SOUTH NARRABEEN SURF LIFE SAVING CLUB
- FORTY-SEVENTH -
ANNUAL REPORT & BALANCE SHEET
SEASON 1969-1970

For presentation to Members at the Annual General Meeting to be held at the Clubhouse on Sunday, 30th August, 1970 at 10.30 a.m.

Gentlemen,

Your Committee has pleasure in submitting for your consideration and adoption the report of Club activities for the 1969-1970 Season, together with the duly audited Income and Expenditure Account and Balance Sheet for the year ended 30th June, 1970.

PRESIDENT'S REPORT

The Season now closing must leave many Members with mixed thoughts. Some sections of the Club progressed and some didn't. Patrol attendances were not up to standard and it is hoped that this most important section of the Club's activities improves in the coming Season. Competition was keen, this being most obvious in the Boat Section. A bit of luck in a few places would have helped but luck is not a tangible asset and therefore cannot come into the reckoning of results.

Administration of the Club was again left to too few. Each year a lot of thought goes into nominations for the various offices, but disinterested voting in some cases and misjudged confidence in others leaves the Club with too few willing, keen and conscientious Officers.

If Office-Bearers carried out their duties as laid down in the constitution, what an easy task it would be for all concerned and what a happy, efficient Club we would have. As it is, lack of

confidence in various Officers leaves the conscientious ones continually on edge wondering if a job will be done and the worry of how to overcome the vacuum if and when it is not, adds weight to what should be a light load of allotted duties. Often the load becomes too weighty and what was a conscientious Officer, either drifts with the tide or gives up in disgust.

Sincere thanks must go again to Dick Rutledge and Harry Turner. Dick has carried out the duties of Secretary under unenviable conditions, never knowing where he would be from one week to the next, sometimes from day to day, nevertheless, he has kept a tight rein on the job and covered all aspects admirably. Harry, in his role of Treasurer has given the same sterling performance we have come to expect from him.

To the few who have worked so hard to keep our finances in good shape, I say thank you. It is a pity that more Members do not realise the importance of this side of the Club's activities and give more of their time in this regard.

A.K. GILL
President.

SURF LIFE SAVING

For the Season ending, our Club is able to report that 'No Lives were Lost' whilst voluntary patrols were carried out by Club Members. The high ideals of 'Vigilance and Service' have been maintained and the principles on which the Club was founded have been actively pursued.

The Patrol Efficiency Competition conducted by the Manly Warringah Branch has helped to improve patrol efficiency throughout the area. Our Club did not finish as well as it has in the past years due to lack of interest. Each member should

reflect here on his attendances throughout the year and should endeavour to do better in the coming Season.

A total of 36 rescues were performed by members and these were as follows:-

Rescues with line	11
Rescues without line	19
Rescues with torpedo buoy	2
Rescues with surf boards	3
Rescues with surf boat	1

As any of these rescues could have resulted in 'lives lost' it serves to highlight the absolute necessity of 100% patrol efficiency and attendance.

AWARDS

Instructors - I Henry, R. Ingram, L. Reynolds,
G. True.

Bronze Medallions - R. Guyatt, G. Irwin,
S. Johnston, H. Kennedy, M. Kewish,
M. McCormack, Michael McCormack,
A. Murray.

Qualifying Certificates - J. Fordnam, R. O'Reilly

I would like to thank Bruce Jones and Anthony Haven and the other Members who helped the Bronze Squads to gain their awards.

As you can see by the Awards the Club has gained new members. No doubt the Bronze holders will be trying to gain their Instructor's Certificates in the coming Season.

We must congratulate these men and trust that their training in surf life saving techniques will remain paramount in their minds whilst they are engaged in surf life saving activities.

R. FERGUSON
Chief Instructor.

Two members, R. O'Reilly and R. Green were eligible to contest the final examination. To the ultimate winner, Ray Green the club offers its congratulations.

'PAUL JACKMAN' MEMORIAL TROPHY

We are most grateful to Paul's Godparents, Mr. & Mrs. Cameron Davis for the magnificent Trophy which was presented to the Club for competition.

