Bowl.

On Sunday the senior boat was eliminated from the semi final but the junior beach relay won its way to the semi-final, and after finishing third, (which would have put them into the final) was disqualified for breaking. It was pleasing to see so many of the Burleigh Heads members turn up to cheer our club on. Sunday night out boys joined with the Burleigh Heads club for some liquid refreshments.

For our trip home we were joined by our President, Bert Gill, whose plane flight the night before had been cancelled. With both Fred Bertram and Bert in the front seat, it was a long way between water holes.

Our thanks must go to our old friends, Burleigh Heads, for the way they received and looked after us and it shows how lucky our club is to have such good friends up North.

Now that I've decided to give competition away, I wish Ian "Chooka" Henry (who did a wonderful job with the juniors) all the best with the crews this season, and it is with the knowledge that someone will carry on training and encouraging our crews, that I'm able to give it away.

Peter Clarke.

"VALE" A GOOD FRIEND-BILL MAILLOCH

Last October we lost with deep regret a club member who was held in high regard by all members.

"Old" Bill (as he was known to all) was a fastidious custodian of our club for many years and we have lost a true friend.

His passing has left a void difficult to fill and the Club to a man expresses its most sincere sympathy to his family.

21 YEARS AS PRESIDENT-FRED BERTRAM

After twenty eight years from the position of Gear Steward in 1939 to President of the Club for the past twenty one years, Fred Bertram has retired from "Active Service".

Personally, I feel the occasion of his retirement as President should not go unpassed or with the usual "cheerio". I feel all of us would like to say much, much more to express in some way our gratitude and appreciation for the service this Member has given to South Narrabeen.

Fred joined the Club in 1939 and was elected Gear Steward. Since then he has held positions of Social Secretary, Senior Vice-President and in 1946 was elected President. In 1951 the full membership by a unanimous decision, bestowed on him a "Life Membership" of the Club. Fred was also well known for his attendance at Club shows and send-offs, during which time he made many friends both locally and interstate.

In summing up, we would like to express our thanks to Fred and Sis Bertram for putting up with us as long as they have and to Fred personally for being "one of the boys" at all times, but nevertheless being there to give us the experience of a more mature person in deciding right from wrong.

HONOUR BLAZER-HOWARD JONES

It is pleasing to note that the committee decided unanimously to bestow upon our Club Captain an "Honour Blazer" for his devoted efforts to the club for many years.

We know that Howard will wear this blazer with pride and we hope that the club will be honoured with his services for years to come.

OBITUARY

The Committee, on behalf of the Club, wishes to extend deepest sympathy to Members who have suffered bereavements during the past season.

CLUB CAPTAIN'S REPORT

Dear Members,

Well we have seen another successful season behind us, although we did have our "light" moments. The patrols this year finished very well with allowances for a bad start. Again we saw a 100% effort in patrol attendance by Harvey Hemsworth for the third year in succession.

The Carnival attendances this year were not up to previous years standard, without the senior and junior boatcrews we would not have been represented at most carnivals although Bob Stuart and Mal Storey tried hard with the beach relay. Next year let's see all members trying to represent. if not in boat crews, R. and R. etc., the march past, is an event for the not so talented.

The 1967-68 season in my mind saw a lot of members with a bit more pride in their club appearance, and I must say in the turfing out the front of the Club and the concrete steps, we saw nearly every member doing his bit, but unfortunately there are still a few "Will Nots".

To my way of thinking the latter part of the 1967-68 Season saw the club starting to get the spirit back and I am sure next season we will be up on top again.

Before I finish I would like to thank all members who represented the Club against our old mates Swansea-Belmont at Swansea, also those members who helped on the Australian weekend.

To all members my thanks for the co-operation in 1967-68.

Howard Jones  
Club Captain.

BOAT CAPTAIN'S REPORT

As the season opened the Club had three boat crews in training - Senior A & B and Junior crews.

Although the B crew reached the finals at Freshwater's Annual Carnival they later became disjointed and finally folded.