This Trophy is awarded for the best all round life saver throughout the season. A three man committee was formed to decide this year's ultimate winner. Congratulations are extended to Graham True on winning this magnificent Trophy.

'WALLY PROUDFOOT' MEMORIAL SHIELD

The Annual 'Wally Proudfoot' Memorial Carnival between North and South Narrabeen was held at North Narrabeen beach this year. The Carnival was again very close this year with only the odd point separating the two clubs.

Results were:-

R. & R.	South Narrabeen
March Past	South Narrabeen
Chariot Race	South Narrabeen
Belt Race	South Narrabeen
A Boat Race	North Narrabeen
B Boat Race	North Narrabeen
Junior & Senior	
Brace Relay	North Narrabeen
Surf Teams	North Narrabeen
Beach Relay	North Narrabeen
Musical Flags	North Narrabeen

Our congratulations go to North Narrabeen on their success on winning the Carnival.

'ROYAL NARRABEEN HOTEL' SHIELD

This Carnival was held at our beach this year. There were some very exciting finishes in the events but Collaroy showed its strength by winning the Shield with North Narrabeen second.

CARNIVAL RESULTS

The 1969-70 Season was only mediocre as far as teams for competition go. The Junior Boat Crew had a particularly successful season with numerous places in local carnivals and a 3rd in the Interstate Championships. The Senior Crew although not having a great deal of success kept the Club colours to the fore. Greg Fordham having his first Season competitively did quite well always finishing in the first ten. Next Season with a little luck he might be finishing first.

Results as follows:-

<u>Avalon</u>	1st Junior Boat Race
<u>Newport</u>	2nd Junior Boat Race

<u>Manly</u>	1st Junior Boat Race
<u>Freshwater</u>	2nd Senior Boat Race
<u>Newcastle</u>	2nd Junior Boat Race
<u>Aust. Interstate</u>	3rd Junior Boat Race

AUSTRALIAN CHAMPIONSHIPS
OCEAN GROVE, VICTORIA

The Club this year sent a Junior and Senior Boat Crew to Victoria as well as Greg Fordham to contest the Junior Surf Race.

On the Saturday the interstate championship for Senior Boat Race was contested and our Crew after a bit of bad luck were eliminated in the semi-final. The Junior Crew after gaining a place in the semi-final put up a fine performance in the final finishing in 3rd place.

Greg Fordham swam gamely in the Junior Surf Race but failed to gain a place.

On the Sunday the conditions were so bad the Boat area was moved $1\frac{1}{2}$ miles down the beach with the swimming area moved to Torquay 12 miles away.

Both Crews and Greg failed to gain a placing.

The team members would like to express their gratitude to Mr. & Mrs. Colin Henry for the hospitality extended during our brief stay at Geelong.

CLUB CAPTAINS REPORT

The 1969-70 Season has had its ups and downs for South Narrabeen both competitively and patrol wise. On the competitive side of the Club the orange caps were seen filling places frequently at carnivals. Next Season it would be pleasing to see a few more members take a keener interest in the Club March Past, R. & R. and Beach Events.

The patrols this Season improved but that is all; some members thinking that they don't have to do patrols because they compete. Only two members, Ray Green and Rodney O'Reilly were eligible to compete for the 'Joe Garvin' Trophy this year. To these two Members I would like to extend my congratulations on a fine effort.

My thanks to the Members for their help over the past Season especially to Peter Clarke who was a tower of strength.

"Torch" Haven
Club Captain

'FRED AND SIS BERTRAM' TROPHY
SWANSEA-BELMONT v SOUTH NARRABEEN

The Carnival this year was held at Swansea-Belmont. The Club members travelled up to Belmont on the Saturday morning to compete in the Newcastle S.L.S.C. Carnival. After the carnival the two clubs returned to the Orana for the festivities.

The trophy was competed for on Sunday. There was stiff competition in all events with Belmont running out the eventual winners by one event.

Our congratulations go to Swansea-Belmont on retaining the Shield.

'BILL BIGGS' SHIELD
BURLEIGH HEADS v SOUTH NARRABEEN

This year the Carnival was held at Burleigh Heads. Nine of the members, Torch Haven, Joe Jones, Jim Brownhill, Ray Green, Len Reynolds, Mark Ramster, Greg Fordham, Rick Smee and Rhys Parkes flew to Coolangatta Airport where the team were met by Dunlop, Bert and Chicka and a group of the Burleigh chaps.

The members were welcomed with a cold drop of Four X at Burleigh Clubhouse followed by the Carnival that afternoon.

Burleigh Heads won four of the events, R. & R., Senior Surf and Teams, Beach Sprint and Chariot race with Souths winning the March Past and Greg Fordham putting up a fine performance winning the Junior Surf and running second in the Senior Surf.

Our congratulations go to Burleigh on winning the Carnival.

On Sunday the team went out to the Country Club. Eight of our members were initiated.

On the Monday the majority of the team returned to Sydney.

Our thanks go to Burleigh Heads for the hospitality shown to our boys and we are looking forward to them coming down next Season.

JAMES A. DALE, F.C.A. Hon. Auditor.

Registered under the Public Accountants Registration Act, 1945, as amended.

TREASURER'S REPORT

Once again we had rather a heavy financial burden to meet, and this we were able to do and show a healthy balance to carry forward to next Season. Purchases of gear, maintenance of boats, gear and finance towards the Australian Championship Carnival were the main sources of our expenditure.

The co-operation of all Members is necessary to preserve the Clubhouse, Boats and Gear and so reduce the large amount which is annually spent on maintaining these essential Club assets. It is important to remember that it is your gear and that you should play your part in keeping it in 100% efficient condition.

I would, therefore, like to conclude by firstly thanking our Honorary Auditor, Mr. Bruce Fisk for his valuable services, to Peter Clarke for taking and returning the Club books and records to our Auditor, and to all those who have assisted the Club financially and rendered their support in helping the Club maintain its object of Surf Life Saving.

H.R. TURNER
Hon. Treasurer.

BOAT LAUNCHING

On Sunday, the 30th August, 1970 at 2.30 p.m., Mr. A.K. Gill will be welcoming Representatives from 'Luxaflex', The Manly Warringah Branch, North Narrabeen S.L.S.C., Narrabeen S.L.S.C., Collaroy S.L.S.C. and members of the general public to the launching of our new surf boat.

The boat will be christened 'Luxaflex II' as a token of appreciation of the generous support afforded by this Company to South Narrabeen S.L.S.C.

A Guard of Honour comprising Club Members will be officiating and at the conclusion of the ceremony, guests will be entertained in the Clubhouse.

OBITUARY

We extend our deepest sympathy to Mark Ramster and family at the passing of his father, Mr. P. Ramster.

We extend our deepest sympathy to any Members who suffered bereavements which have not been recorded.

BIRTHS

To the following proud parents our congratulations are extended.

Howard & Nan Jones - a brother Howard Jnr.
for Belinda.

Dave & Dianna James- a boy, Peter.

Dunlop & Stephanie Ferguson - a girl, Lee Ann.

MARRIAGES

The following are the benedicts that we have recorded through the year.

Toby and Dianne Storm

The Club wishes these members and their wives future good health, happiness and prosperity.

'PAUL JACKMAN' JET RESCUE BOAT

On the afternoon of 8th December, 1969 at 2.30 p.m. on South Narrabeen beach a new Jet Rescue Boat was christened and launched.

This boat was donated by the Frenchs Forest and Brookvale Lions Clubs to the Manly Warringah Branch of the S.L.S.A. The boat was christened 'Paul Jackman' in memory of our late club-mate who gave his life whilst effecting a rescue on South Narrabeen Beach.