Ian (Chook) Henry, a former sweep from Warrnambool Victoria, took charge of the Junior crew and did a wonderful job in developing a formidable crew, which made the finals at Long Reef Annual Carnival. The crew comprised of: John Putland (Bow), Warren Storey (2nd Bow), Ray Green (2nd Stroke) and Frank Snoeys (Stroke).

The Senior A crew enjoyed the most successful season in 20 years of the Club's history. Every weekend the crew competed in carnivals and on numerous occasions reached the semi-finals and finals as well as winning the Newcastle Final.

With the help and backing of the Club Committee the A crew and Juniors travelled to Kingscliffe to contest the N.S.W. Championships, where the A crew reached the semi-finals after easily winning the heat. Finally the Australian Championships came around and our efforts were rewarded in rowing ourselves into the finals of the Open Boat Race. The crew comprised of: Rory Parks (Bow), Peter Bott (2nd Bow), Neil Bott (2nd Stroke), Anthony Haven (Stroke) and Peter Clarke (Sweep).

To Peter Clarke who is retiring from the crew I would like to extend the appreciation and thanks of his fellow crewmen.

In the coming season I hope that the boat crews show as much keenness as they did last season and we should eclipse the above success.

Neil Bott  
Boat Captain.

SOCIAL SECRETARY'S REPORT

In my mind I would say that the 1967-68 Season would not go down in the Club's history as an all time great, concerning Social Functions. I was especially disappointed in the "Club Members Only" Cabarets although a good night was had by those who attended the Christmas party and the Western Night. These occasions were marred by lack of patronage by our own members.

One evening which rises above them all was the presentation night held for our Past President Fred Bertram and his wife, Sis. It was a most enjoyable night and well attended by past as well as present members. All credits for this evening should go to Spike Jones, our Captain, who organised the evening which was held at Narrabeen R.S.L. Club. I am sure all those who attended will agree that Jean Jones and Betty Haven did a marvellous job in catering for this function.

Speaking of catering, I would like to compliment Barry Haven and Dunlop Ferguson who capably cooked and bottle-washed for our visitors from Swansea-Belmont and Burleigh Heads during the Australian Championships on Easter weekend. I am sure the fellows went home with good reports of South Narrabeen hospitality.

In the 1968-69 Season, let's hope to see a brighter outlook on the social side of the Club. Especially a few more starters than Clicka O'Reilly and myself for the Sunday barrel.

Phil Edwards  
Social Secretary

NIPPER REPORT

The Nipper section of the club, although small in members took part in club events each week and performed very keenly.

Backbone of our Club are the Wright Boys, four in all, with Peter Simonds, Mark Collins and Peter O'Reilly giving stiff competition in all events.

We hope we can have larger membership this coming season, and look to members who have small brothers, or friends with small boys who would like to join the Nipper Club.

Thanks to all our members for their help and I'm looking for their continued support.

Charles O'Reilly.

COMMITTEE MEETINGS

Despite a great deal of confusion of dates of meetings and the change from Friday night to Monday night there have been overall good attendances. Unfortunately, on a number of occasions the committee exercised its right to remove any member who failed to be present for three consecutive meetings.

In this my first year as Secretary, I found it to be one of personal satisfaction and experience, although there were some anxious and disheartening moments. On accepting the position I was keen to do well, but unfortunately, due to pressure of my studies I was not able to sustain the efforts required. Had it not been for the help of fellow members and the committee's understanding, I may have had to join the list of resignations.

I would like to convey my personal thanks to - Harvey Hemsworth for taking charge of the committee meeting minutes, Peter Clarke for helping to compile the annual report, and the Senior Executives and Members who all combined to give me advice and guide me in the right direction. throughout the year.

Although some excellent work to the Club was carried out during the season, the enthusiasm was allowed to die and consequently many intentions were not fulfilled.

Next season a greater effort by members and the new committee should ensure the increasing efforts of this season at least being doubled and the present high standard of Surf Life Saving maintained.

Attendances for the season were -