The Manly Warringah Branch was represented by the President Mr. R. Smiles and Vice-President Mr. A. Fitzgerald. Warringah Shire Council was represented by the Shire President Mr. Huntingdon along with Members from other Surf Clubs.

During the Ceremony the boat was christened by Mrs. Jackman. As the boat took to the water for the first time it carried with it the good wishes of all in attendance.

This boat is housed at Fishermans Beach, Long Reef and since its commission has performed many rescues and services to those in distress.

Some of our Club members have joined the Power Boat Movement and after completing basic training are now qualified operators.

R.A. RUTLEDGE
Power Boat Delegate.

BOAT CAPTAIN'S REPORT

Well another Season has passed with our Club having its share of wins, places and mishaps.

Having started the Season with a very strong Junior Crew things looked very bright but due to education commitments we lost Geoff Hedestrom. Settling down took a bit of doing with our new man but a 3rd at the Australian Championships was their reward.

Our Crews for the Season were:

<u>Seniors</u>	<u>Juniors</u>
A. Haven	W. Storey
N. Bott	L. Reynolds
P. Bott	F. Snoeys
R. Parkes	M. Ramster

Senior Members trained very regularly all Season and were unfortunate at the State Championships owing to their Sweep(me).

After drawing a very hot heat in the Australian Championships we were fortunate to crack a slide right to the beach and win our heat.

In our semi-final owing to Mollymook broaching and crashing into our boat the chances of making the finals for the second year in a row were dashed.

To all boat crew members I say thank you for making my job pleasant. To members who helped lift and store our boats throughout the season, Thank You.

To all old and new members and the President and Committee of this Club, the best for the coming season.

I.L. HENRY (B.C.)
(Chook).

SOCIAL EVENTS

The 1969/70 Season saw us for the first time in many seasons without a Social Secretary. This is a very important aspect of Club activities and Members should give serious consideration to seeing that this position is filled by a responsible and conscientious person this coming season.

However, a number of functions were conducted throughout the season which proved very popular and successful.

These were:- Annual Golf Day
 Annual Presentation of Trophies
 Annual Dinner Dance
 Christmas Party
 Sunday Afternoon Kegs and
 Barbecues

We would also like to thank those who held functions at their homes for Club Members.

BEACH FOOTBALL

The 1969/70 Beach Football Competition is again with us and South Narrabeen have fielded a composite team comprising members of both 'South' and 'North' Narrabeen players. At the time of this publication going to press the first of 3 rounds has been completed. The boys at this stage are favourably placed having one win, two draws and a loss to their credit, and are confident of turning these losses into victories.

Chicka O'Reilly, Club Coach, has taken the boys under his wing and has the unenviable task of whipping the boys into shape on Tuesday nights at Narrabeen Oval.

Chicka informs us that with the present rate of improvement the mighty Souths could be contenders for the World Cup at the end of the Season.

We extend our thanks to all players for their participation and time in this Winter Event which we feel has contributed a great deal to keeping the boys together throughout the winter months.

COMMITTEE MEETINGS

The Club Committee has convened once every month throughout the 1969/70 season and attendances have been good.

The Committee is the nucleus of Club activity and my thanks go to all those who have helped me throughout the year particularly the Assistant Secretary, Mr. Bob Ingram, whose assistance in compiling this report has been invaluable.

The 1969/70 season has passed and in passing we are on the threshold of a new era. Perhaps it is fitting that we pause here and reflect on the past 10 years and we will no doubt be aware that the Club has functioned in peaks and valleys. However, the most significant fact of this era has been the membership. Although we have never been a big Club by numbers we are fortunate to have a core of men who have the Club at heart and have kept the fire burning when we have been at our lowest. This year the Club has functioned well and team spirit has been high as we enter a new decade.

What of the future? If we are to be successful we must all try a little harder than we have done in the past. We must constantly strive for new members and above all preserve the comradeship and team spirit that we had in the sixties. It is my sincere wish that our younger members consider taking office in the coming season and help shoulder the burden of Club management.

Gentlemen, Good Luck and Good Surfing for the seventies
